M/S. DAHEJ SEZ LIMITED

SIX MONTHLY COMPLIANCE REPORT OF ENVIRONMENTAL CLEARANCE

(PERIOD: OCTOBER 2024 TO MARCH 2025)

INTRODUCTION

M/s. Dahej SEZ Limited (DSL) is a company registered under the companies act, 1956 and is promoted jointly by Gujarat industrial development corporation (GIDC) for development of Industrial Park (IP) and Multi Product SEZ by M/s. Dahej SEZ Limited at villages: Pakhajan, Ambhel & Limdi, Taluka: Vagra of Bharuch district in Gujarat, India.

M/s. Dahej SEZ Ltd. has obtained EC from MoEF&CC vide Identification no. EC23A3101GJ5267524N dated 14th November 2023.

As per EC clearance (Identification no: EC23A3101GJ5267524N dated 14th November 2023 issued by MoEF&CC), Standard EC Conditions for (Industrial estates/ parks/complexes areas, export processing Zones (EPZs), Special Economic Zones in **Condition no. 10: Miscellaneous in which condition no. 10.3: "The project proponent shall upload the status of compliance of the stipulated environment clearance conditions, including results of monitored data on their website and update the same on half-yearly basis."**

M/S. DAHEJ SEZ LIMITED

SIX MONTHLY COMPLIANCE REPORT OF ENVIRONMENTAL CLEARANCE

(PERIOD: OCTOBER 2024 TO MARCH 2025)

**ACKNOWLEDGEMENT
COPY OF HALF YEARLY EC
COMPLIANCE REPORT
SUBMITTED ON PARIVESH
PORTAL**

Your (Half Yearly Compliance Report) has been Submitted with following details	
Proposal No	IA/GJ/INFRA1/444518/2023
Compliance ID	118941595
Compliance Number(For Tracking)	EC/COMPLIANCE/118941595/2025
Reporting Year	2025
Reporting Period	01 Jun(01 Oct - 31 Mar)
Submission Date	29-05-2025
RO/SRO Name	Shrawan Kumar Verma
RO/SRO Email	kr099.ifs@nic.in
State	GUJARAT
RO/SRO Office Address	Integrated Regional Offices, Gandhi Nagar
Note:- SMS and E-Mail has been sent to Shrawan Kumar Verma, GUJARAT with Notification to Project Proponent.

1	Development of Industrial Park and Multi Product SEZ by M/s. Dahej SEZ Limited	Others:Ha	N/A	715	0	0

Conditions		
Specific Conditions		
Sr.No.	Condition Type	Condition Details
1	WASTE MANAGEMENT	A certificate from the competent authority handling municipal solid wastes should be obtained, indicating the existing civic capacities of handling and their adequacy to cater to the M.S.W. generated from project.
PPs Submission: Agreed to Comply Member industries of IP and SEZ should obtain certificate from the competent authority for management of municipal solid wastes.		Date: 29/05/2025
2	WASTE MANAGEMENT	Used CFLs and TFLs should be properly collected and disposed off/sent for recycling as per the prevailing guidelines/ rules of the regulatory authority to avoid mercury contamination.
PPs Submission: Agreed to Comply Agreed to Condition.		Date: 29/05/2025
3	GREENBELT	The Industrial Areas are directed to accordingly allocate the area, to be developed as green cover, to respective individual industrial units so as to achieve the above mentioned condition.
PPs Submission: Agreed to Comply Industrial Area will be allocated in such way that total of 33 percent green belt area will be achieved in IP and SEZ Area. At present there is no any allocation to the Industries in IP and SEZ.		Date: 29/05/2025
4	PUBLIC HEARING	Occupational health surveillance of the workers shall be done on a regular basis.
PPs Submission: Agreed to Comply Regular Health Checkup will be carried out.		Date: 29/05/2025
5	MISCELLANEOUS	The Ministry reserves the right to stipulate additional conditions if found necessary. The Company in a time bound manner shall implement these conditions.
PPs Submission: Agreed to Comply Noted and agreed to comply.		Date: 29/05/2025
6	MISCELLANEOUS	Petroleum refinery industries (Sec 4(a)) and Petro-chemical complexes (industries based on processing of petroleum fractions and natural gas and/or reforming to aromatics) (Sec 5(c)) will not be permissible as agreed by PP.
PPs Submission: Agreed to Comply DSL will allocate plot to member industries based on the category approved in EC.		Date: 29/05/2025
7	WASTE MANAGEMENT	Construction spoils, including bituminous material and other hazardous materials, must not be allowed to contaminate watercourses and the dump sites for such material must be secured so that they should not leach into the ground water.

<p>PPs Submission: Agreed to Comply Efforts will be made to prevent contamination of watercourses and the dump sites for such material must be secured so that they should not leach into the ground water.</p>		<p>Date: 29/05/2025</p>
8	<p>WATER QUALITY MONITORING AND PRESERVATION</p>	<p>Sewage Treatment Plant shall be provided to treat the wastewater generated from the project. Treated water shall be reused for horticulture, flushing, backwash, HVAC purposes and dust suppression.</p>
<p>PPs Submission: Agreed to Comply DSL will provide Sewage Treatment Plant (STP) to treat the sewage generated from ADM building, Canteen and other common facilities. Treated sewage will be reused for gardening purpose. Member industries IP and SEZ will provide individual STP/Soak pit to treat the sewage and treated sewage will be reuse in their own premises.</p>		<p>Date: 29/05/2025</p>
9	<p>WATER QUALITY MONITORING AND PRESERVATION</p>	<p>The project proponent shall regularly monitor ground water quality at least twice a year (pre- and post-monsoon) at sufficient numbers of piezometers/sampling wells in the plant and adjacent areas through labs recognized under Environment (Protection) Act, 1986 and NABL accredited laboratories.</p>
<p>PPs Submission: Agreed to Comply At present there is no any allocation to the Industries in IP and SEZ.</p>		<p>Date: 29/05/2025</p>
10	<p>MISCELLANEOUS</p>	<p>The quantity of fresh water usage, water recycling and rainwater harvesting shall be measured/recorded to ensure the water balance as projected by the project proponent. The record shall be submitted to the Regional Office, MoEF-CC along with six Monthly Monitoring reports.</p>
<p>PPs Submission: Agreed to Comply Individual industries and DSL, both will maintain record of fresh water usage, water recycling and rainwater harvesting which will be submitted to the Regional Office, MoEF-CC along with six Monthly Monitoring reports.</p>		<p>Date: 29/05/2025</p>
11	<p>MISCELLANEOUS</p>	<p>Proper meters with recording facilities shall be provided to monitor the effluent quality and quantity sent from member industries to CETP and from CETP to re-use on a continuous basis.</p>
<p>PPs Submission: Agreed to Comply Member Industries will provide meters with recording facilities to monitor the effluent quality and quantity sent by them to Dahej CETP owned by Gujarat Industrial Development Corporation (GIDC).</p>		<p>Date: 29/05/2025</p>
12	<p>Statutory compliance</p>	<p>The project proponent shall obtain the necessary permission from the Central Ground Water Authority, in case of drawl of ground water / from the competent authority concerned in case of drawl of surface water required for the project.</p>
<p>PPs Submission: Agreed to Comply Agree to condition.</p>		<p>Date: 29/05/2025</p>
13	<p>AIR QUALITY MONITORING AND PRESERVATION</p>	<p>The project proponent shall install system carryout to Ambient Air Quality monitoring for Common / criterion parameters relevant to the main pollutants released (e.g. PM10 and PM2.5 in reference to PM emission, and SO2 and NOx in reference to SO2 and NOx emissions) within and outside the port area at least at four locations (one within and three outside the port area at an angle of 120 Degree each), covering upwind and downwind directions.</p>

<p>PPs Submission: Agreed to Comply DSL will construct Ambient air monitoring station as per the given condition. Ambient Air Quality level was found well within the National Ambient Air Quality Standards (NAAQS). Monitoring report of Ambient Air Quality is attached herewith herewith.</p>		<p>Date: 29/05/2025</p>
14	Statutory compliance	All the recommendation of the EMP shall be complied with in letter and spirit and be submitted to the Regional Office, MoEF-CC along with six Monthly Monitoring reports.
<p>PPs Submission: Agreed to Comply Six monthly compliances is being submitted to the Regional Office, MoEF-CC and DSL has uploaded six monthly compliances on the Parivesh portal regularly. Screen shot previous compliance submission is attached herewith.</p>		<p>Date: 29/05/2025</p>
15	Statutory compliance	As per the Ministrys Office Memorandum F. No. 22-65/2017-IA.III dated 30th September, 2020, the project proponent shall abide by all the commitments made by them to address the concerns raised during the public consultation. The project proponent shall initiate the activities proposed by them, based on the commitment made in the public hearing, and incorporate in the Environmental Management Plan and submit to the Ministry. All other activities including pollution control, environmental protection and conservation, R and R, wildlife and forest conservation/protection measures including the NPV, Compensatory Aforestation etc, either proposed by the project proponent based on the social impact assessment and R and R action plan carried out during the preparation of EIA report or prescribed by EAC, shall also be implemented and become part of EMP.
<p>PPs Submission: Agreed to Comply Agree to condition.</p>		<p>Date: 29/05/2025</p>
16	Statutory compliance	A certificate of adequacy of available power from the agency supplying power to the project along with the load allowed for the project should be obtained.
<p>PPs Submission: Agreed to Comply Agree to condition.</p>		<p>Date: 29/05/2025</p>
17	Statutory compliance	For all the individual units/infrastructure requirements, environmental clearances, as Applicable, shall be obtained from the respective regulatory authorities.
<p>PPs Submission: Agreed to Comply DSL will intimate member industries of IP and SEZ to obtain environmental clearances, as Applicable, from the respective regulatory authorities.</p>		<p>Date: 29/05/2025</p>
18	GREENBELT	25 meters Buffer of green belt shall be provided each side of the channels and 20m buffer all along the boundary of Industrial Park.
<p>PPs Submission: Agreed to Comply Agree to Comply.</p>		<p>Date: 29/05/2025</p>
19	AIR QUALITY MONITORING AND PRESERVATION	Appropriate Air Pollution Control (APC) system shall be provided for all the dust Generating points including fugitive dust from all vulnerable sources, so as to comply prescribed fugitive emission standards.

PPs Submission: Agreed to Comply All measures will be taken to reduce fugitive emission.		Date: 29/05/2025
20	Statutory compliance	The project proponent shall submit monthly summary report of continuous stack emission and air quality monitoring and results of manual stack monitoring and manual monitoring of air quality /fugitive emissions to Regional Office of MoEF-CC, Zonal office of CPCB and Regional Office of SPCB along with six-monthly monitoring report.
PPs Submission: Agreed to Comply At present there is no any allocation to the Industries in IP and SEZ. DSL is submitting six monthly compliance report as statutory requirement. Screen shot previous compliance submission is attached herewith.		Date: 29/05/2025
21	MISCELLANEOUS	The member units shall provide storage tanks for storage of effluent for monitoring the Characteristics of effluent before taking into the CETP for further treatment.
PPs Submission: Agreed to Comply Member Industries will comply the norms of statutory authority issue time to time for storage of effluent for monitoring the Characteristics of effluent before taking into the CETP for further treatment.		Date: 29/05/2025
22	MISCELLANEOUS	Parking space to accommodate trucks, cars, two wheelers and bicycles shall be provided as per the norms.
PPs Submission: Agreed to Comply Adequate parking space will be provided.		Date: 29/05/2025
23	AIR QUALITY MONITORING AND PRESERVATION	Dust collectors shall be deployed in all areas where surface cleaning and painting operations are to be carried out, supplemented by stacks for effective dispersion.
PPs Submission: Agreed to Comply Dust Collector will be provided at the required area.		Date: 29/05/2025
24	Statutory compliance	Fly ash should be used as building material in the construction as per the provisions of Fly Ash Notification of September, 1999 and amended as on 27th August, 2003 and 25th January, 2016.
PPs Submission: Agreed to Comply Agree to Comply.		Date: 29/05/2025
25	MISCELLANEOUS	Soil and ground water samples will be tested to ascertain that there is no threat to ground water quality by leaching of heavy metals and other toxic contaminants.
PPs Submission: Agreed to Comply At present there is no any allocation to the Industries in IP and SEZ.		Date: 29/05/2025
26	Statutory compliance	Any hazardous waste generated during development! Construction phase, should be disposed off as per applicable rules and norms with necessary approvals of the State Pollution Control Board.

PPs Submission: Agreed to Comply Agree to condition.		Date: 29/05/2025
27	Statutory compliance	Ambient noise levels shall conform to the prescribed standards both during day and night. Incremental pollution loads on the ambient air and noise quality should be closely monitored during development/ construction phase. Adequate measures shall be made to reduce ambient air and noise level during construction phase, so as to conform to the stipulated standards by CPCB/SPCB.
PPs Submission: Agreed to Comply Ambient noise levels are well within standards by CPCB/GPCB. Monitoring report of Ambient noise is attached herewith		Date: 29/05/2025
28	MISCELLANEOUS	As advised by the Senior Air Traffic Control Officer of the Bidar Airforce Station vide its letter No. BDR/1753/1/ATS dated 16th March 2018, each industrial unit will need to take NOC from Bidar Airforce Station and as such be made aware officially by the project proponent.
PPs Submission: Agreed to Comply Air Force NOC will be taken if Applicable.		Date: 29/05/2025
29	Statutory compliance	The project proponent shall prepare a Site-Specific Conservation Plan and Wildlife Management Plan and approved by the Chief Wildlife Warden. The recommendations of the approved Site-Specific Conservation Plan / Wildlife Management Plan shall be implemented in consultation with the State Forest Department. The implementation report shall be furnished along with the six-monthly compliance report (in case of the presence of schedule-I species in the study area).
PPs Submission: Agreed to Comply Site-Specific Conservation Plan and Wildlife Management Plan is approved by the Chief Wildlife Warden. Which will be implemented by IP and SEZ.		Date: 29/05/2025
30	Statutory compliance	All excavation related dewatering shall be as duly authorized by the CGWA. A NOC from the CGWA shall be obtained for all dewatering and ground water abstraction
PPs Submission: Agreed to Comply Agree to condition.		Date: 29/05/2025
31	Statutory compliance	All other statutory clearances such as the approvals for storage of diesel from Chief Controller of Explosives, Fire Department, Coast Guard, Civil Aviation Department shall be obtained, as applicable by project proponents from the respective competent authorities.
PPs Submission: Agreed to Comply Agree to condition.		Date: 29/05/2025
32	AIR QUALITY MONITORING AND PRESERVATION	Appropriate Air Pollution Control (APC) system shall be provided for all the dust generating points including fugitive dust from all vulnerable sources, so as to comply prescribed emission standards.
PPs Submission: Agreed to Comply All measures will be taken to reduce fugitive emission.		Date:

		29/05/2025
33	AIR QUALITY MONITORING AND PRESERVATION	Diesel power generating sets proposed as source of backup power should be of enclosed type and conform to rules made under the Environment (Protection) Act, 1986. The height of stack of DG sets should be equal to the height needed for the combined capacity of all proposed DG sets. Use of low sulphur diesel. The location of the DG sets may be decided with in consultation with State Pollution Control Board.
PPs Submission: Agreed to Comply Only enclosed type DG set will be provided with adequate stack height with consultation SPCB.		Date: 29/05/2025
34	AIR QUALITY MONITORING AND PRESERVATION	The project proponent shall install system to carryout Ambient Air Quality monitoring for Common/criterion parameters relevant to the main pollutants released (e.g. PM10 and PM2.5 in reference to PM emission, and SO2 and NOx in reference to SO2 and NOx emissions) within and outside the project area at least at four locations (one within and three outside the project area at an angle of 120 degree each), covering upwind and downwind directions.
PPs Submission: Complied At present there is no any allocation to the Industries in IP and SEZ. Monitoring report of Ambient Air is attached herewith.		Date: 29/05/2025
35	WATER QUALITY MONITORING AND PRESERVATION	A certificate from the competent authority for discharging treated effluent/ untreated effluents into the Public sewer/ disposal/drainage systems along with the final disposal point should be obtained.
PPs Submission: Agreed to Comply Member industries of IP and SEZ should obtain certificate from the competent authority for discharging treated effluent/ untreated effluents into the Public sewer/ disposal/drainage systems along with the final disposal point.		Date: 29/05/2025
36	AIR QUALITY MONITORING AND PRESERVATION	A detailed traffic management and traffic decongestion plan shall be drawn up to ensure that the current level of service of the roads within a 05 kms radius of the project is maintained and improved upon after the implementation of the project. This plan should be based on cumulative impact of all development and increased habitation being carried out or proposed to be carried out by the project or other agencies in this 05 Kms radius of the site in different scenarios of space and time and the traffic management plan shall be duly validated and certified by the State Urban Development department and the P.W.D./ competent authority for road augmentation and shall also have their consent to the implementation of components of the plan which involve the participation of these departments.
PPs Submission: Agreed to Comply Traffic management and traffic decongestion plan will be prepared and will be implemented.		Date: 29/05/2025
37	WATER QUALITY MONITORING AND PRESERVATION	No diversion of the natural course of the river shall be made without prior permission from the Ministry of Water resources.
PPs Submission: Agreed to Comply Agreed to Condition.		Date: 29/05/2025

38	WATER QUALITY MONITORING AND PRESERVATION	Total fresh water use shall not exceed the proposed requirement as provided in the project details. Prior permission from competent authority shall be obtained for use of fresh water.
PPs Submission: Agreed to Comply Agreed to Condition.		Date: 29/05/2025
39	Noise Monitoring & Prevention	Acoustic enclosures for DG sets, noise barriers for ground-run bays, ear plugs for operating personnel shall be implemented as mitigation measures for noise impact due to ground sources.
PPs Submission: Agreed to Comply Acoustic enclosure will be provided to the DG sets to mitigate the noise pollution and also provide adequate PPEs.		Date: 29/05/2025
40	WASTE MANAGEMENT	Any wastes from construction and demolition activities related thereto shall be managed so as to strictly conform to the Construction and Demolition Waste Management Rules, 2016.
PPs Submission: Agreed to Comply Any wastes from construction and demolition activities related thereto will be managed so as to strictly conform to the Construction and Demolition Waste Management Rules, 2016.		Date: 29/05/2025
41	Noise Monitoring & Prevention	Noise level survey shall be carried as per the prescribed guidelines and report in this regard shall be submitted to Regional Officer of the Ministry as a part of six-monthly compliance report.
PPs Submission: Agreed to Comply Monitoring report of Ambient noise level is attached herewith. DSL is submitting six monthly compliance report as statutory requirement. Screen shot previous compliance submission is attached herewith.		Date: 29/05/2025
42	Noise Monitoring & Prevention	The ambient noise levels should conform to the standards prescribed under E(P)A Rules, 1986 viz. 75 dB(A) during day time and 70 dB(A) during night time.
PPs Submission: Agreed to Comply NABL accredited laboratory will be appointed for regular monitoring work.		Date: 29/05/2025
43	ENERGY PRESERVATION MEASURES	Provide solar power generation on roof tops of buildings, for solar light system for all common areas, street lights, parking around project area and maintain the same regularly
PPs Submission: Agreed to Comply Agreed to Condition.		Date: 29/05/2025
44	ENERGY PRESERVATION MEASURES	Provide LED lights in their offices and project areas.
PPs Submission: Agreed to Comply Agreed to Comply.		Date: 29/05/2025
45	WASTE MANAGEMENT	Necessary arrangements for the treatment of the effluents and solid wastes must be made and it must be ensured that they conform to the standards laid down by the competent authorities including the Central or State Pollution Control Board and under the Environment (Protection) Act, 1986.

