

Dahej SEZ Ltd.
Gandhinagar
Date: 10/04/2018

Minutes of Pre-Bid / Clarification meeting for Supply of one multipurpose fire tender (MPFT) for fire station at Dahej SEZ held on 10/04/2018

Tender notice no.: 01/2018-19

1. No representative of any agency remained present during the Pre-bid meeting as per schedule.
2. DSL received email form one of the agency for clarification. The clarification sough is as under:
"Since the chassis prices are not in our control and it completely depends on when the order is finalized, we request you to kindly remove the chassis part from the tender. In any case, Dahej SEZ will be placing the PO on the chassis manufacturer/dealer. Hence the necessity to quote for the chassis is anyways negated."

Reply / Clarification by DSL:

It is to clarify that agency has to submit rate for cost of Chassis and cost of fabrication as per Price bid and payment will be made as per T&C mention in Tender.