PPs Submission: Agreed to Comply Agreed to Condition.		Date: 29/05/2025
46	Noise Monitoring & Prevention	Noise from vehicles, power machinery and equipment on-site should not exceed the prescribed limit. Equipment should be regularly serviced. Attention should also be given to muffler maintenance and enclosure of noisy equipments.
PPs Submission: Agreed to Comply Agreed to Condition.		Date: 29/05/2025
47	WASTE MANAGEMENT	The solid wastes shall be managed and disposed as per the norms of the Solid Waste Management Rules, 2016.
PPs Submission: Agreed to Comply Solid wastes will be managed and disposed as per the norms of the Solid Waste Management Rules, 2016.		Date: 29/05/2025
48	GREENBELT	An overall green area of at-least 33 percent of the Industrial Area should be developed with native species. The green area shall be 40 percent in case of critically polluted area. The project proponent of the Industrial Area shall comply with the additional commitment made by them in the EIA report regarding the development of green belt.
PPs Submission: Agreed to Comply Total 33 percent of green belt will be developed.		Date: 29/05/2025
49	GREENBELT	Wherever possible, plantations around the periphery of the Industrial Area, in the downwind direction and along the road sides shall be provided for containment of pollution and for formation of a screen between the industrial area and the outer civil area. The choice of plants should include shrubs of height 1 to 1.5 m and tree of 3 to 5 m height. The intermixing of trees and shrubs should be such that the foliage area density in vertical is almost uniform.
PPs Submission: Agreed to Comply Agreed to Comply.		Date: 29/05/2025
50	GREENBELT	The parameters like selection of plant species, procedure for plantation, density of tree plantation etc shall be as per the CPCB guidelines.
PPs Submission: Agreed to Comply Agreed to Condition.		Date: 29/05/2025
51	MISCELLANEOUS	The company shall have a well laid down environmental policy duly approved by the Board of Directors. The environmental policy should prescribe for standard operating procedures to have proper checks and balances and to bring into focus any infringements/deviation/violation of the environmental / forest /wildlife norms/ conditions. The company shall have defined system of reporting infringements / deviation / violation of the environmental / forest / wildlife norms / conditions and / or shareholders / stake holders. The copy of the board resolution in this regard shall be submitted to the MoEF-CC as a part of six-monthly report.

PPs Submission: Agreed to Comply Agreed to comply.		Date: 29/05/2025
52	MISCELLANEOUS	Action plan for implementing EMP and environmental conditions along with responsibility matrix of the company shall be prepared and shall be duly approved by competent authority. The year wise funds earmarked for environmental protection measures shall be kept in separate account and not to be diverted for any other purpose. Year wise progress of implementation of action plan shall be reported to the Ministry/Regional Office along with the Six Monthly Compliance Report.
PPs Submission: Agreed to Comply DSL will engage staff or agency for Environment Cell to comply the condition.		Date: 29/05/2025
53	Statutory compliance	The project proponent shall submit the environmental statement for each financial year in Form-V to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently and put on the website of the company.
PPs Submission: Agreed to Comply DSL will submit environmental statement for each financial year in Form-V to the concerned Authority under prescribed Environment (Protection) Rules, 1986, as amended subsequently and put on the website of the DSL.		Date: 29/05/2025
54	MISCELLANEOUS	The project proponent shall inform the Regional Office as well as the Ministry, the date of financial closure and final approval of the project by the concerned authorities, commencing the land development work and start of production operation by the project.
PPs Submission: Agreed to Comply Agreed to Condition.		Date: 29/05/2025
55	Statutory compliance	The Regional Office of this Ministry shall monitor compliance of the stipulated conditions. The project authorities should extend full cooperation to the officer (s) of the Regional Office by furnishing the requisite data / information/monitoring reports.
PPs Submission: Agreed to Comply Noted and agreed		Date: 29/05/2025
56	GREENBELT	The individual industrial unit, at the time of obtaining EC, shall bring a letter from the Industrial Area, specifying the area allocated to them to be developed as green cover, as a part of obligation from the Industrial Area.
PPs Submission: Agreed to Comply It will be responsibility of individual industries to develop their part of green belt within premises as mentioned in EC condition.		Date: 29/05/2025
57	MISCELLANEOUS	A separate Environmental Cell both at the project and company head quarter level, with qualified personnel shall be set up under the control of senior Executive, who will directly report to the head of the organization.

M/S. DAHEJ SEZ LIMITED
SIX MONTHLY COMPLIANCE REPORT OF ENVIRONMENTAL CLEARANCE
(PERIOD: OCTOBER 2024 TO MARCH 2025)

PPs Submission: Agreed to Comply Environmental Cell diagram is attached herewith.		Date: 29/05/2025
58	AIR QUALITY MONITORING AND PRESERVATION	The criteria pollutant levels namely; PM2.5, PM10, SO2, NOx (ambient levels) or critical sectoral parameters, indicated for the project shall be monitored and displayed at a convenient location near the main gate of the company in the public domain.
PPs Submission: Agreed to Comply Agreed to Condition.		Date: 29/05/2025
59	Statutory compliance	The project authorities must strictly adhere to the stipulations made by the State Pollution Control Board and the State Government.
PPs Submission: Agreed to Comply Agreed to Condition.		Date: 29/05/2025
60	Statutory compliance	No further expansion or modifications in the Industrial Area shall be carried out without prior approval of the Ministry of Environment, Forests and Climate Change (MoEF-CC).
PPs Submission: Complied Noted		Date: 29/05/2025
61	MISCELLANEOUS	Concealing factual data or submission of false/fabricated data may result in revocation of this environmental clearance and attract action under the provisions of Environment (Protection) Act, 1986.
PPs Submission: Complied Noted		Date: 29/05/2025
62	MISCELLANEOUS	The Ministry may revoke or suspend the clearance, if implementation of any of the above conditions is not satisfactory.
PPs Submission: Complied Noted		Date: 29/05/2025
63	GREENBELT	The green belt of 5-10 m width shall be developed in more than 33 percent of the total project area, mainly along the plant periphery, in downward wind direction, and along road sides etc. Selection of plant species shall be as per the CPCB guidelines in consultation with the State Forest Department.
PPs Submission: Agreed to Comply Total 33 percent of Green Belt will be developed having 5-10 m width mainly along the plant periphery, in downward wind direction, and along road sides etc. Selection of plant species shall be as per the CPCB guidelines in consultation with the State Forest Department.		Date: 29/05/2025
64	PUBLIC HEARING	Workers shall be strictly enforced to wear personal protective equipments like dust mask, ear muffs or ear plugs, whenever and wherever necessary/ required. Special visco-elastic gloves will be used by labour exposed to hazards from vibration.
PPs Submission: Agreed to Comply Agreed to Condition.		Date: 29/05/2025

65	PUBLIC HEARING	Safety training shall be given to all workers specific to their work area and every worker and employee will be engaged in fire hazard awareness training and mock drills which will be conducted regularly. All standard safety and occupational hazard measures shall be implemented and monitored by the concerned officials to prevent the occurrence of untoward incidents/ accidents.
PPs Submission: Agreed to Comply Safety training will be given by DSL or Individual Industries to their employees/workers.		Date: 29/05/2025
66	PUBLIC HEARING	Emergency preparedness plan based on the Hazard identification and Risk Assessment (HIRA) and Disaster Management Plan shall be implemented.
PPs Submission: Agreed to Comply Agreed to Condition.		Date: 29/05/2025
67	PUBLIC HEARING	Provision shall be made for the housing of construction labour within the site with all necessary infrastructure and facilities such as fuel for cooking, mobile toilets, mobile STP, safe drinking water, medical health care, creche etc. The housing may be in the form of temporary structures to be removed after the completion of the project.
PPs Submission: Agreed to Comply Agreed to Condition.		Date: 29/05/2025
68	MISCELLANEOUS	Self-environmental audit shall be conducted annually. Every three years third party environmental audit shall be carried out.
PPs Submission: Agreed to Comply At present there is no any allocation to the Industries in IP and SEZ.		Date: 29/05/2025
69	MISCELLANEOUS	The project proponent shall make public the environmental clearance granted for their project along with the environmental conditions and safeguards at their cost by prominently advertising it at least in two local newspapers of the District or State, of which one shall be in the vernacular language within seven days and in addition this shall also be displayed in the project proponents website permanently.
PPs Submission: Complied Advertisement in English Newspaper is given in Times of India Dated: 23rd November, 2023. Copy of Advertisement is Attached herewith.		Date: 29/05/2025
70	Statutory compliance	The project proponent shall upload the status of compliance of the stipulated environment clearance conditions, including results of monitored data on their website and update the same on half-yearly basis.
PPs Submission: Being Complied DSL has uploaded six monthly compliances on the website regularly. Screen shot of DSL website to upload the previous compliance is attached herewith.		Date: 29/05/2025
71	Statutory compliance	The project proponent shall submit six-monthly reports on the status of the compliance of the stipulated environmental conditions on the website of the ministry of Environment, Forest and Climate Change at environment clearance portal.

PPs Submission: Agreed to Comply DSL has uploaded six monthly compliances on Parivesh 2.0 / submitted to concern authorities. Screen shot previous compliance submission is attached as Annexure: 5		Date: 29/05/2025
72	Statutory compliance	Any appeal against this EC shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010.
PPs Submission: Complied Noted		Date: 29/05/2025
73	Statutory compliance	The copies of the environmental clearance shall be submitted by the project proponents to the Heads of local bodies, Panchayats and Municipal Bodies in addition to the relevant offices of the Government who in turn has to display the same for 30 days from the date of receipt.
PPs Submission: Complied Copies of Environmental Clearance is already submitted to the Heads of local bodies, Panchayats and Municipal Bodies in addition to the relevant offices of the Government and Acknowledgment copy of submission is attached herewith.		Date: 29/05/2025
74	MISCELLANEOUS	The project proponent shall abide by all the commitments and recommendations made in the ELA/EMP report, commitment made during Public Hearing and also that during their presentation to the Expert Appraisal Committee.
PPs Submission: Agreed to Comply DSL will comply all the commitments and recommendations made in the EIA/EMP report, commitment made during Public Hearing and also that during their presentation to the Expert Appraisal Committee.		Date: 29/05/2025
75	Statutory compliance	The above conditions shall be enforced, inter-alia under the provisions of the Water (Prevention and Control of Pollution) Act, 1974, the Air (Prevention and Control of Pollution) Act, 1981, the Environment (Protection) Act, 1986, Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 and the Public Liability Insurance Act, 1991 along with their amendments and Rules and any other orders passed by the Hon'ble Supreme Court of India / High Courts and any other Court of Law relating to the subject matter.
PPs Submission: Complied Noted		Date: 29/05/2025
General Conditions		
Sr.No.	Condition Type	Condition Details
1	MISCELLANEOUS	The proposal is for develop industrial park and Multi Product SEZ in an area of 715.00 Hectares at Villages: Pakhajan, Ambhel and Limdi, Taluka: Vagra in Bharuch District, Gujarat by Dahej SEZ Limited (DSL).
PPs Submission: Complied Noted.		Date: 29/05/2025

2	MISCELLANEOUS	The proposed project falls under 7 (c) Industrial Park, Cat - A as per EIA notification 2006, and its subsequent amendments. Total Project Cost is Rs. 1,567 Cr.
PPs Submission: Complied Noted.		Date: 29/05/2025
3	MISCELLANEOUS	Details of Terms of References (ToR): The ToR proposal was considered 294th EAC meeting on 05th May, 2022 and the Terms of Reference (ToR) was granted by EAC vide letter no. F.No.10/17/2022-IA.III dated 05th May, 2022.
PPs Submission: Complied Noted.		Date: 29/05/2025
4	PUBLIC HEARING	Public Hearing: Public Hearing was conducted by Gujarat Pollution Control Board, in district Bharuch on 26.07.2023. The details of the public hearing is as following:
PPs Submission: Complied Noted. Public Hearing was conducted on dated: 26.07.2023 Venue at Near Primary Health Centre (PHC), Village: Pakhajan, Taluka: Vagra, District: Bharuch. Details of Public Hearing is attached herewith.		Date: 29/05/2025
5	MISCELLANEOUS	Land use/ Land cover of the project site:
PPs Submission: Complied Noted.		Date: 29/05/2025
6	MISCELLANEOUS	List to industries to be housed with the proposed project site, only for projects covered under 7(c) category of EIA Notification, 2006:
PPs Submission: Agreed to Comply Plot allotment is not started yet. Plot will be allocated as per the condition in the Environment Clearance.		Date: 29/05/2025
7	MISCELLANEOUS	Land Area Distribution of 125 Ha. Land area out of the total area of 715.00 Ha is earmarked for the proposed multi-product SEZ and remaining 590 Ha allocated for IP. The saleable land is 76.29(i.e. 545.46 Ha) which will be used for industrial purpose and balance 23.71(i.e 169.54 Ha) land area will be used for various services/utilities common to both the areas.
PPs Submission: Agreed to Comply Plot will be allocated as per the condition in the Environment Clearance. However, Dahej SEZ limited (DSL) will update the status of allocation of plot in SEZ and Industrial Park (IP).		Date: 29/05/2025
8	MISCELLANEOUS	The industrial estate will develop, water distribution network, Storm Water Network, Grids for Power supply, Waste water pipeline network connected to common effluent sump, Common effluent Collection sump, STP for administrative buildings/common facilities, Road Network, Pipeline for conveying effluent, Tele- communication system etc. Common Buildings: Commercial Complex, Banks, Post Office, Administration and Custom building, Canteen, Health Center, Fire Station etc.
PPs Submission: Agreed to Comply The facilities/Infrastructure as stated in this condition shall be developed by DSL in IP and SEZ as		Date:

per requirement and Basic infrastructure work in progress.		29/05/2025
9	MISCELLANEOUS	Terrain and topographical features: Topographically, the area is characterized by flats plan and small hilly tract with general slope toward the North. Elevation ranges between 5 m to 100 m above msl.
PPs Submission: Agreed to Comply Noted.		Date: 29/05/2025
10	WATER QUALITY MONITORING AND PRESERVATION	Details of water bodies, impact on drainage: There are seasonal rain water channels (Kash) passing through the land boundary to allow the rainwater to flow through the land during the Monsoon season. For collection of Storm water within SEZ and IP, storm water drainage network will be provided along the road side as per requirement at project site. The width of storm water drain will be varying from 1 to 4 m. The collected water will be diverted outside the project site at suitable discharge point through the kash network. Storm water channel will be connected to Gandhar Creek our side the project area in NW side.
PPs Submission: Agreed to Comply DSL will construct storm water drainage network based on the detailed engineering site survey and design as per site requirement to comply the condition mentioned in the EC.		Date: 29/05/2025
11	WATER QUALITY MONITORING AND PRESERVATION	Water requirements: The water demand for manufacturing and non-manufacturing area, services, and green belt arrives will be 36 MLD which is sourced from 1385 MLD (366 MGD) reservoir of GIDC located at Rahiyad. Concurrence letter for water supply is obtained vide letter no: GIDC/ENG/PH/163 on dated 16th February 2022 from GIDC Gandhinagar. No Ground water will be used.
PPs Submission: Agreed to Comply Water supply demand for IP and SEZ area will be provided by GIDC as per GIDC letter dated: 16.02.2022.		Date: 29/05/2025
12	GREENBELT	Tree cutting: The proposed location has scarce trees distribution for the size of parcel and no distinct vegetation as well. As per the survey drawing of the land, only 69 trees (i.e. 1 tree in an average of 10 HA. of land) are present on the available land and hence this project can be taken up without destroying the existing trees as well as vegetation
PPs Submission: Agreed to Comply Agreed to Comply.		Date: 29/05/2025
13	GREENBELT	Green belt Development: M/s Dahej SEZ Limited is agreed to develop 20-meter width greenbelt as buffer area in periphery of IP SEZ towards the South side where irrigation canal is exists. M/s Dahej SEZ Limited also agreed to develop total 33 area as greenbelt area i.e. 236 Ha. of total area (715 Hectare) of IP SEZ by either DSL or Member industries. PP will develop total 13.21 area as greenbelt area i.e. 94.48 Hectare and remaining 20 greenbelt area i.e. 142 Hectare will be developed by member industries of IP SEZ. Hence, DSL will develop total 33 greenbelt area in totality. Accordingly revised layout is also submitted by the PP.
PPs Submission: Agreed to Comply Green belt will be developed by DSL and member industries as per the condition of EC. At present there is no any allocation to the Industries in IP and SEZ.		Date: 29/05/2025

14	MISCELLANEOUS	Diversion of forest land: The proposed project does not involved any Forest land is involved in proposed project.
PPs Submission: Complied Noted. DSL project does not involved any Forest land.		Date: 29/05/2025
15	MISCELLANEOUS	The proposed project is not located within 10 km of Protected Areas (PA), National Parks, Sanctuaries and Tiger Reserves etc and there are no Eco-Sensitive Zone (ESZ) or Eco-Sensitive Area (ESA) in 10 km radius area.
PPs Submission: Complied Noted. DSL is not located within 10 km of Protected Areas (PA), National Parks, Sanctuaries and Tiger Reserves etc and there are no Eco-Sensitive Zone (ESZ) or Eco-Sensitive Area (ESA) in 10 km radius area.		Date: 29/05/2025
16	WASTE MANAGEMENT	Waste Management: During the operation phase, there is generation of Hazardous waste of Landfill waste, Incinerable (Co-processing), Recyclable waste and Reusable waste under Rule 9 permission from the member industries. Management and disposal of the same will be done as per Hazardous and Other Wastes (Management and Transboundary Movement) Rules 2016 by the member industries. Used oil will be expected to generate around 0.015 MT/Annum, the same will be Collect, store and will disposal by selling to authorize recycler.
PPs Submission: Agreed to Comply All the Hazardous waste generated will be managed and disposed as per Hazardous and Other Wastes (Management and Transboundary Movement) Rules 2016.		Date: 29/05/2025
17	WASTE MANAGEMENT	CETP: 25 MLD of effluent generated from the manufacturing area will be collected and pumped to CETP, Dahej at distance of 25 Km from proposed site for further treatment and ultimate disposal to sea. STP: DSL will provide Sewage Treatment Plant (STP) to treat the sewage generated from ADM building, Canteen and other common facilities. Treated water will be reused for gardening purpose. Member industries will provide individual STP/Soak pit to treat the sewage and treated sewage will be reuse in own premises.
PPs Submission: Agreed to Comply 25 MLD of effluent generated from Member industries of IP and SEZ will be collected and pumped to GIDC-CETP at Dahej for further treatment and disposal. DSL will provide Sewage Treatment Plant (STP) to treat the sewage generated from ADM building, Canteen and other common facilities. Treated sewage will be reused for gardening purpose. Member industries IP and SEZ will provide individual STP/Soak pit to treat the sewage and treated sewage will be reuse in their own premises.		Date: 29/05/2025
18	WATER QUALITY MONITORING AND PRESERVATION	Details of Rain Water Harvesting: The roof top rain water 283 m3/year will be harvested by DSL Building as well as member industries in their respective premises and the same will be used for in house requirement, greenbelt/gardening purpose.
PPs Submission: Agreed to Comply Agreed to Comply.		Date: 29/05/2025
19	MISCELLANEOUS	Land acquisition and R and R issues: Govt. of Gujarat undertaking has acquired land (Approx. 678.00 Hect.) for above said project of Dahej SEZ Limited and balance Govt. land (Approx. 37 Hect.) is under acquisition by competent authority.

PPs Submission: Complied Noted.		Date: 29/05/2025
20	MISCELLANEOUS	Rand R issues: No R and R issues involved in the proposed project area.
PPs Submission: Complied Noted.		Date: 29/05/2025
21	MISCELLANEOUS	Employment potential: During the construction phase around 700-1000 nos. of people will be required and preference will be given to local villagers based on their skills. Manpower will be required for Civil Construction, Mechanical erection, Electrification, Piping Works and Associated Amenities. During the operation phase, individual member industries will generate employment for skilled and unskilled workers. In the absence of details on member industries, it is difficult to assess the employment generation. However, DSL envisages employment opportunities for 5000-7000 persons for various industries proposed IP and SEZ. Moreover, the proposed IP and SEZ will enable at least 2500 persons to have some means of employment indirectly to support the activities of the member industries.
PPs Submission: Agreed to Comply Agreed to Comply.		Date: 29/05/2025
22	MISCELLANEOUS	Benefits of the project: There are financial benefits like Revenue generation in central and government, Import and Export of finished Products, etc. and social benefits like Employment Generation in surrounding areas etc. will be done due to proposed project.
PPs Submission: Complied Noted.		Date: 29/05/2025
23	MISCELLANEOUS	Details of Court Cases: No court cases are pending against the project.
PPs Submission: Complied Noted.		Date: 29/05/2025
24	MISCELLANEOUS	The EAC, based on the information submitted and clarification provided by the project proponent and detailed discussions held on all the issues in its 341st meeting on 05th October, 2023, recommended the project for grant of environmental clearance with stipulated specific conditions along with other Standard EC conditions.
PPs Submission: Complied Noted.		Date: 29/05/2025
25	Statutory compliance	The Ministry of Environment, Forest and Climate Change has considered the proposal based on the recommendations of the Expert Appraisal Committee (Infrastructure, CRZ and other miscellaneous projects) and hereby decided to grant Environmental Clearance for the Development of Industrial Park and Multi-product SEZ in area of 715 ha at Pakhajan, Ambhel and Limdi village, Taluka Vagra, District Bharuch, Gujarat by M/s Dahej SEZ Limited under the EIA Notification, 2006 as amended, subject to strict compliance of the

		following specific conditions, in addition to all standard conditions applicable for such projects.
PPs Submission: Complied Noted.		Date: 29/05/2025
26	MISCELLANEOUS	This issues with the approval of the Competent Authority.
PPs Submission: Complied Noted.		Date: 29/05/2025
27	MISCELLANEOUS	This is in reference to your application submitted to MoEF-CC vide proposal number IA/GJ/INFRA1/444518/2023 dated 23/10/2023 for grant of prior Environmental Clearance (EC) to the proposed project under the provision of the EIA Notification 2006 and as amended thereof. The particulars of the proposal are as below : EC Identification No. : EC23A3101GJ5267524N File No.: 10/17/2022-IA.III Clearance Type: Fresh EC Category: A Project/Activity Included Schedule No.: 7(c) Industrial estates/ parks/ complexes/ areas, Sector: export processing Zones (EPZs), Special Economic Zones Name of Project: INFRA-1 Name of Company/Organization: Development of Industrial Park (IP) and Multi Product SEZ by M/s. Dahej SEZ Limited Location of Project (District, State): DAHEJ SEZ LIMITED, BHARUCH, GUJARAT Issuing Authority: MoEF-CC Applicability of General Conditions as per: No
PPs Submission: Complied Noted. Copy of Environmental Clearance is attached herewith.		Date: 29/05/2025

M/S. DAHEJ SEZ LIMITED

SIX MONTHLY COMPLIANCE REPORT OF ENVIRONMENTAL CLEARANCE

Dahej SEZ Ltd.

(PERIOD: OCTOBER 2024 TO MARCH 2025)

	at Rahiyad. Concurrence letter for water supply is obtained vide letter no: GIDC/ENG/PH/163 on dated 16th February 2022 from GIDC Gandhinagar. No Ground water will be used.	provided by GIDC as per GIDC letter dated: 16.02.2022.
13.	Tree cutting: The proposed location has scarce trees distribution for the size of parcel and no distinct vegetation as well. As per the survey drawing of the land, only 69 trees (i.e. 1 tree in an average of 10 HA. of land) are present on the available land and hence this project can be taken up without destroying the existing trees as well as vegetation	Agreed to Comply.
14.	Green belt Development: M/s Dahej SEZ Limited is agreed to develop 20-meter width greenbelt as buffer area in periphery of IP & SEZ towards the South side where irrigation canal is exists. M/s Dahej SEZ Limited also agreed to develop total 33% area as greenbelt area i.e. 236 Ha. of total area (715 Hectare) of IP & SEZ by either DSL or Member industries. PP will develop total 13.21% area as greenbelt area i.e. 94.48 Hectare and remaining 20 % greenbelt area i.e. 142 Hectare will be developed by member industries of IP & SEZ. Hence, DSL will develop total 33% greenbelt area in totality. Accordingly revised layout is also submitted by the PP.	Agreed to Comply. Green belt will be developed by DSL and member industries as per the condition of EC. At present there is no any allocation to the Industries in IP and SEZ.
15.	Diversion of forest land: The proposed project does not involved any Forest land is involved in proposed project	Noted. DSL project does not involved any Forest land.
16.	The proposed project is not located within 10 km of Protected Areas (PA), National Parks, Sanctuaries and Tiger Reserves etc and there are no Eco-Sensitive Zone (ESZ) or Eco-Sensitive Area (ESA) in 10 km radius area.	Noted. DSL is not located within 10 km of Protected Areas (PA), National Parks, Sanctuaries and Tiger Reserves etc and there are no Eco-Sensitive Zone (ESZ) or Eco-Sensitive Area (ESA) in 10 km radius area.
17.	Waste Management: During the operation phase, there is generation of Hazardous waste of Landfill waste, Incinerable (Co-processing), Recyclable waste and Reusable waste under Rule 9 permission from the member industries. Management and disposal of the same will be done as per Hazardous and Other Wastes (Management and Transboundary Movement) Rules 2016 by the member industries. Used oil will be expected to generate around 0.015MT/Annum, the same will be Collect, store and will disposal by selling to authorize recycler.	Agreed to Comply. All the Hazardous waste generated will be managed and disposed as per Hazardous and Other Wastes (Management and Transboundary Movement) Rules 2016.
18.	CETP: 25 MLD of effluent generated from the manufacturing area will be collected and pumped to CETP, Dahej at distance of 25 Km from proposed site for further treatment and ultimate disposal to sea. STP: DSL will provide Sewage Treatment Plant (STP) to treat the sewage generated from ADM building, Canteen and other common facilities. Treated water will be reused for gardening purpose. Member industries will provide individual STP/Soak pit to treat the sewage and treated sewage will be reuse in own premises.	Agreed to Comply. 25 MLD of effluent generated from Member industries of IP & SEZ will be collected and pumped to GIDC-CETP at Dahej for further treatment and disposal. DSL will provide Sewage Treatment Plant (STP) to treat the sewage generated from ADM building,

		Canteen and other common facilities. Treated sewage will be reused for gardening purpose. Member industries IP & SEZ will provide individual STP/Soak pit to treat the sewage and treated sewage will be reuse in their own premises.
19.	Details of Rain Water Harvesting: The roof top rain water 283 m ³ /year will be harvested by DSL Building as well as member industries in their respective premises and the same will be used for in house requirement, greenbelt/gardening purpose.	Agreed to Comply.
20.	Land acquisition and R&R issues: Govt. of Gujarat undertaking has acquired land (Approx. 678.00 Hect.) for above said project of Dahej SEZ Limited and balance Govt. land (Approx. 37 Hect.) is under acquisition by competent authority.	Noted.
21.	R&R issues: No R&R issues involved in the proposed project area.	Noted.
22.	Employment potential: During the construction phase around 700-1000 nos. of people will be required and preference will be given to local villagers based on their skills. Manpower will be required for Civil Construction, Mechanical erection, Electrification, Piping Works and Associated Amenities. During the operation phase, individual member industries will generate employment for skilled and unskilled workers. In the absence of details on member industries, it is difficult to assess the employment generation. However, DSL envisages employment opportunities for 5000-7000 persons for various industries proposed IP and SEZ. Moreover, the proposed IP & SEZ will enable at least 2500 persons to have some means of employment indirectly to support the activities of the member industries.	Agreed to Comply.
23.	Benefits of the project: There are financial benefits like Revenue generation in central and government, Import and Export of finished Products, etc. and social benefits like Employment Generation in surrounding areas etc. will be done due to proposed project.	Noted.
24.	Details of Court Cases: No court cases are pending against the project.	Noted.
25.	The EAC, based on the information submitted and clarification provided by the project proponent and detailed discussions held on all the issues in its 341st meeting on 05th October, 2023, recommended the project for grant of environmental clearance with stipulated specific conditions along with other Standard EC conditions	Noted.
26.	The Ministry of Environment, Forest and Climate Change has considered the proposal based on the recommendations of the Expert Appraisal Committee (Infrastructure, CRZ and other miscellaneous projects) and hereby decided to grant Environmental Clearance for the 'Development of Industrial Park and Multi-product SEZ in area of 715 ha at Pakhajan, Ambhel and Limdi village, Taluka Vagra, District Bharuch, Gujarat by M/s Dahej SEZ Limited' under the EIA Notification, 2006 as amended, subject to strict compliance of the following specific conditions, in addition to all standard conditions applicable for such projects.	Noted.

Dahej SEZ Ltd.

M/S. DAHEJ SEZ LIMITED

SIX MONTHLY COMPLIANCE REPORT OF ENVIRONMENTAL CLEARANCE

(PERIOD: OCTOBER 2024 TO MARCH 2025)

27.	This issues with the approval of the Competent Authority.	Noted.
Specific EC Conditions for (Industrial Estates/ Parks/ Complexes/ Areas, Export Processing Zones (Eps), Special Economic Zones):		
i.	Petroleum refinery industries (Sec 4(a)) and Petro-chemical complexes (industries based on processing of petroleum fractions & natural gas and/or reforming to aromatics) (Sec 5(c)) will not be permissible as agreed by PP.	Agreed to Comply. DSL will allocate plot to member industries based on the category approved in EC.
ii.	For all the individual units/infrastructure requirements, environmental clearances, as Applicable, shall be obtained from the respective regulatory authorities.	Agreed to Comply. DSL will intimate member industries of IP and SEZ to obtain environmental clearances, as Applicable, from the respective regulatory authorities.
iii.	25 meters Buffer of green belt shall be provided each side of the channels and 20m buffer all along the boundary of Industrial Park.	Agree to Comply.
iv.	The project proponent shall install system carryout to Ambient Air Quality monitoring for Common / criterion parameters relevant to the main pollutants released (e.g. PM10 and PM2.5 in reference to PM emission, and SO2 and NOx in reference to SO2 and NOx emissions) within and outside the port area at least at four locations (one within and three outside the port area at an angle of 120°each), covering upwind and downwind directions.	Agreed to Comply. DSL will construct Ambient air monitoring station as per the given condition. Ambient Air Quality level was found well within the National Ambient Air Quality Standards (NAAQS). Monitoring report of Ambient Air Quality is attached herewith as Annexure: 6.
v.	Appropriate Air Pollution Control (APC) system shall be provided for all the dust Generating points including fugitive dust from all vulnerable sources, so as to comply prescribed fugitive emission standards.	Agree to Comply. All measures will be taken to reduce fugitive emission.
vi.	The project proponent shall submit monthly summary report of continuous stack emission and air quality monitoring and results of manual stack monitoring and manual monitoring of air quality /fugitive emissions to Regional Office of MoEF&CC, Zonal office of CPCB and Regional Office of SPCB along with six-monthly monitoring report.	Agree to Comply. At present there is no any allocation to the Industries in IP and SEZ. DSL is submitting six monthly compliance report as statutory requirement. Screen shot previous compliance submission is attached as Annexure: 5.
vii.	The project proponent shall regularly monitor ground water quality at least twice a year (pre- and post-monsoon) at sufficient numbers of piezometers/sampling wells in the plant and adjacent areas through labs recognized under Environment (Protection) Act, 1986 and NABL accredited laboratories.	Agree to Comply. At present there is no any allocation to the Industries in IP and SEZ.
viii.	The quantity of fresh water usage, water recycling and rainwater harvesting shall be measured/recorded to ensure the water balance as	Agree to Comply.

Dahej SEZ Ltd.

M/S. DAHEJ SEZ LIMITED

SIX MONTHLY COMPLIANCE REPORT OF ENVIRONMENTAL CLEARANCE

(PERIOD: OCTOBER 2024 TO MARCH 2025)

	projected by the project proponent. The record shall be submitted to the Regional Office, MoEF&CC along with six Monthly Monitoring reports.	Individual industries and DSL both will maintain record of fresh water usage, water recycling and rainwater harvesting which will be submitted to the Regional Office, MoEF&CC along with six Monthly Monitoring reports.
ix.	All the recommendation of the EMP shall be complied with in letter and spirit and be submitted to the Regional Office, MoEF&CC along with six Monthly Monitoring reports.	Agree to Comply. Six monthly compliances is being submitted to the Regional Office, MoEF&CC and DSL has uploaded six monthly compliances on the Parivesh portal regularly. Screen shot previous compliance submission is attached as Annexure: 5.
x.	The member units shall provide storage tanks for storage of effluent for monitoring the Characteristics of effluent before taking into the CETP for further treatment.	Agree to Condition. Member Industries will comply the norms of statutory authority issue time to time for storage of effluent for monitoring the Characteristics of effluent before taking into the CETP for further treatment.
xi.	Proper meters with recording facilities shall be provided to monitor the effluent quality and quantity sent from member industries to CETP and from CETP to re-use on a continuous basis.	Agree to Condition. Member Industries will provide meters with recording facilities to monitor the effluent quality and quantity sent by them to Dahej CETP owned by Gujarat Industrial Development Corporation (GIDC).
xii.	Ambient noise levels shall conform to the prescribed standards both during day and night. Incremental pollution loads on the ambient air and noise quality should be closely monitored during development/ construction phase. Adequate measures shall be made to reduce ambient air and noise level during construction phase, so as to conform to the stipulated standards by CPCB/SPCB.	Agree to Comply. Ambient noise levels are well within standards by CPCB/GPCB. Monitoring report of Ambient noise is attached herewith as Annexure: 7.
xiii.	Fly ash should be used as building material in the construction as per the provisions of Fly Ash Notification of September, 1999 and amended as on 27th August, 2003 and 25th January, 2016.	Agree to Comply.

Dahej SEZ Ltd.

M/S. DAHEJ SEZ LIMITED

SIX MONTHLY COMPLIANCE REPORT OF ENVIRONMENTAL CLEARANCE

(PERIOD: OCTOBER 2024 TO MARCH 2025)

xiv.	Construction spoils, including bituminous material and other hazardous materials, must not be allowed to contaminate watercourses and the dump sites for such material must be secured so that they should not leach into the ground water.	Agree to condition. Efforts will be made to prevent contamination of watercourses and the dump sites for such material must be secured so that they should not leach into the ground water.
xv.	Soil and ground water samples will be tested to ascertain that there is no threat to ground water quality by leaching of heavy metals and other toxic contaminants.	Agree to Comply. At present there is no any allocation to the Industries in IP and SEZ.
xvi.	Parking space to accommodate trucks, cars, two wheelers and bicycles shall be provided as per the norms.	Agree to condition. Adequate parking space will be provided.
xvii.	Any hazardous waste generated during development! Construction phase, should be disposed off as per applicable rules and norms with necessary approvals of the State Pollution Control Board.	Agree to condition.
xviii.	As per the Ministry's Office Memorandum F. No. 22-65/2017-IA.III dated 30th September, 2020, the project proponent shall abide by all the commitments made by them to address the concerns raised during the public consultation. The project proponent shall initiate the activities proposed by them, based on the commitment made in the public hearing, and incorporate in the Environmental Management Plan and submit to the Ministry. All other activities including pollution control, environmental protection and conservation, R&R, wildlife and forest conservation/protection measures including the NPV, Compensatory Aforestation etc, either proposed by the project proponent based on the social impact assessment and R&R action plan carried out during the preparation of EIA report or prescribed by EAC, shall also be implemented and become part of EMP.	Agree to Comply.
xix.	As advised by the Senior Air Traffic Control Officer of the Bidar Airforce Station vide its letter No. BDR/1753/1/ATS dated 16th March 2018, each industrial unit will need to take NOC from Bidar Airforce Station and as such be made aware officially by the project proponent.	Agree to condition. Air Force NOC will be taken if Applicable.
1. Statutory Compliance		
1.1	The project proponent shall prepare a Site-Specific Conservation Plan & Wildlife Management Plan and approved by the Chief Wildlife Warden. The recommendations of the approved Site Specific Conservation Plan / Wildlife Management Plan shall be implemented in consultation with the State Forest Department. The implementation report shall be furnished along with the six-monthly compliance report (in case of the presence of schedule-I species in the study area).	Agree to comply. Site-Specific Conservation Plan & Wildlife Management Plan is approved by the Chief Wildlife Warden. Which will be implemented by IP and SEZ.
1.2	The project proponent shall obtain the necessary permission from the Central Ground Water Authority, in case of drawl of ground water / from the competent authority concerned in case of drawl of surface water required for the project.	Agree to condition.

Dahej SEZ Ltd.

M/S. DAHEJ SEZ LIMITED

SIX MONTHLY COMPLIANCE REPORT OF ENVIRONMENTAL CLEARANCE

(PERIOD: OCTOBER 2024 TO MARCH 2025)

1.3	All excavation related dewatering shall be as duly authorized by the CGWA. A NOC from the CGWA shall be obtained for all dewatering and ground water abstraction	Agree to condition.
1.4	A certificate of adequacy of available power from the agency supplying power to the project along with the load allowed for the project should be obtained.	Agree to condition.
1.5	All other statutory clearances such as the approvals for storage of diesel from Chief Controller of Explosives, Fire Department, Coast Guard, Civil Aviation Department shall be obtained, as applicable by project proponents from the respective competent authorities.	Agree to condition.
2. Air Quality Monitoring And Preservation		
2.1	The project proponent shall install system to carryout Ambient Air Quality monitoring for Common/criterion parameters relevant to the main pollutants released (e.g. PM10 and PM2.5 in reference to PM emission, and SO2 and NOx in reference to SO2 and NOx emissions) within and outside the project area at least at four locations (one within and three outside the project area at an angle of 120°each), covering upwind and downwind directions.	Complied. At present there is no any allocation to the Industries in IP and SEZ. Monitoring report of Ambient Air is attached herewith as Annexure: 6.
2.2	Appropriate Air Pollution Control (APC) system shall be provided for all the dust generating points including fugitive dust from all vulnerable sources, so as to comply prescribed emission standards.	Agree to Comply. All measures will be taken to reduce fugitive emission.
2.3	Dust collectors shall be deployed in all areas where surface cleaning and painting operations are to be carried out, supplemented by stacks for effective dispersion.	Agreed to Comply. Dust Collector will be provided at the required area.
2.4	Diesel power generating sets proposed as source of backup power should be of enclosed type and conform to rules made under the Environment (Protection) Act, 1986. The height of stack of DG sets should be equal to the height needed for the combined capacity of all proposed DG sets. Use of low sulphur diesel. The location of the DG sets may be decided with in consultation with State Pollution Control Board.	Agreed to Comply. Only enclosed type DG set will be provided with adequate stack height with consultation SPCB.
2.5	A detailed traffic management and traffic decongestion plan shall be drawn up to ensure that the current level of service of the roads within a 05 kms radius of the project is maintained and improved upon after the implementation of the project. This plan should be based on cumulative impact of all development and increased habitation being carried out or proposed to be carried out by the project or other agencies in this 05 Kms radius of the site in different scenarios of space and time and the traffic management plan shall be duly validated and certified by the State Urban Development department and the P.W.D./competent authority for road augmentation and shall also have their consent to the implementation of components of the plan which involve the participation of these departments.	Agreed to Condition. Traffic management and traffic decongestion plan will be prepared and will be implemented.
3. Water Quality Monitoring And Preservation		
3.1	Total fresh water use shall not exceed the proposed requirement as provided in the project details. Prior permission from competent authority shall be obtained for use of fresh water.	Agreed to Condition.
3.2	Sewage Treatment Plant shall be provided to treat the wastewater generated from the project. Treated water shall be reused for	Agreed to Condition. DSL will provide Sewage Treatment Plant (STP) to

Dahej SEZ Ltd.

M/S. DAHEJ SEZ LIMITED

SIX MONTHLY COMPLIANCE REPORT OF ENVIRONMENTAL CLEARANCE

(PERIOD: OCTOBER 2024 TO MARCH 2025)

	horticulture, flushing, backwash, HVAC purposes and dust suppression.	treat the sewage generated from ADM building, Canteen and other common facilities. Treated sewage will be reused for gardening purpose. Member industries IP & SEZ will provide individual STP/Soak pit to treat the sewage and treated sewage will be reuse in their own premises.
3.3	A certificate from the competent authority for discharging treated effluent/ untreated effluents into the Public sewer/ disposal/drainage systems along with the final disposal point should be obtained.	Agreed to Condition. Member industries of IP and SEZ should obtain certificate from the competent authority for discharging treated effluent/ untreated effluents into the Public sewer/ disposal/drainage systems along with the final disposal point.
3.4	No diversion of the natural course of the river shall be made without prior permission from the Ministry of Water resources.	Agreed to Condition.
4. Noise Monitoring And Prevention		
4.1	Noise level survey shall be carried as per the prescribed guidelines and report in this regard shall be submitted to Regional Officer of the Ministry as a part of six-monthly compliance report.	Agree to Comply. Monitoring report of Ambient noise level is attached herewith as Annexure: 7. DSL is submitting six monthly compliance report as statutory requirement. Screen shot previous compliance submission is attached as Annexure: 5.
4.2	Noise from vehicles, power machinery and equipment on-site should not exceed the prescribed limit. Equipment should be regularly serviced. Attention should also be given to muffler maintenance and enclosure of noisy equipment's.	Agreed to Condition.
4.3	Acoustic enclosures for DG sets, noise barriers for ground-run bays, ear plugs for operating personnel shall be implemented as mitigation measures for noise impact due to ground sources.	Agreed to Comply. Acoustic enclosure will be provided to the DG sets to mitigate the noise pollution and also provide adequate PPEs.
4.4	The ambient noise levels should conform to the standards prescribed under E(P)A Rules, 1986 viz. 75 dB(A) during day time and 70 dB(A) during night time.	Agree to Comply. NABL accredited laboratory will be

Dahej SEZ Ltd.

M/S. DAHEJ SEZ LIMITED

SIX MONTHLY COMPLIANCE REPORT OF ENVIRONMENTAL CLEARANCE

(PERIOD: OCTOBER 2024 TO MARCH 2025)

		appointed for regular monitoring work.
5. Energy Conservation Measures		
5.1	Provide solar power generation on roof tops of buildings, for solar light system for all common areas, street lights, parking around project area and maintain the same regularly;	Agreed to Condition.
5.2	Provide LED lights in their offices and project areas.	Agreed to Comply.
6. Waste Management		
6.1	Necessary arrangements for the treatment of the effluents and solid wastes must be made and it must be ensured that they conform to the standards laid down by the competent authorities including the Central or State Pollution Control Board and under the Environment (Protection) Act, 1986.	Agreed to Condition.
6.2	The solid wastes shall be managed and disposed as per the norms of the Solid Waste Management Rules, 2016.	Agreed to Condition. Solid wastes will be managed and disposed as per the norms of the Solid Waste Management Rules, 2016.
6.3	Any wastes from construction and demolition activities related thereto shall be managed so as to strictly conform to the Construction and Demolition Waste Management Rules, 2016.	Agreed to Condition. Any wastes from construction and demolition activities related thereto will be managed so as to strictly conform to the Construction and Demolition Waste Management Rules, 2016.
6.4	A certificate from the competent authority handling municipal solid wastes should be obtained, indicating the existing civic capacities of handling and their adequacy to cater to the M.S.W. generated from project.	Agreed to Condition. Member industries of IP and SEZ should obtain certificate from the competent authority for management of municipal solid wastes.
6.5	Used CFLs and TFLs should be properly collected and disposed off/sent for recycling as per the prevailing guidelines/ rules of the regulatory authority to avoid mercury contamination.	Agreed to Condition.
7. Green Belt		
7.1	An overall green area of at-least 33% of the Industrial Area should be developed with native species. The green area shall be 40% in case of critically polluted area. The project proponent of the Industrial Area shall comply with the additional commitment made by them in the EIA report regarding the development of green belt.	Agreed to Comply Total 33% of green belt will be developed.
7.2	The Industrial Areas are directed to accordingly allocate the area, to be developed as green cover, to respective individual industrial units so as to achieve the above mentioned condition.	Agreed to Condition. Industrial Area will be allocated in such way that total of 33% green belt area will be achieved in IP and SEZ Area.

		At present there is no any allocation to the Industries in IP and SEZ.
7.3	The individual industrial unit, at the time of obtaining EC, shall bring a letter from the Industrial Area, specifying the area allocated to them to be developed as green cover, as a part of obligation from the Industrial Area.	Agreed to Condition. It will be responsibility of individual industries to develop their part of green belt within premises as mentioned in EC condition.
7.4	Wherever possible, plantations around the periphery of the Industrial Area, in the downwind direction and along the road sides shall be provided for containment of pollution and for formation of a screen between the industrial area and the outer civil area. The choice of plants should include shrubs of height 1 to 1.5 m and tree of 3 to 5 m height. The intermixing of trees and shrubs should be such that the foliage area density in vertical is almost uniform.	Agreed to Comply.
7.5	The parameters like selection of plant species, procedure for plantation, density of tree plantation etc shall be as per the CPCB guidelines.	Agreed to Condition.
8. Public Hearing And Human Health Issues		
8.1	Workers shall be strictly enforced to wear personal protective equipments like dust mask, ear muffs or ear plugs, whenever and wherever necessary/ required. Special visco-elastic gloves will be used by labour exposed to hazards from vibration.	Agreed to Condition.
8.2	Safety training shall be given to all workers specific to their work area and every worker and employee will be engaged in fire hazard awareness training and mock drills which will be conducted regularly. All standard safety and occupational hazard measures shall be implemented and monitored by the concerned officials to prevent the occurrence of untoward incidents/ accidents.	Agreed to Condition. Safety training will be given by DSL or Individual Industries to their employees/workers.
8.3	Emergency preparedness plan based on the Hazard identification and Risk Assessment (HIRA) and Disaster Management Plan shall be implemented.	Agreed to Condition.
8.4	Provision shall be made for the housing of construction labour within the site with all necessary infrastructure and facilities such as fuel for cooking, mobile toilets, mobile STP, safe drinking water, medical health care, crèche etc. The housing may be in the form of temporary structures to be removed after the completion of the project.	Agreed to condition.
8.5	Occupational health surveillance of the workers shall be done on a regular basis.	Agreed to condition. Regular Health Checkup will be carried out.
9. Environment Responsibility		
9.1	The company shall have a well laid down environmental policy duly approved by the Board of Directors. The environmental policy should prescribe for standard operating procedures to have proper checks and balances and to bring into focus any infringements/deviation/violation of the environmental / forest /wildlife norms/ conditions. The company shall have defined system of reporting infringements / deviation / violation of the environmental / forest / wildlife norms / conditions and / or shareholders / stake holders. The copy of the board resolution in this	Agreed to comply.

Dahej SEZ Ltd.

M/S. DAHEJ SEZ LIMITED

SIX MONTHLY COMPLIANCE REPORT OF ENVIRONMENTAL CLEARANCE

(PERIOD: OCTOBER 2024 TO MARCH 2025)

	regard shall be submitted to the MoEF&CC as a part of six-monthly report.	
9.2	A separate Environmental Cell both at the project and company head quarter level, with qualified personnel shall be set up under the control of senior Executive, who will directly report to the head of the organization.	Agree to comply. Environmental Cell diagram is attached as Annexure: 9.
9.3	Action plan for implementing EMP and environmental conditions along with responsibility matrix of the company shall be prepared and shall be duly approved by competent authority. The year wise funds earmarked for environmental protection measures shall be kept in separate account and not to be diverted for any other purpose. Year wise progress of implementation of action plan shall be reported to the Ministry/Regional Office along with the Six Monthly Compliance Report.	Agree to comply. DSL will engage staff or agency for Environment Cell to comply the condition.
9.4	Self-environmental audit shall be conducted annually. Every three years third party environmental audit shall be carried out.	Agree to comply. At present there is no any allocation to the Industries in IP and SEZ.
10. Miscellaneous		
10.1	The project proponent shall make public the environmental clearance granted for their project along with the environmental conditions and safeguards at their cost by prominently advertising it at least in two local newspapers of the District or State, of which one shall be in the vernacular language within seven days and in addition this shall also be displayed in the project proponent's website permanently.	Complied Advertisement in English Newspaper is given in Times of India Dated: 23 rd November, 2023. Copy of Advertisement is Attached as Annexure: 3.
10.2	The copies of the environmental clearance shall be submitted by the project proponents to the Heads of local bodies, Panchayats and Municipal Bodies in addition to the relevant offices of the Government who in turn has to display the same for 30 days from the date of receipt.	Complied. Copies of Environmental Clearance is already submitted to the Heads of local bodies, Panchayats and Municipal Bodies in addition to the relevant offices of the Government and Acknowledgment copy of submission is attached as Annexure: 4
10.3	The project proponent shall upload the status of compliance of the stipulated environment clearance conditions, including results of monitored data on their website and update the same on half-yearly basis.	Being Complied. DSL has uploaded six monthly compliances on the website regularly. Screen shot of DSL website to upload the previous compliance is attached as Annexure: 8
10.4	The project proponent shall submit six-monthly reports on the status of the compliance of the stipulated environmental conditions on the website of the ministry of Environment, Forest and Climate Change at environment clearance portal.	Agreed to Comply. DSL has uploaded six monthly compliances on Parivesh 2.0 / submitted to concern authorities. Screen

		shot previous compliance submission is attached as Annexure: 5
10.5	The project proponent shall submit the environmental statement for each financial year in Form-V to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently and put on the website of the company.	Agreed to Comply DSL will submit environmental statement for each financial year in Form-V to the concerned Authority under prescribed Environment (Protection) Rules, 1986, as amended subsequently and put on the website of the DSL.
10.6	The criteria pollutant levels namely; PM2.5, PM10, SO2, NOx (ambient levels) or critical sectoral parameters, indicated for the project shall be monitored and displayed at a convenient location near the main gate of the company in the public domain.	Agreed to Condition.
10.7	The project proponent shall inform the Regional Office as well as the Ministry, the date of financial closure and final approval of the project by the concerned authorities, commencing the land development work and start of production operation by the project.	Agreed to Condition.
10.8	The project authorities must strictly adhere to the stipulations made by the State Pollution Control Board and the State Government.	Agreed to Condition.
10.9	The project proponent shall abide by all the commitments and recommendations made in the EIA/EMP report, commitment made during Public Hearing and also that during their presentation to the Expert Appraisal Committee.	Agreed to Comply DSL will comply all the commitments and recommendations made in the EIA/EMP report, commitment made during Public Hearing and also that during their presentation to the Expert Appraisal Committee.
10.10	No further expansion or modifications in the Industrial Area shall be carried out without prior approval of the Ministry of Environment, Forests and Climate Change (MoEF&CC).	Noted
10.11	Concealing factual data or submission of false/fabricated data may result in revocation of this environmental clearance and attract action under the provisions of Environment (Protection) Act, 1986.	Noted
10.12	The Ministry may revoke or suspend the clearance, if implementation of any of the above conditions is not satisfactory.	Noted
10.13	The Ministry reserves the right to stipulate additional conditions if found necessary. The Company in a time bound manner shall implement these conditions.	Noted & agreed to comply.
10.14	The Regional Office of this Ministry shall monitor compliance of the stipulated conditions. The project authorities should extend full cooperation to the officer (s) of the Regional Office by furnishing the requisite data / information/monitoring reports.	Noted & agreed
10.15	The above conditions shall be enforced, inter-alia under the provisions of the Water (Prevention & Control of Pollution) Act,	Noted

	1974, the Air (Prevention & Control of Pollution) Act, 1981, the Environment (Protection) Act, 1986, Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 and the Public Liability Insurance Act, 1991 along with their amendments and Rules and any other orders passed by the Hon'ble Supreme Court of India / High Courts and any other Court of Law relating to the subject matter.	
10.16	Any appeal against this EC shall lie with the National Green Tribunal, if preferred, within a period of 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010	Noted
11. Specific Conditions		
11.1	The green belt of 5-10 m width shall be developed in more than 33% of the total project area, mainly along the plant periphery, in downward wind direction, and along road sides etc. Selection of plant species shall be as per the CPCB guidelines in consultation with the State Forest Department.	Agreed to Comply Total 33% of Green Belt will be developed having 5-10 m width mainly along the plant periphery, in downward wind direction, and along road sides etc. Selection of plant species shall be as per the CPCB guidelines in consultation with the State Forest Department.

SUMMARY

M/s. Dahej SEZ Limited (DSL) has planned for development of Industrial Park (IP) and Multi Product SEZ at villages: Pakhajan, Ambhel & Limdi, Taluka: Vagra of Bharuch district in Gujarat, India.

M/s. Dahej SEZ Ltd. has obtained EC from MoEF&CC vide Identification no. EC23A3101GJ5267524N dated 14th November 2023.

SEZ and Industrial Park (IP) is under initial stage of development. Hence, Allocation of plot in SEZ and Industrial Park (IP) is not started yet.

The main objectives of Special Economic Zone (SEZ) scheme are: Attracting foreign direct investment (FDI), earning foreign exchange, boosting the export especially the nontraditional exports, creating employment opportunities, introducing new technology, developing backward regions, stimulating growth in sectors like: electronics, information technology, R&D, infrastructure and human resources development that are regarded important to the economy and creating backward and forward linkages to increase the output and raise the standard of local enterprise that supply goods and services to the zone and thereby generating additional economic activity.

M/S. DAHEJ SEZ LIMITED
SIX MONTHLY COMPLIANCE REPORT OF ENVIRONMENTAL CLEARANCE
(PERIOD: OCTOBER 2024 TO MARCH 2025)

ANNEXURES

Annexure-1: Copy of Environmental Clearance and Copy of EC to CTE

• **Copy of Environmental Clearance**

 <p>सत्यमेव जयते</p>	<p>File No: 10/17/2022-IA.III Government of India Ministry of Environment, Forest and Climate Change IA Division ***</p>	
Date 14/11/2023		
To,	Piyush K Mankad DAHEJ SEZ LIMITED Block No.:14,3rd Floor, Udyog Bhavan, Sector-11, Gandhinagar, Gujarat. , GANDHINAGAR, GUJARAT. , 382017 info@dahejsez.com	
Subject:	Grant of prior Environmental Clearance (EC) to the proposed project under the provision of the EIA Notification 2006 -regarding.	
Sir/Madam,	This is in reference to your application submitted to MoEF&CC vide proposal number IA/GJ/INFRA1/444518/2023 dated 23/10/2023 for grant of prior Environmental Clearance (EC) to the proposed project under the provision of the EIA Notification 2006 and as amended thereof.	
	2. The particulars of the proposal are as below :	
	(i) EC Identification No.	EC23A3101GJ5267524N
	(ii) File No.	10/17/2022-IA.III
	(iii) Clearance Type	Fresh EC
	(iv) Category	A
	(v) Project/Activity Included Schedule No.	7(c) Industrial estates/ parks/ complexes/ areas, export processing Zones (EPZs), Special Economic Zones
	(vi) Sector	INFRA-1
	(vii) Name of Project	Development of Industrial Park (IP) and Multi Product SEZ by M/s. Dahej SEZ Limited.
	(viii) Name of Company/Organization	DAHEJ SEZ LIMITED
	(ix) Location of Project (District, State)	BHARUCH, GUJARAT
	(x) Issuing Authority	MoEF&CC
	(xi) Applicability of General Conditions as per EIA Notification, 2006	No
2.	The proposal is for 'develop industrial park and Multi Product SEZ in an area of 715.00 Hectares at Villages:	

Pakhajan, Ambhel and Limdi, Taluka: Vagra in Bharuch District, Gujarat by Dahej SEZ Limited (DSL)'.
 3. The proposed project falls under 7 (c) Industrial Park, Cat - A as per EIA notification 2006, and its subsequent amendments. Total Project Cost is Rs. 1,567 Cr.

4. Details of Terms of References (ToR): The ToR proposal was considered 294th EAC meeting on 05th May, 2022 and the Terms of Reference (ToR) was granted by EAC vide letter no. F.No.10/17/2022-IA.III dated 05th May, 2022.

5. Public Hearing: Public Hearing was conducted by Gujarat Pollution Control Board, in district Bharuch on 26.07.2023. The details of the public hearing is as following:

6. Land use/ Land cover of the project site:

S.No	Date	Village/Venue	District and State	Chaired by
1	26.07.2023	villages : Pakhajan, Ambhel & timdi, Ta: vagra,	Dist. Bharuch, Gujarat.	Resident Additional Collector and Additional District Magistrate, Bharuch

6. Land use/ Land cover of the project site:

S. No.	Land use/Land cover	Area(ha)	Percentage (%)	Remarks, if any
	Grass Land		24.30	
	Scrub Land		4.77	
	Trees/Orchard		10.35	
	Crop Land		32.18	
	Fallow Land		24.07	
	Settlement		0.31	
	Muddy/Barren Land		3.80	
	Water body		0.22	
Total		715	100	-

7. List to industries to be housed with the proposed project site, only for projects covered under 7(c) category of EIA Notification, 2006:

Sr. No.	Types of Industries/Sectors	Categorization of Industry as per EIA Notification, 2006	Categorization as per CPCB	Zoning as per ATLAS
1.	Metallurgical industries	3 (a)	A & B	A1,W1
2.	Cements plants	3 (b)	A & B	A1,W1
3.	Coke oven plants	4 (b)	A & B	A1,W1
4.	Chlor-alkali industry	4 (d)	A & B	A1,W1
5.	Soda ash Industry	4 (e)	A	A1,W1
6.	Chemical fertilizers	5 (a)	A & B	A1,W1
7.	Pesticides industry and pesticide specific intermediates (excluding formulations)	5 (b)	A	A1,W1
8.	Petro-chemical complexes (industries based on processing of petroleum fractions & natural gas and/or reforming to aromatics)	5 (c)	A	A1,W1
9.	Manmade fibers manufacturing	5 (d)	A & B	A1,W1
10.	Petrochemical based processing (processes other than cracking &	5 (e)	A & B	A1,W1

	reformation and not covered under the complexes)			
	Synthetic organic chemicals industry (dyes & dye intermediates; bulk drugs and intermediates excluding drug formulations; synthetic rubbers; basic organic chemicals, other synthetic organic chemicals and chemical intermediates)	5 (f)	A & B	A1,W1
11.				
12.	Distilleries	5 (g)	A & B	A1,W1
13.	Integrated paint industry	5 (h)	B	A1,W1
14.	Pulp & paper industry	5 (i)	A & B	A1,W1
15.	Automobile and Auto Components	-	-	-
16.	Electroplating and Metal Coating	-	-	-
17.	Electrical and Electronics including component industry	-	-	-
18.	Glass and Ceramic Industry	-	-	-
19.	Food Processing	-	-	-
20.	Lead/Lithium acid battery manufacturing Units	-	-	-
21.	Textiles Industries	-	-	-
22.	Engineering Industries	-	-	-
23.	Plastic Industries	-	-	-
24.	Industries which do not attract any provisions of EIA Notification 2006, but covered under CTE/CTO	-	-	-

*Dahej SEZ Limited removed petroleum refinery industries from proposed list of Industries to be housed in proposed IP & SEZ. Revised list of Industries to be housed in proposed IP & SEZ is also provided.

8. Land Area Distribution of 125 Ha. land area out of the total area of 715.00 Ha is earmarked for the proposed multi-product SEZ and remaining 590 Ha allocated for IP. The saleable land is 76.29% (i.e. 545.46 Ha) which will be used for industrial purpose and balance 23.71% (i.e. 169.54 Ha) land area will be used for various services/utilities common to both the areas.

9. The industrial estate will develop, water distribution network, Storm Water Network, Grids for Power supply, Waste water pipeline network connected to common effluent sump, Common effluent Collection sump, STP for administrative buildings/common facilities, Road Network, Pipeline for conveying effluent, Tele- communication system etc. Common Buildings: Commercial Complex, Banks, Post Office, Administration and Custom building, Canteen, Health Center, Fire Station etc.

10. Terrain and topographical features: Topographically, the area is characterized by flats plan and small hilly tract with general slope toward the North. Elevation ranges between 5 m to 100 m above msl.

11. Details of water bodies, impact on drainage: There are seasonal rain water channels (Kash) passing through the land boundary to allow the rainwater to flow through the land during the Monsoon season. For collection of Storm water within SEZ and IP, storm water drainage network will be provided along the road side as per requirement at project site. The width of storm water drain will be varying from 1 to 4 m. The collected water will be diverted outside the project site at suitable discharge point through the kash network. Storm water channel will be connected to Gandhar Creek our side the project area in NW side.

12. Water requirements: The water demand for manufacturing and non-manufacturing area, services, and green belt

arrives will be 36 MLD which is sourced from 1385 MLD (366 MGD) reservoir of GIDC located at Rahiyad. Concurrence letter for water supply is obtained vide letter no: GIDC/ENG/PH/163 on dated 16th February 2022 from GIDC Gandhinagar. No Ground water will be used.

13. Tree cutting: The proposed location has scarce trees distribution for the size of parcel and no distinct vegetation as well. As per the survey drawing of the land, only 69 trees (i.e. 1 tree in an average of 10 HA. of land) are present on the available land and hence this project can be taken up without destroying the existing trees as well as vegetation.

14. Green belt Development: M/s Dahej SEZ Limited is agreed to develop 20-meter width greenbelt as buffer area in periphery of IP & SEZ towards the South side where irrigation canal is exists. M/s Dahej SEZ Limited also agreed to develop total 33% area as greenbelt area i.e. 236 Ha. of total area (715 Hectare) of IP & SEZ by either DSL or Member industries. PP will develop total 13.21% area as greenbelt area i.e. 94.48 Hectare and remaining 20 % greenbelt area i.e. 142 Hectare will be developed by member industries of IP & SEZ. Hence, DSL will develop total 33% greenbelt area in totality. Accordingly revised layout is also submitted by the PP.

15. Diversion of forest land: The proposed project doesnot involved any Forest land is involved in proposed project.

16. The proposed project is not located within 10 km of Protected Areas (PA), National Parks, Sanctuaries and Tiger Reserves etc and there are no Eco-Sensitive Zone (ESZ) or Eco-Sensitive Area (ESA) in 10 km radius area.

17. Waste Management: During the operation phase, there is generation of Hazardous waste of Landfill waste, Incinerable (Co-processing), Recyclable waste and Reusable waste under Rule 9 permission from the member industries. Management and disposal of the same will be done as per Hazardous and Other Wastes (Management and Transboundary Movement) Rules 2016 by the member industries. Used oil will be expected to generate around 0.015MT/Annum, the same will be Collect, store and will disposal by selling to authorized recycler.

18. CETP: 25 MLD of effluent generated from the manufacturing area will be collected and pumped to CETP, Dahej at distance of 25 Km from proposed site for further treatment and ultimate disposal to sea. STP: DSL will provide Sewage Treatment Plant (STP) to treat the sewage generated from ADM building, Canteen and other common facilities. Treated water will be reused for gardening purpose. Member industries will provide individual STP/Soak pit to treat the sewage and treated sewage will be reuse in own premises.

19. Details of Rain Water Harvesting: The roof top rain water 283 m3/year will be harvested by DSL Building as well as member industries in their respective premises and the same will be used for in house requirement, greenbelt/gardening purpose.

20. Land acquisition and R&R issues: Govt. of Gujarat undertaking has acquired land (Approx. 678.00 Hect.) for above said project of Dahej SEZ Limited and balance Govt. land (Approx. 37 Hect.) is under acquisition by competent authority.

21. R&R issues: No R&R issues involved in the proposed project area.

22. Employment potential: During the construction phase around 700-1000 nos. of people will be required and preference will be given to local villagers based on their skills. Manpower will be required for Civil Construction, Mechanical erection, Electrification, Piping Works and Associated Amenities. During the operation phase, individual member industries will generate employment for skilled and unskilled workers. In the absence of details on member industries, it is difficult to assess the employment generation. However, DSL envisages employment opportunities for 5000-7000 persons for various industries proposed IP and SEZ. Moreover, the proposed IP & SEZ will enable at least 2500 persons to have some means of employment indirectly to support the activities of the member industries.

23. Benefits of the project: There are financial benefits like Revenue generation in central and government, Import and Export of finished Products, etc. and social benefits like Employment Generation in surrounding areas etc. will be done due to proposed project.

24. Details of Court Cases: No court cases are pending against the project.

25. The EAC, based on the information submitted and clarification provided by the project proponent and detailed discussions held on all the issues in its 341st meeting on 05th October, 2023, recommended the project for grant of environmental clearance with stipulated specific conditions along with other Standard EC conditions.

26. The Ministry of Environment, Forest and Climate Change has considered the proposal based on the recommendations of the Expert Appraisal Committee(Infrastructure, CRZ and other miscellaneous projects) and hereby decided to grant Environmental Clearance for the 'Development of Industrial Park and Multi-product SEZ in area of 715 ha at Pakhajan, Ambhel and Limdi village, Taluka Vagra, District Bharuch, Gujarat by M/s Dahej SEZ Limited' under the EIA Notification, 2006 as amended, subject to strict compliance of the following specific conditions, in addition to all standard conditions applicable for such projects.

27. This issues with the approval of the Competent Authority.

Copy To

Annexure 1

Specific EC Conditions for (Industrial Estates/ Parks/ Complexes/ Areas, Export Processing Zones (Epzs), Special Economic Zones)

1. Specific Conditions

S. No	EC Conditions
1.1	<p>(i) Petroleum refinery industries (Sec 4(a)) and Petro-chemical complexes (industries based on processing of petroleum fractions & natural gas and/or reforming to aromatics) (Sec 5(c)) will not be permissible as agreed by PP</p> <p>(ii) For all the individual units/infrastructure requirements, environmental clearances, as applicable, shall be obtained from the respective regulatory authorities.</p> <p>(iii) 25 meters Buffer of green belt shall be provided each side of the channels and 20m buffer all along the boundary of Industrial Park.</p> <p>(iv) The project proponent shall install system carryout to Ambient Air Quality monitoring for common/criterion parameters relevant to the main pollutants released (e.g. PM10 and PM2.5 in reference to PM emission, and SO2 and NOx in reference to SO2 and NOx emissions) within and outside the port area at least at four locations (one within and three outside the port area at an angle of 120° each), covering upwind and downwind directions.</p> <p>(v) Appropriate Air Pollution Control (APC) system shall be provided for all the dust generating points including fugitive dust from all vulnerable sources, so as to comply prescribed fugitive emission standards.</p> <p>(vi) The project proponent shall submit monthly summary report of continuous stack emission and air quality monitoring and results of manual stack monitoring and manual monitoring of air quality /fugitive emissions to Regional Office of MoEF&CC, Zonal office of CPCB and Regional Office of SPCB along with six-monthly monitoring report.</p> <p>(vii) The project proponent shall regularly monitor ground water quality at least twice a year (pre- and post-monsoon) at sufficient numbers of piezometers/sampling wells in the plant and adjacent areas through labs recognized under Environment (Protection) Act, 1986 and NABL accredited laboratories.</p> <p>(viii) The quantity of fresh water usage, water recycling and rainwater harvesting shall be measured/recorded to ensure the water balance as projected by the project proponent. The record shall be submitted to the Regional Office, MoEF&CC along with six Monthly Monitoring reports.</p> <p>(ix) All the recommendation of the EMP shall be complied with in letter and spirit and be submitted to the Regional Office, MoEF&CC along with six Monthly Monitoring reports.</p> <p>(x) The member units shall provide storage tanks for storage of effluent for monitoring the characteristics of effluent before taking into the CETP for further treatment.</p> <p>(xi) Proper meters with recording facilities shall be provided to monitor the effluent quality and</p>

S. No	EC Conditions
	<p>quantity sent from member industries to CETP and from CETP to re-use on a continuous basis.</p> <p>(xii) Ambient noise levels shall conform to the prescribed standards both during day and night. Incremental pollution loads on the ambient air and noise quality should be closely monitored during development/ construction phase. Adequate measures shall be made to reduce ambient air and noise level during construction phase, so as to conform to the stipulated standards by CPCB/SPCB.</p> <p>(xiii) Fly ash should be used as building material in the construction as per the provisions of Fly Ash Notification of September, 1999 and amended as on 27th August, 2003 and 25th January, 2016.</p> <p>(xiv) Construction spoils, including bituminous material and other hazardous materials, must not be allowed to contaminate watercourses and the dump sites for such material must be secured so that they should not leach into the ground water.</p> <p>(xv) Soil and ground water samples will be tested to ascertain that there is no threat to ground water quality by leaching of heavy metals and other toxic contaminants.</p> <p>(xvi) Parking space to accommodate trucks, cars, two wheelers and bicycles shall be provided as per the norms.</p> <p>(xvii) Any hazardous waste generated during development/ construction phase, should be disposed off as per applicable rules and norms with necessary approvals of the State Pollution Control Board.</p> <p>(xviii) As per the Ministry's Office Memorandum F. No. 22-65/2017-IA.III dated 30th September, 2020, the project proponent shall abide by all the commitments made by them to address the concerns raised during the public consultation. The project proponent shall initiate the activities proposed by them, based on the commitment made in the public hearing, and incorporate in the Environmental Management Plan and submit to the Ministry. All other activities including pollution control, environmental protection and conservation, R&R, wildlife and forest conservation/protection measures including the NPV, Compensatory Afforestation etc, either proposed by the project proponent based on the social impact assessment and R&R action plan carried out during the preparation of EIA report or prescribed by EAC, shall also be implemented and become part of EMP.</p> <p>(xix) As advised by the Senior Air Traffic Control Officer of the Bidar Airforce Station vide its letter No. BDR/1753/1/ATS dated 16th March 2018, each industrial unit will need to take NOC from Bidar Airforce Station and as such be made aware officially by the project proponent.</p>

Standard EC Conditions for (Industrial estates/ parks/ complexes/ areas, export processing Zones (EPZs), Special Economic Zones)

I. Statutory Compliance

S. No	EC Conditions
1.1	The project proponent shall prepare a Site-Specific Conservation Plan & Wildlife Management Plan and approved by the Chief Wildlife Warden. The recommendations of the approved Site-Specific Conservation Plan / Wildlife Management Plan shall be implemented in consultation with the State Forest Department. The implementation report shall be furnished along with the six-monthly compliance report (incase of the presence of schedule-I species in the study area).
1.2	The project proponent shall obtain the necessary permission from the Central Ground Water Authority, in case of drawl of ground water / from the competent authority concerned in case of drawl of surface water required for the project.
1.3	All excavation related dewatering shall be as duly authorized by the CGWA. A NOC from the CGWA shall be obtained for all dewatering and ground water abstraction
1.4	A certificate of adequacy of available power from the agency supplying power to the project along

S. No	EC Conditions
	with the load allowed for the project should be obtained.
1.5	All other statutory clearances such as the approvals for storage of diesel from Chief Controller of Explosives, Fire Department, Coast Guard, Civil Aviation Department shall be obtained, as applicable by project proponents from the respective competent authorities.

2. Air Quality Monitoring And Preservation

S. No	EC Conditions
2.1	The project proponent shall install system to carryout Ambient Air Quality monitoring for common/criterion parameters relevant to the main pollutants released (e.g. PM10 and PM2.5 in reference to PM emission, and SO2 and NOx in reference to SO2 and NOx emissions) within and outside the project area at least at four locations (one within and three outside the project area at an angle of 120°each), covering upwind and downwind directions.
2.2	Appropriate Air Pollution Control (APC) system shall be provided for all the dust generating points including fugitive dust from all vulnerable sources, so as to comply prescribed emission standards.
2.3	Dust collectors shall be deployed in all areas where surface cleaning and painting operations are to be carried out, supplemented by stacks for effective dispersion.
2.4	Diesel power generating sets proposed as source of backup power should be of enclosed type and conform to rules made under the Environment (Protection) Act, 1986. The height of stack of DG sets should be equal to the height needed for the combined capacity of all proposed DG sets. Use of low sulphur diesel. The location of the DG sets may be decided with in consultation with State Pollution Control Board.
2.5	A detailed traffic management and traffic decongestion plan shall be drawn up to ensure that the current level of service of the roads within a 05 kms radius of the project is maintained and improved upon after the implementation of the project. This plan should be based on cumulative impact of all development and increased habitation being carried out or proposed to be carried out by the project or other agencies in this 05 Kms radius of the site in different scenarios of space and time and the traffic management plan shall be duly validated and certified by the State Urban Development department and the P.W.D./ competent authority for road augmentation and shall also have their consent to the implementation of components of the plan which involve the participation of these departments.

3. Water Quality Monitoring And Preservation

S. No	EC Conditions
3.1	Total fresh water use shall not exceed the proposed requirement as provided in the project details. Prior permission from competent authority shall be obtained for use of fresh water.
3.2	Sewage Treatment Plant shall be provided to treat the wastewater generated from the project. Treated water shall be reused for horticulture, flushing, backwash, HVAC purposes and dust suppression.

S. No	EC Conditions
3.3	A certificate from the competent authority for discharging treated effluent/ untreated effluents into the Public sewer/ disposal/drainage systems along with the final disposal point should be obtained.
3.4	No diversion of the natural course of the river shall be made without prior permission from the Ministry of Water resources.

4. Noise Monitoring And Prevention

S. No	EC Conditions
4.1	Noise level survey shall be carried as per the prescribed guidelines and report in this regard shall be submitted to Regional Officer of the Ministry as a part of six-monthly compliance report.
4.2	Noise from vehicles, power machinery and equipment on-site should not exceed the prescribed limit. Equipment should be regularly serviced. Attention should also be given to muffler maintenance and enclosure of noisy equipments.
4.3	Acoustic enclosures for DG sets, noise barriers for ground-run bays, ear plugs for operating personnel shall be implemented as mitigation measures for noise impact due to ground sources.
4.4	The ambient noise levels should conform to the standards prescribed under E(P)A Rules, 1986 viz. 75 dB(A) during day time and 70 dB(A) during night time.

5. Energy Conservation Measures

S. No	EC Conditions
5.1	Provide solar power generation on roof tops of buildings, for solar light system for all common areas, street lights, parking around project area and maintain the same regularly;
5.2	Provide LED lights in their offices and project areas.

6. Waste Management

S. No	EC Conditions
6.1	Necessary arrangements for the treatment of the effluents and solid wastes must be made and it must be ensured that they conform to the standards laid down by the competent authorities including the Central or State Pollution Control Board and under the Environment (Protection) Act, 1986.
6.2	The solid wastes shall be managed and disposed as per the norms of the Solid Waste Management Rules, 2016.
6.3	Any wastes from construction and demolition activities related thereto shall be managed so as to strictly conform to the Construction and Demolition Waste Management Rules, 2016.

S. No	EC Conditions
6.4	A certificate from the competent authority handling municipal solid wastes should be obtained, indicating the existing civic capacities of handling and their adequacy to cater to the M.S.W. generated from project.
6.5	Used CFLs and TFLs should be properly collected and disposed off/sent for recycling as per the prevailing guidelines/ rules of the regulatory authority to avoid mercury contamination.

7. Green Belt

S. No	EC Conditions
7.1	An overall green area of at-least 33% of the Industrial Area should be developed with native species. The green area shall be 40% in case of critically polluted area. The project proponent of the Industrial Area shall comply with the additional commitment made by them in the EIA report regarding the development of green belt.
7.2	The Industrial Areas are directed to accordingly allocate the area, to be developed as green cover, to respective individual industrial units so as to achieve the above mentioned condition.
7.3	The individual industrial unit, at the time of obtaining EC, shall bring a letter from the Industrial Area, specifying the area allocated to them to be developed as green cover, as a part of obligation from the Industrial Area.
7.4	Wherever possible, plantations around the periphery of the Industrial Area, in the downwind direction and along the road sides shall be provided for containment of pollution and for formation of a screen between the industrial area and the outer civil area. The choice of plants should include shrubs of height 1 to 1.5 m and tree of 3 to 5 m height. The intermixing of trees and shrubs should be such that the foliage area density in vertical is almost uniform.
7.5	The parameters like selection of plant species, procedure for plantation, density of tree plantation etc shall be as per the CPCB guidelines.

8. Public Hearing And Human Health Issues

S. No	EC Conditions
8.1	Workers shall be strictly enforced to wear personal protective equipments like dust mask, ear muffs or ear plugs, whenever and wherever necessary/ required. Special visco-elastic gloves will be used by labour exposed to hazards from vibration.
8.2	Safety training shall be given to all workers specific to their work area and every worker and employee will be engaged in fire hazard awareness training and mock drills which will be conducted regularly. All standard safety and occupational hazard measures shall be implemented and monitored by the concerned officials to prevent the occurrence of untoward incidents/ accidents.
8.3	Emergency preparedness plan based on the Hazard identification and Risk Assessment (HIRA) and Disaster Management Plan shall be implemented.

S. No	EC Conditions
8.4	Provision shall be made for the housing of construction labour within the site with all necessary infrastructure and facilities such as fuel for cooking, mobile toilets, mobile STP, safe drinking water, medical health care, crèche etc. The housing may be in the form of temporary structures to be removed after the completion of the project.
8.5	Occupational health surveillance of the workers shall be done on a regular basis.

9. Environment Responsibility

S. No	EC Conditions
9.1	The company shall have a well laid down environmental policy duly approved by the Board of Directors. The environmental policy should prescribe for standard operating procedures to have proper checks and balances and to bring into focus any infringements/deviation/violation of the environmental / forest /wildlife norms/ conditions. The company shall have defined system of reporting infringements / deviation / violation of the environmental / forest / wildlife norms / conditions and / or shareholders / stake holders. The copy of the board resolution in this regard shall be submitted to the MoEF&CC as a part of six-monthly report.
9.2	A separate Environmental Cell both at the project and company head quarter level, with qualified personnel shall be set up under the control of senior Executive, who will directly report to the head of the organization.
9.3	Action plan for implementing EMP and environmental conditions along with responsibility matrix of the company shall be prepared and shall be duly approved by competent authority. The year wise funds earmarked for environmental protection measures shall be kept in separate account and not to be diverted for any other purpose. Year wise progress of implementation of action plan shall be reported to the Ministry/Regional Office along with the Six Monthly Compliance Report.
9.4	Self environmental audit shall be conducted annually. Every three years third party environmental audit shall be carried out.

10. Miscellaneous

S. No	EC Conditions
10.1	The project proponent shall make public the environmental clearance granted for their project along with the environmental conditions and safeguards at their cost by prominently advertising it at least in two local newspapers of the District or State, of which one shall be in the vernacular language within seven days and in addition this shall also be displayed in the project proponent's website permanently.
10.2	The copies of the environmental clearance shall be submitted by the project proponents to the Heads of local bodies, Panchayats and Municipal Bodies in addition to the relevant offices of the Government who in turn has to display the same for 30 days from the date of receipt.
10.3	The project proponent shall upload the status of compliance of the stipulated environment clearance conditions, including results of monitored data on their website and update the same on half-yearly basis.

S. No	EC Conditions
10.4	The project proponent shall submit six-monthly reports on the status of the compliance of the stipulated environmental conditions on the website of the ministry of Environment, Forest and Climate Change at environment clearance portal.
10.5	The project proponent shall submit the environmental statement for each financial year in Form-V to the concerned State Pollution Control Board as prescribed under the Environment (Protection) Rules, 1986, as amended subsequently and put on the website of the company.
10.6	The criteria pollutant levels namely; PM2.5, PM10, SO2, NOx (ambient levels) or critical sectoral parameters, indicated for the project shall be monitored and displayed at a convenient location near the main gate of the company in the public domain.
10.7	The project proponent shall inform the Regional Office as well as the Ministry, the date of financial closure and final approval of the project by the concerned authorities, commencing the land development work and start of production operation by the project.
10.8	The project authorities must strictly adhere to the stipulations made by the State Pollution Control Board and the State Government.
10.9	The project proponent shall abide by all the commitments and recommendations made in the EIA/EMP report, commitment made during Public Hearing and also that during their presentation to the Expert Appraisal Committee.
10.10	No further expansion or modifications in the Industrial Area shall be carried out without prior approval of the Ministry of Environment, Forests and Climate Change (MoEF&CC).
10.11	Concealing factual data or submission of false/fabricated data may result in revocation of this environmental clearance and attract action under the provisions of Environment (Protection) Act, 1986.
10.12	The Ministry may revoke or suspend the clearance, if implementation of any of the above conditions is not satisfactory.
10.13	The Ministry reserves the right to stipulate additional conditions if found necessary. The Company in a time bound manner shall implement these conditions.

ANNEXURE –B (ENGLISH)

A Statement showing issues raised by the Participants and Responses by the Representative of the Applicant during the Public Hearing

As per the provisions of Notification No. S.O.1533 dated 14/09/2006 and its subsequent amendment No. S.O.3067 (E) dated 1/12/2009, Ministry of Environment, Forests & Climate Change, Government of India, New Delhi, Public Hearing is conducted for **M/s. Dahej SEZ Limited**; at Villages : Pakhajan, Ambhel & Limdi, Ta: Vagra, Dist. Bharuch, (Gujarat) for Proposed Development of Industrial Park (IP) and Multi Product SEZ. The proposed project is covered under Category "A" of Schedule 7 (c). The Public Hearing was held on 26/07/2023 at 11:00 hrs, Near PHC (Primary Health Centre), Pakhajan, Ta: Vagra, Dist: Bharuch.

This Public Hearing was conducted under the Chairmanship of **Shri N. R. Dhandhal (GAS)**, Residential Additional Collector, Bharuch & Representative of District Collector & District Magistrate.

Smt. M.U. Patel, Regional Officer, Gujarat Pollution Control Board, Bharuch and Representative of Member Secretary Gujarat Pollution Control Board welcomed all present to the Public Hearing. She outlined the various provisions of the Notification and briefed about the procedural details for conducting this Public Hearing, including actions taken by GPCB for wide publicity of this Public Hearing and the advertisement published earlier in the local daily newspaper. The advertisement made by giving public notice in local Gujarati Newspaper daily "Sandesh", "Divya Bhaskar" and English Newspaper daily "The Economic Times" on 24/06/2023. Copy of executive summary in Gujarati language and copy of Gujarati and English advertisement of the proposed project has been provided to the Talati cum Mantri/Gram Panchayat of the affected villages of Vagra Taluka of Bharuch District and copies of the executive summary (in English and Gujarati) and a copy of the advertisement were provided to the concerned offices as well. So that a large/large number of people can attend the public hearing. She further stated that for publicity of public hearing was made through loudspeaker on date 24/07/2023 & 25/07/2023 in affected villages through Eeco Car and further, advertisement was publicized in local TV channel Narmada News Channel on 24, 25, 26/07/2023 till 11:00 AM.

Smt. M. U. Patel, Regional Officer, Gujarat Pollution Control Board Bharuch and Representative of Member Secretary Gujarat Pollution Control Board stated that before the Public Hearing, the Board has received 7 (Seven) written representations from (1) Narmada Pradushan Nivaran Samiti, Ankleshwar, Dist. : Bharuch, (2) Gram Panchayat-Nandida, Ta. : Vagra, Dist. : Bharuch, (3) Shri Jitendrabhai Babalbhai Patel, GIDC Ankleshwar, Dist.: Bharuch, (4) Shri Mahesh Pandya, Paryavaran Mitra, Thaltej, Ahmedabad, (5) Shri Dharmesh Mistry, Bharuch, (6) Shri Kamlesh Madhiwala, President, Samast Bharuch Jilla Machhimar Samaj, Vejalpore, Dist. : Bharuch, (7) M.S.H. Shaikh, President, Brackish Water Research Center, Olpad, Dist. : Bharuch. These written representations & their replies from the project proponent will be included in proceeding.

She further added that audio and video recording of the entire proceedings will be done and it will be sent along with the proceedings. Covering all the objections/suggestions/representations received before and during this Public Hearing, a proceeding will be prepared and sent to the competent authority.

She announced that as per the provision of Notification, only plausible stake holder will be allowed to make their representation in the Public Hearing while others having plausible stake may submit their representation in writing which would be included in proceedings. She also clarified that persons other than local affected people can send their representations in writing. The suggestions/objections/representations received during

this Public Hearing will be sent to Competent Authority in the form of Public Hearing Proceedings. The decision to approve the above proposed project is not to be taken by this committee.

Then after the public hearing started with the permission of the Chairman. The Chairman asked the project proponent to inform the people through presentation in local Gujarati language about their proposed project, its potential environmental impact and the measures to be taken to mitigate the same.

Then a presentation was given in Gujarati language by Mrs. Dipti Patel, Technical Consultant of the Project Proponent regarding introduction of the company, project outline, technical information of the proposed project, environmental management technology, its impacts and proposed controls, remedies and proposed social development responsibility activities.

After the presentation, Representative of GPCB with the due permission of Chairman of Public Hearing opened the forum for representations/suggestion/objections from the locally affected people.

The statement showing questions/suggestions/objections/opinion raised by participants during the Public hearing and responded by representative of the project proponent during the public hearing is as under.

Sr. No	Name & Address of Representative	Queries Represented by them	Replies by Concerned Project Proponent	Replies given by Concerned Officer
1	Shri Ajitsinh Balwantsinh Raj, Vii. : Vahiyal, Ta. : Vagra, Dist. Bharuch	<p>He raised following points :</p> <ul style="list-style-type: none"> • He stated that the presentation has 32 pages, while the executive summary has 28 pages. So He asked to clarify the difference of 4 pages. • Details regarding CSR have not been mentioned in the executive summary. He asked to clarify regarding how much CSR fund has been used? • The said executive summary is not based on the local assessment in which Vishwamitri river has been shown, which is not located in Bharuch district. Information is obtained from Google Maps only. 	<ul style="list-style-type: none"> • The technical representative of proposed project Smt. Dipti Patel stated that there is no difference between the executive summary and the presentation shown here. As the formats of executive summary and presentation are different, page numbers are different. • All the information is shown in the Executive Summary on Page No. 24 as well as in the EIA Report. • We have visited your village in person and prepared EIA report and also conducted an environmental survey in a radius of 10 kilometers through Google map, collected samples, analyzed them and prepared the report. 	<ul style="list-style-type: none"> • The Regional Officer, GPCB stated that the presentation has been prepared as a summary of the EIA report. • The proposed project may affect an area of 10 km radius. This has been decided by the Ministry of Environment, Forest & Climate Change, Delhi. The Vishwamitri river shown on Google is actually Dhadhar river.

		<ul style="list-style-type: none"> • Sugarcane and paddy crops are mentioned in the EIA Report. But the above crops are not being cultivated in this area. • He asked the following questions: <ol style="list-style-type: none"> 1. How many local farmers benefited due to this SEZ? 2. Can agricultural land be transferred for industrial purpose? 3. What are the responsibilities of GPCB for industrial area? Who will be responsible for the loss to the farmers of this area due to said industries? • He asked to clarify regarding if the greenbelt should be developed in 33% area of total plot area according to government norms then only 13% greenbelt development information is shown here. • Do all the industries of this area really operate according to the norms of the government? Do companies follow the law? • He represented that we welcome industries but we don't want polluted colored water. Water of Jambusar has been having red color since the last 20 years and GPCB has not resolved the same. • He asked about the utilization of CSR and CER funds by the company. He 	<ul style="list-style-type: none"> • It is indicated on the basis of the information provided for the entire district by the Forest Department for the proposed project • Individual industry will develop greenbelt in 33% area of their total plot area and greenbelt in 13% area will be developed by the DSL. • ----- • ----- 	<ul style="list-style-type: none"> • This is an environmental public hearing. Since your question belongs to a different authority, you have to submit the same to the respective authority. • Implementation of various environmental laws such as Water Act-1974, Air Act-1981, EPA-1986 and various rules framed under the act is responsibility of GPCB. The concerned industry will be responsible for the environmental damage done by them. • She said that all efforts are being made by the GPCB and the Government to ensure that the industries comply with the norms; however, there are issues in some pockets does not mean that all areas are polluted. It may be the issue of some specific area. • She stated that its policy matter and your suggestion is noted.
--	--	--	---	---

		<p>further represented that the local people have to go far for the work of CER, NGT etc. and therefore cannot take advantage of the same. So he suggested that the respective offices should be set up at the local level.</p> <ul style="list-style-type: none"> • He asked that what is the definition of local? • He suggested that along with the local term, the term affected should also be used. • Although many industries have developed in the surrounding area, no provision has been made for land losers. 	<p>The representative of the proposed project Shri Hitesh Jadav stated that a domicile certificate is issued by the competent authority to a person who has resided in the state for 15 years or more and is called a local.</p> <p>-----</p> <p>-----</p>	<ul style="list-style-type: none"> • Your suggestion has been noted in the proceedings.
2	<p>Shri Ranjitsinh Jaswantsinh Yadav Vill. : Ambhel, Ta. : Vagra, Dist. : Bharuch</p>	<ul style="list-style-type: none"> • He informed that most of the land in Ambhel village has been acquired for the proposed project. But we have not been provided with a copy of the executive summary. • As per shown in geographical acquisition, the gate is shown next to Pakhajan village. But we request to keep a gate at Ambhel village as well. • He asked about the villagers of Ambhel village, whose land has been acquired in the project, should be given employment according to 	<p>The technical representative of the proposed project Smt. Dipti Patel stated that we came to your village to provide the copy of executive summary but you had not accepted the same. So we had sent the copy of the executive summary to your village via RPAD but you have not accepted the same.</p> <p>-----</p> <p>-----</p>	<ul style="list-style-type: none"> • The Chairman informed that your suggestion will be incorporated in the proceeding. • Information on who to approach for resolving your queries will be provided by the project representative in written.

		<p>not being laid to provide electricity to Ambhel village for sure. So while representing the said issue to the GETCO, the responsibility is being imposed on other authorities by GETCO.</p> <ul style="list-style-type: none"> • He asked that do you have any information about the compensation paid by Gujarat Pollution Control Board for the loss caused to the farmer due to the industry in Vagra taluka? • He asked regarding what actions will be taken by GPCB if there will be an accident in industry and due to that pollution, evacuation needs to be done? • He suggested to form a disaster management committee at rural level in case of any mishap. • He represented regarding construction of road from Ambhel to Limdi. 	<p>acquired by GIDC and after demarcation; master planning was carried out by Dahej SEZ. So as per your query, if two legs of pole are in acquired land and two legs are in another farmer's land then it will be checked by DSL. If any such thing is found then compensation will be paid as per the norms of the government.</p> <p>-----</p> <p>-----</p> <p>-----</p> <p>The representative of the proposed project Shri Niraj Shah stated that it was discussed during the visit of GIDC's competent official and SDM Sir that the road work was stopped due to technical reasons.</p>	<ul style="list-style-type: none"> • There is no provision for payment of compensation to farmers under environmental regulations with GPCB. We can provide information on damage to people, animals, birds and the environment. She said that you can go to court for compensation. • There is a branch of disaster management in which the Collector is the chairperson, various officers and departments are members & pollution control is a member as well. The scope of pollution control is limited to deciding whether to carry out rehabilitation based on pollution. • Your suggestion has been noted. • Queries presented in this public hearing will be answered in writing by the DSL.
--	--	---	--	---

		<ul style="list-style-type: none"> • He informed that specific crop is not produced due to water logging in the monsoon. To whom should we represent for the compensation? Whether SEZ or GIDC? • He informed that the tribal and Scheduled Caste farmers live here. They are facing in justice. There is a mistake in land distribution before the year 1962. So will the work of the project be put on hold till the issue is resolved? Will GIDC ensure the same? Until this issue is resolved, the farmers will protest legally at the site. • He made a strong representation to stop the work of the proposed project till the pending issues of the villagers are resolved and asked GIDC to guarantee the same. 	<ul style="list-style-type: none"> • The representative of GIDC, Shri Akash Raval (Executive Engineer) informed that the service road will be constructed. Its operation will be started in two days after the rain stops. • The representative of the proposed project Shri J. B. Patel (CEO-DSL) informed that matter of compensation will be investigated and whatever compensation is decided to be paid by DSL will be paid by DSL. • ----- • ----- 	<ul style="list-style-type: none"> • She informed that your representation is noted, rather than representing issues not related to this public hearing, let us represent the issues related to this public hearing.
3	Shri Hasanji Umarji Patel Vill. : Limdi, Ta. : Vagra, Dist. : Bharuch	<ul style="list-style-type: none"> • He informed that a written reply was given by GIDC that the Limdi to Ambhel road work will start in four months. AvedanPatra was also given to the Collector for the same. He sought the reply from GIDC/SEZ for the complaint regarding the road. • He asked the information about the policy regarding the land losers. 	<ul style="list-style-type: none"> • GIDC representative Shri Akashbhai Raval (Executive Engineer) informed that a service road will be constructed. As soon as the rain stops, its work will be started in two days. • The representative of GIDC Shri Vikasbhai Patel informed that there is no 	

		<ul style="list-style-type: none"> • He asked that from where to get guidance regarding the process of selling the land of farmers for industrial purpose directly to the industries instead selling it to the GIDC? • He asked to provide information about who is called land loser and its policy and which villagers are included in land loser. • How much amount has been allotted in the CSR fund and in which village has it been spent? • He represented that there are many industries in Vagra Taluka but no one has built a children park or a hospital in Vagra Taluka. • He clarified that we will not support the project until our primary needs are satisfied. • He asked that if the land loser wants to take advantage of the company in terms of employment, will it be given according to the Survey No. of the land or according to the khata number? • If any industry being setup in GIDC and if I am the land loser and we are five brothers than who among five brothers will be employed? 	<p>provision for land losers and land acquisition.</p> <p>-----</p> <p>-----</p> <p>The technical representative of the proposed project Smt. Dipti Patel informed that Rs. 7.835 Crore has been assigned for the CSR fund in the proposed project which will be used for the development of the affected villages.</p> <p>-----</p> <p>-----</p> <p>The representative of the proposed project Shri Hitesh Jadav informed that Land compensation is given as per Government's Land Acquisition Act and Employment Act and this</p>	<ul style="list-style-type: none"> • The Regional Officer, GPCB informed that you can obtain appropriate in-depth guidance for the same from District Industries Centre, Bharuch. • Your suggestion is noted that your primary needs are not being satisfied by the existing ongoing project. • This is an industrial Infrastructure project. Hence, employment is
--	--	---	---	---

		<ul style="list-style-type: none"> • The land of Limdi and Ambhel village has been acquired for GIDC for which 10 watchmen have been deployed. None of them is a local from the affected village. • What is the plan for disposal of polluted water from the units and what is the liability for loss in case of rupture or leakage of the pipelines being laid by GIDC? • Can sewage and other water of the village be disposed of in this pipeline? • A hospital should be built in Pakhajan village. He gave the following suggestion: 1. Pakka house and employment should be provided for the people living in slum and living below the 	<p>question is not relevant to the proposed project.</p> <ul style="list-style-type: none"> • The representative of the proposed project Shri J. B. Patel (CEO-DSL) informed that it comes under the purview of the security agency which is being appointed. • The representative of the proposed project Shri Hitesh Jadav informed that the agency that develops the infrastructure maintains the said pipelines. It will be the responsibility of GIDC. • The technical representative of proposed project Smt. Dipti Patel stated that Wastewater will be generated from the proposed project, for which each unit will construct a water treatment plant. The proposed project will then construct a collection sump, in which half of the treated water will go to CETP Dahej where the water will be treated and discharged into the sea. • The representative of the proposed project Shri J.B. Patel (CEO-DSL) informed that appropriate decision will be taken after verification in this matter. • ----- 	<p>stick to that only.</p> <ul style="list-style-type: none"> • The Regional Officer, GPCB informed that it is related to GIDC policy. But your suggestion for disposal of sewage with GIDC line is welcomed. • Your suggestions related to local and primary needs are noted in the proceedings.
--	--	--	---	---

		<p>poverty line by Project proponent.</p> <ol style="list-style-type: none"> 2. Government/private school should be established for higher studies in surrounding villages. 3. ITI is not available for technical skill development for SSC and HSC pass students. The same should be built as well. 4. Damage done by the industrial unit two years ago has not been compensated. So, if the land of the farmers around the industrial units is damaged by the polluted air or water of the unit, compensation should be paid by the responsible unit. 5. The road should be constructed from Limdi to Ambel village by GIDC and necessary works should also be done for disposal of rainwater. 	<ul style="list-style-type: none"> • The representative of GIDC Shri Akashbhai Raval (Executive Engineer) informed that the work could not be carried out due to heavy rain. But, within a short period of two days, arrangements will be made to drain the rainwater. 	<ul style="list-style-type: none"> • Your representations and suggestions are noted in the proceedings.
4	<p>Shri Pratapsinh Jaswantsinh Yadav Sarpanch Vill. : Ambhel, Ta. : Vagra, Dist. : Bharuch</p>	<ul style="list-style-type: none"> • He informed that government officials carried out measurement of the school of my village. What is the progress for the same? A survey has been carried out three times for the same, but no work has been carried out. 	<ul style="list-style-type: none"> • The representative of the proposed project Shri J.B. Patel (CEO-DSL) informed it was already discussed in the Board of Directors of the DSL of Dahej for the village school. The Chairman has ordered to verify the matter once again and submit a comprehensive report that will benefit more students than just 90 students. 	<ul style="list-style-type: none"> • The Chairman appreciated that the project proponent is working with the authority to benefit more students.

<p>5</p>	<p>Shri Yogeshbhai Kanubhai Gohil Vill. : Goladara, Ta. : Vagra, Dist. : Bharuch</p>	<ul style="list-style-type: none"> • He asked to present officer to give introduction so that in future if they come to our village for survey, we can identify them. • The information about the chemicals to be used by the upcoming industries as well as the established industries should be given to the villagers so that in case of any mishap occurs due to chemicals in the future, the villagers can protect themselves and prevent large-scale loss of life and property. • There are companies situated around my village since last four years but they have never given any information about the chemicals used by them or their products. • According to the survey number of land losers, a suitable policy should be made to ensure that every person of the family as well as locals get 25 percent permanent employment. • As per the written evidence of GIDC, the land loser will get permanent employment. We don't get jobs despite showing this evidence. To whom we should represent for the same? • The hospital with 50 beds built by PCPIR is closed in Dahej. So electricity, water, roads, multi- 	<p>-----</p> <p>-----</p> <p>-----</p> <p>-----</p> <p>-----</p> <p>The representative of the proposed project Shri J. B. Patel (CEO-DSL) informed that local employment is a matter of Department of Labor and Employment & Department of Industries and they are coordinate with each other for the same. Your suggestion will be taken into consideration.</p> <p>-----</p>	<ul style="list-style-type: none"> • The Regional Officer, GPCB informed that Officials of SEZ and GIDC, Environment Consultant, Mamlatdar, Land Acquisition Officer are present in this public hearing. • Mock drills are organized in each and every affected village by factory inspectors after coming setting up of industries in which the villagers are informed about all the necessary matters, which they have to be taken in to record by the concerned authority. • Your suggestion is noted. The companies will be informed about the same in the disaster management meeting. • Your representation is noted here and as it is a matter of policy, so you should represent this to concerned department.

Dahej SEZ Ltd.

M/S. DAHEJ SEZ LIMITED

SIX MONTHLY COMPLIANCE REPORT OF ENVIRONMENTAL CLEARANCE

(PERIOD: OCTOBER 2024 TO MARCH 2025)

		<ul style="list-style-type: none"> specialist hospital, ambulance, school for higher education should be provided as per the requirement of the village. • He represent that the companies should start their production activity only after planting trees in 33 percent of the surrounding area. • Contaminated water is being disposed by the company due to which the aquatic animals are harmed. To whom we should represent for the same? • When we call GPCB to verify the companies, no reports are given after the samples being collected. • He said that information on the use of pond water for drinking should be provided to the villagers at the time of visit of the pond and he asked about the responsibility of the concerned office for the same. • In case of death or accident of an aquatic animal, water samples are collected and analyzed but no report or reply is given as to whether the water is safe to use or not. He also raised the question regarding responsibilities of related offices for the same. 	<p>-----</p> <p>-----</p> <p>-----</p> <p>-----</p> <p>-----</p>	<ul style="list-style-type: none"> • The Regional Officer, GPCB informed that your representation is a policy matter. So your suggestion will be noted and included in the proceedings. • You need to represent to GPCB, Bharuch for the same. • She informed that you should submit RTI application under RTI Act for the same. After receiving RTI, we are bound to provide report and information. • The GPCB collects water samples from the accident site to analyze the presence of pollutants and to prevent them.
6	Shri Arvindbhai Bhikhabhai Vasava Vill. : Ambhel, Ta. : Vagra,	<ul style="list-style-type: none"> • He informed that my land is in the name of someone else, the matter is still not resolved and since the road passes by the side of 	<p>-----</p>	<ul style="list-style-type: none"> • The Regional Officer GPCB informed that although your representation is not related to this hearing,

	Dist. : Bharuch	the farm, it is difficult to cultivate. The matter should be resolved and the company should ensure the same in writing.		your representation is noted and work will definitely be done to resolve similar issues related to your land by concerned offices/ department.
7	Shri Prakashsinh Chandrasinh Rana Vill. : Ambhel, Ta. : Vagra, Dist. : Bharuch	<ul style="list-style-type: none"> • He asked that in the beginning, it has been stated that the water of village Nadarkha is safe for drinking and the water of Ambhel is not safe for drinking, so how the water become polluted? We were using the water even without treatment, so why did such a situation arised? Is this situation created due to nearby industries? • He represented that when the land was acquired during Corona pandemic, they should have organized a meeting by gathering the farmers of the village. Now when it comes to the issues of land looser and crop compensation, companies are escaping from their responsibilities. 	<ul style="list-style-type: none"> • The technical representative of the proposed project Smt. Dipti Patel stated that Ground water sample taken from Nadarkha village is within desirable limits so that it can be directly used for drinking and rest of the villages should use the water after treatment. • ----- 	<ul style="list-style-type: none"> • The Regional Officer GPCB informed that as per the standards of WHO for drinking water it is decided that the water is safe for drinking or not. It may be possible due to it is nearer to sea and due to salinity it may not be safe to drink.
8	Shri Ranjitsinh Jaswantsinh Yadav Vill. : Ambhel, Ta. : Vagra, Dist. : Bharuch	<ul style="list-style-type: none"> • He expressed his concern for farmers due to presence of police and bouncers. • He request to H'ble Collector to stop the work in the disputed land and continue the work in the undisputed land till the issue of disputed land is 	<ul style="list-style-type: none"> • The representative of the proposed project Shri J.B. Patel (CEO-DSL) informed that stated that the bouncers are the company's (DSL) security personnel and are called hereto maintain law & order. • ----- 	<ul style="list-style-type: none"> • The Chairman informed that police are called as part of law and order during every public hearing. • The Regional Officer GPCB informed that RAC sir as well as police is present here, so there is no need to fear and you can freely present your every representation. • The Chairman informed that a representation was made in this regard by the local people and we have handed over the matter to the Prant

Dahej SEZ Ltd.

M/S. DAHEJ SEZ LIMITED

SIX MONTHLY COMPLIANCE REPORT OF ENVIRONMENTAL CLEARANCE

(PERIOD: OCTOBER 2024 TO MARCH 2025)

		resolved.		Officer. Appropriate action will be taken based on their report.
9	Shri Deepaksinh Raj Vill. : Vahiya, Ta. : Vagra, Dist. : Bharuch	<ul style="list-style-type: none"> • He informed that it was said earlier that if any unit or industry damages a farmer, the farmer should go to court for compensation. It is the responsibility of GPCB and collector office. Lawyers charge 20-30 percent commission for the case. Who faces the loss? • He suggested that a committee should be formed under the chairmanship of the H'ble Collector. • He represented that two years ago, cotton crops were damaged by 2-4-D in this area and samples were collected by the GPCB. The compensation for the same has not been paid till date. • If proper action is not taken on the report of agricultural scientists and compensation is not given to the farmers, then this company should be closed. • When there is any loss to the farmer then there should be an appropriate policy to get compensation. We farmers should not be forced to go to court. 	<ul style="list-style-type: none"> • ----- • ----- • ----- • ----- • ----- 	<ul style="list-style-type: none"> • ----- • The court has given a verdict regarding water pollution that a committee should be formed in coordination with each department under the chairmanship of the Collector for the compensation of the farmers. However, they have to make a report and submit it to the district court and the judgment is given by the district judge.

- The Chairman informed that you will have to answer for the loop holes found in the report prepared by SEZ
- The issues of greenbelt and development of hospitals, schools, parks, roads and land losers have been taken into consideration.

After that the Regional Officer and Residential Additional Collector, Bharuch has given some suggestions to the project proponent to take into consideration:

- If a balanced development is done keeping in mind the above representations, many problems arising from the pipeline can already be avoided, for which;
 1. No underground drainage for waste water should be provided looking to the past experiences of GIDCs of area. Cluster wise sump should be provided and planning should be done in such a way that minimum overhead line should be received.
 2. Periphery of the premises should be kept open for greenbelt development.
 3. If required expert shall be engaged and considering last 20 years flood data, area topography storm water drain shall be design so that no water logging due to development of estate in area and no issue of surrounding farm arise.
 4. Natural drain should not be block in any case and land near this drain shall kept open for plantation.

During the public hearing Mr. Anilsinh Dadubha Gohil, Dahej who came to represent the farmer of affected village, the regional officer restricted him to speak since he is not plausible stake holder. He is informed that you can submit your submission in writing.

Thus, the written representation received before the public hearing as Annexure-C-1 to Annexure-C-7 and the reply given by the project proponent as Annexure-D-1 to Annexure-D-7. While during the public hearing a total of 4 other written submissions (1) Kesar Kalam, Kadi, Dist.-Mehsana (2) Kisan Sangh, Dist.-Bharuch (3) Shri Nareshbhai Prabhatbhai Gohil, Ta.-Vagra, Dist.- Bharuch (4) Shri Sahdevbhai Gambhirbhai Gohil, Ta.-Vagra, Dist.-Bharuch which are included as Annexure C-8 to Annexure C-11 in the proceeding. The replies given by the project proponent are annexed herewith as Annexure D-8 to Annexure D-11.

Local affected persons present in the public hearing were told to make representations by the Regional Officer, Gujarat Pollution Control Board but no other representations were received.

A summary of the proceedings of the entire public hearing by the Regional Officer, Gujarat Pollution Control Board was conveyed to persons present in the public hearing.

The Public Hearing was concluded with permission of the Chairman and with votes of thanks.

જિલ્લા કલેક્ટર અને જિલ્લા મેજિસ્ટ્રેટશ્રીના પ્રતિનિધિ તરીકે સમગ્ર લોક સુનાવણીની કાર્યવાહી શ્રી એન. આર. ધાંધલ (જી.એ.એસ.), નિવાસી અધિક કલેક્ટરશ્રી, ભરૂચની દેખરેખ તથા અધ્યક્ષપણા હેઠળ કરવામાં આવેલ.

ગુજરાત પ્રદૂષણ નિયંત્રણ બોર્ડના પ્રતિનિધિ તરીકે શ્રીમતી એમ. યુ. પટેલ, પ્રાદેશિક અધિકારી, જી.પી.સી.બી., ભરૂચએ લોક સુનાવણીમાં ઉપસ્થિત સૌને આવકાર્યા અને અધિક જીલ્લા મેજિસ્ટ્રેટશ્રી, ભરૂચની પરવાનગીથી લોક સુનાવણીની કાર્યવાહી શરૂ કરેલ. તેઓએ ઇઆઇએ નોટીફિકેશન અંતર્ગત વિવિધ જોગવાઈઓ અને લોકસુનાવણીની પ્રક્રિયા બાબતે સંક્ષિપ્ત માહિતી આપી. તેમણે લોક સુનાવણીની બહોળી પ્રસિધ્ધી અંગે ગુજરાત પ્રદૂષણ નિયંત્રણ બોર્ડ કરેલ કાર્યવાહી અંગે માહિતી આપી અને જણાવ્યું કે, સદર લોક સુનાવણી અંગે જાહેરખબર ગુજરાતી ભાષામાં "સંદેશ", "દિવ્ય ભાસ્કર" અને અંગ્રેજીમાં 'ઇકોનોમિક ટાઈમ્સ' માં તા. ૨૪/૦૬/૨૦૨૩ ના રોજ આપવામાં આવેલ હતી. ભરૂચ જિલ્લાના વાગરા તાલુકાના અસરગ્રસ્ત ગામોના તલાટી કમમંત્રી/ગ્રામપંચાયત ને સૂચિત પરિયોજનાનો ગુજરાતી ભાષામાં કાર્યકારી સારાંશ તથા ગુજરાતી તથા અંગ્રેજી જાહેરાતની નકલ આપવામાં આવેલ તથા સંબંધિત કચેરીઓને પણ કાર્યકારી સારાંશ (અંગ્રેજી તથા ગુજરાતી ભાષામાં) નકલ તથા જાહેરાતની નકલ આપવામાં આવી હતી. જેથી લોક સુનાવણીમાં બહોળી/મોટી સંખ્યામાં લોકો હાજર રહી શકે. વધુમાં એમને જણાવેલ કે લોક સુનાવણીની બહોળી પ્રસિધ્ધી ઇકો કાર દ્વારા અભ્યાસીય વિસ્તારમાં આવેલ ગામોમાં તા. ૨૪/૦૭/૨૦૨૩ અને ૨૫/૦૭/૨૦૨૩ ના રોજ માઇક એનાઉન્સમેન્ટ દ્વારા કરવામાં આવેલ. તદુપરાંત સ્થાનિક ટી.વી. ચેનલ નર્મદા ન્યુઝ ચેનલમાં ૨૪.૨૫.૨૬/૦૭/૨૦૨૩ ના રોજ ૧૧ વાગ્યા સુધી જાહેરાતથી પ્રસિધ્ધિ કરવામાં આવેલ.

શ્રીમતી એમ. યુ. પટેલ, પ્રાદેશિક અધિકારી, ગુજરાત પ્રદૂષણ નિયંત્રણ બોર્ડ અને સભ્ય સચિવશ્રી, ગુજરાત પ્રદૂષણ નિયંત્રણ બોર્ડના પ્રતિનિધિએ વધુમાં ફોરમને જણાવેલ કે લોક સુનાવણી અગાઉ સાત (૭) લેખિત રજુઆતો મળેલ છે. જેમાં (૧) નર્મદા પ્રદૂષણ નિવારણ સમિતિ, તા.-અંકલેશ્વર, જી.-ભરૂચ (૨) ગ્રામ પંચાયત-નાંદેડા, તા.-વાગરા, જી.-ભરૂચ (૩) શ્રી પટેલ જીતેન્દ્રભાઈ બબલભાઈ, જી.આઈ.ડી.સી. અંકલેશ્વર, જી.-ભરૂચ (૪) શ્રી મહેશ પંડ્યા, પર્યાવરણ સમિતિ, થલતેજ, જી.-અમદાવાદ, (૫) શ્રી ધર્મેશ મિસ્ત્રી, જી.-ભરૂચ (૬) શ્રી કમલેશ મઢીવાલા, સમસ્ત ભરૂચ જિલ્લા માછીમાર સમાજ, પ્રમુખશ્રી, વેજલપોર, જી.-ભરૂચ (૭) એમ.એસ.એચ. શેખ, બ્રેકીશ વોટર રિસર્ચ સેન્ટર, પ્રમુખશ્રી, તા. ઓલપાડ, જી.-સુરત તરફથી મળેલ છે. આ રજુઆતને તેમજ પરિયોજનાકારના પ્રત્યુત્તરનો કાર્યવાહી નોંધમાં સમાવેશ કરવામાં આવશે.

વધુમાં તેઓએ ઉમેર્યું કે સમગ્ર કાર્યવાહીનું ઓડીયો તથા વિડીયો રેકોર્ડિંગ થશે અને તે કાર્યવાહી નોંધ સાથે મોકલવામાં આવશે. આ લોક સુનાવણી દરમ્યાન મળતી તમામ વાંધા/સુચનો/રજુઆતોને આવરી લઈ કાર્યવાહી નોંધ તૈયાર કરી સક્ષમ સત્તામંડળને મોકલવામાં આવશે.

વધુમાં તેઓએ જણાવેલ કે સદર જાહેરનામાંની જોગવાઈ અનુસાર સ્થાનિક અસરગ્રસ્ત વિસ્તારના લોકો જ આ સુનાવણીમાં મૌખિક રજુઆત કરી શકશે જેનો કાર્યવાહી નોંધમાં સમાવેશ કરવામાં આવશે. તેઓએ સ્પષ્ટતા કરી કે સ્થાનિક અસરગ્રસ્ત વિસ્તાર સિવાયના અન્ય લોકો કે જે રજુઆત કરવા માંગતા હોય તો તેઓ લેખિતમાં રજુઆત કરી શકશે. આ લોક સુનાવણી સમિતિ, સુનાવણી દરમ્યાન રજુ થયેલ વાંધા/સુચનો/રજુઆતોને આવરી લઈને સંલગ્ન સક્ષમ સત્તાધીશને મોકલી આપશે. સદર સુચિત પરિયોજનાને મંજૂરી આપવા માટેનો નિર્ણય આ સમિતિએ લેવાનો થતો નથી.

ત્યારબાદ અધ્યક્ષશ્રીની પરવાનગીથી લોક સુનાવણીનો પ્રારંભ કરવામાં આવેલ. તેઓએ પરિયોજનાકારને તેમની સુચિત પરિયોજના વિશે, તેનાથી પર્યાવરણને થનાર સંભવિત અસરો તેમજ તેના નિવારણ માટે લેવામાં આવનાર પગલાં વિષયક સ્થાનિક ગુજરાતી ભાષામાં હાજર લોકોને પ્રેઝન્ટેશન દ્વારા માહિતગાર કરવા જણાવેલ.

ત્યારબાદ પ્રોજેક્ટ પ્રોપોઝન્ટના તકનીકી કન્સલ્ટન્ટ શ્રીમતી દિપ્તી પટેલ દ્વારા કંપનીનો પરીચય, પ્રોજેક્ટની રૂપરેખા, સુચિત પ્રોજેક્ટની ટેકનીકલ માહિતી, પર્યાવરણની વ્યવસ્થાપન પદ્ધતિ, તેની અસરો અને સૂચિત નિયંત્રણો, ઉપાયો તથા સૂચિત સામાજિક વિકાસની જવાબદારીની પ્રવૃત્તિઓ વિશે ગુજરાતી ભાષામાં પ્રેઝન્ટેશન દર્શાવ્યું.

પ્રેઝન્ટેશન પુર્ણ થયા બાદ પ્રાદેશિક અધિકારીશ્રી, જી.પી.સી.બી., ભરૂચ દ્વારા અધિક જીલ્લા મેજિસ્ટ્રેટશ્રી, ભરૂચની પરવાનગીથી સ્થાનિક અસરગ્રસ્ત લોકોની રજુઆતો/વાંધા/સુચનો માટે મંચ ખુલ્લો મુકવામાં આવેલ.

લોક સુનાવણી દરમ્યાન હાજર લોકો દ્વારા પુછવામાં આવેલ પ્રશ્નો/સુચનો/વાંધાઓ/અભિપ્રાય તેમજ રજુ કરવામાં આવેલ રજુઆતો તથા અરજદારના પ્રતિનિધિ દ્વારા આપવામાં આવેલ જવાબ નીચે મુજબ છે.

૬	શ્રી અરવિંદભાઈ ભીખાભાઈ વસાવા, ગામ: અંભેલ, તા. વાગરા, જિ. ભરૂચ	<ul style="list-style-type: none">તેઓએ જણાવેલ કે, મારી જમીનનું બીજા ખાતા નંબરમાં નામ ચાલે છે તેનો કોઈ નિકાલ આવેલ નથી તેમજ ખેતરની બાજુમાં રોડ પસાર થતો હોવાથી ખેતી કરવામાં મુશ્કેલી પડે છે. જેના નિરાકરણ માટેની બાંહેધરી લેખિતમાં આપવામાં આવે.	• -----	<ul style="list-style-type: none">પ્રાદેશિક અધિકારીશ્રી એ જણાવ્યું કે, આપનો પ્રશ્ન સુનાવણીને લાગત નથી તેમ છતાં તેની નોંધ લઈને આપ સહુના જમીનને લગતા સમાન પ્રશ્નોનું નિરાકરણ આવે તે માટે સંલગ્ન કચેરીને જાણ કરતા તેનું નિરાકરણ આવી શકે તેમ જણાવેલ.
૭	શ્રી પ્રકાશસિંહ ચંદ્રસિંહ રણા, ગામ: અંભેલ, તા. વાગરા, જિ. ભરૂચ	<ul style="list-style-type: none">તેઓએ જણાવેલ કે, શરૂઆતમાં એવું જણાવવામાં આવેલ કે, નાંદરખાનું પાણી પીવા યોગ્ય છે અને અંભેલનું પાણી પીવા યોગ્ય નથી તો તે પાણી પ્રદૂષિત થયું કઈ રીતે ? ટ્રીટમેન્ટ વગર પણ આ જ પાણી અમે ઉપયોગમાં લેતાં હતા તો હાલમાં આવી પરિસ્થિતિનું નિર્માણ કેમ થયું? શું નજીકમાં આવેલ ઉદ્યોગોને કારણે આ પરિસ્થિતિનું નિર્માણ થયેલ છે. તેમ પ્રશ્ન કરેલ.કોરોના વખતે જ્યારે જમીન સંપાદન કરવામાં આવેલ ત્યારે તેમણે ગામના ખેડૂતોને ભેગા કરીને મીટીંગનું આયોજન કરવું જોઈતું હતું. હવે જ્યારે લેન્ડ	<ul style="list-style-type: none">પરીયોજનાના તકનીકી પ્રતિનિધિ શ્રીમતી દિપ્તી પટેલએ જણાવેલ કે, નાંદરખા ગામના લેવાયેલા ભૂગર્ભ જળના નમૂના એ ઈચ્છનીય મર્યાદામાં છે જેથી તેનો સીધો ઉપયોગ પીવા માટે કરી શકાય છે અને બાકીના ગામોની અંદર ટ્રીટમેન્ટ થયા બાદ તે પાણીનો ઉપયોગ કરવો જોઈએ. તેમ જણાવેલ.• -----	<ul style="list-style-type: none">પ્રાદેશિક અધિકારીશ્રી એ જણાવ્યું કે, પીવાના પાણી બાબતે WHO ના સ્ટાન્ડર્ડ્સના આધારે પાણી પીવાલાયક છે કે નહિ તે નક્કી થાય છે. અહીં દરીયો નજીક હોવાથી ખારાશ વધુ હોવાના કારણે પીવા યોગ્ય નહીં હોય તે શક્ય છે.

		<p>લૂઝર અને પાક વળતરની વાત આવે ત્યારે કંપનીઓ દ્વારા એકબીજા ઉપર જવાબદારી થોપી દેવામાં આવે છે. તેમ રજૂઆત કરેલ.</p>		
૮	<p>શ્રી રણજીતસિંહ જશવંતસિંહ યાદવ, ગામ: અંબેલ, તા. વાગરા, જિ. ભરૂચ</p>	<ul style="list-style-type: none"> તેઓએ લોકસુનાવણી પોલીસની હાજરી ઉપરાંત બાઉન્સર પણ બોલાવેલ છે, તે બાબતે ચિંતા વ્યક્ત કરેલ તેમજ ખેડૂતોને ડરાવવા માટે આમ કરેલ છે તેવી રજૂઆત કરેલ. અહીં ઉપસ્થિતિ કલેક્ટર સાહેબશ્રીને વિનંતી છે કે, જ્યાં સુધી વિવાદિત જમીનનો ઉકેલ ન આવે ત્યાં સુધી વિવાદવાળી જમીનમાં કામ બંધ રાખવું અને વિવાદ વગરની જમીનમાં કામ ચાલુ રાખવું. 	<ul style="list-style-type: none"> પરિયોજનાના પ્રતિનિધિ શ્રી જી. બી. પટેલ (CEO-DSL) એ જણાવ્યું કે, બાઉન્સર તો DSLના સિક્યુરીટીના લોકો છે અને તેમને વ્યવસ્થાના ભાગ રૂપે બોલાવેલ છે. ----- 	<ul style="list-style-type: none"> અધ્યક્ષશ્રી એ જણાવ્યું કે, દરેક લોક સુનાવણીમાં વ્યવસ્થાના ભાગ રૂપે પોલીસને જાણ કરવામાં આવે છે. પ્રાદેશિક અધિકારીશ્રીએ જણાવ્યું કે, અહિંયા નિવાસી અધિક કલેક્ટર સાહેબ તેમજ પોલીસ તંત્ર ઉપસ્થિત છે તો ડરાવાની વાત ઉપસ્થિત થતી જ નથી અને તમે તમારી દરેક રજૂઆત કરી શકો છો. અધ્યક્ષશ્રી એ જણાવ્યું કે, સ્થાનિક લોકો દ્વારા આ અંગે રજૂઆત કરવામાં આવેલ હતી જે બાબતે અમે પ્રાંત ઓફિસરને તપાસ સોંપેલ છે. તેમના રીપોર્ટના આધારે યોગ્ય કાર્યવાહી કરવામાં આવશે.
૯	<p>શ્રી દીપકસિંહ રાજ, ગામ: વહીયાલ, તા. વાગરા,</p>	<ul style="list-style-type: none"> તેઓએ જણાવેલ કે, હાલમાં જણાવવામાં આવેલ કે, કોઈ એકમ 	<ul style="list-style-type: none"> ----- 	<ul style="list-style-type: none"> -----

જિ. ભરૂચ	<p>કે ઉદ્યોગ દ્વારા ખેડૂતને નુકસાની જાય તો તેના વળતર માટે કોર્ટમાં જવું. તેની સંપૂર્ણ જવાબદારી જી.પી.સી.બી. અને કલેક્ટર કચેરીની હોવી જોઈએ. જ્યારે કોર્ટમાં જઈએ ત્યારે વકીલો દ્વારા ૨૦-૩૦ ટકા કમીશન લેવામાં આવે છે. તો આ બધામાં નુકસાન કોને ?</p> <ul style="list-style-type: none"> • આ બાબતે કલેક્ટર સાહેબના અધ્યક્ષપણા હેઠળ એક ઉચિત કમિટીનું ગઠન કરવામાં આવે તેમ સુચન કરેલ. 	• -----	<ul style="list-style-type: none"> • ન્યાયાલય દ્વારા પાણી પ્રદૂષણને લઈ યુકાદો આપવામાં આવેલ છે કે, ખેડૂતોના વળતર માટે કલેક્ટરશ્રીના અધ્યક્ષપણા હેઠળ દરેક વિભાગને સંગઠિત કરીને એક કમિટીનું નિર્માણ કરવામાં આવે. તેમ છતાં તેઓએ એક રીપોર્ટ બનાવીને જિલ્લા અદાલતમાં આપવાનો હોઈ છે અને તેનો યુકાદો જિલ્લા ન્યાયાધીશ દ્વારા આપવામાં આવે છે.
	<ul style="list-style-type: none"> • આ વિસ્તારમાં બે વર્ષ પહેલાં ૨-૪-ડીના કારણે કપાસના પાકને નુકશાન બાબતે જી.પી.સી.બી. દ્વારા સેમ્પલીંગ કરેલ જેના વળતર આજદિન સુધી 	• -----	

		<p>કોઇ કાર્યવાહી થયેલ નથી તેવી રજુઆત કરેલ.</p> <ul style="list-style-type: none"> • કૃષિ વૈજ્ઞાનિકોના રીપોર્ટ પર જો યોગ્ય કાર્યવાહી કરવામાં આવતી નથી ખેડૂતોને વળતર આપવામાં આવતું નથી. તો પછી આવી કંપની બંધ કરી દેવામાં આવે તેમ જણાવેલ. • જ્યારે ખેડૂત કોઈ નુકસાન થાય છે તો વળતર મેળવવા તમારી યોગ્ય પોલીસી હોવી જોઈએ. અમે ખેડૂતો કોર્ટમાં જવા માટે બંધાયેલા હોવા ન જોઈએ. 		
<ul style="list-style-type: none"> • ત્યારબાદ અધ્યક્ષશ્રીએ જણાવ્યું કે, એસ.ઈ.એસ. દ્વારા દર્શાવેલ રીપોર્ટમાં રહેલ ક્ષતિ બાબતનો જવાબ આપવાનો રહેશે. • ગ્રીનબેલ્ટ તેમજ તેના વિકાસ, હોસ્પિટલ, શાળા, ઉદ્યાનો, રોડ-રસ્તાં તેમજ લેન્ડ લૂઝરને લગતી રજુઆતને ધ્યાન પર લેવામાં આવે. <p>ત્યારબાદ પ્રાદેશિક અધિકારીશ્રી તથા અધિક નિવાસી કલેક્ટરશ્રી ભરૂચ તરફથી પ્રોજેક્ટ પ્રપોનન્ટ નીચેના સુચનો ધ્યાને લેવા જણાવવામાં આવેલ:</p> <ul style="list-style-type: none"> • હાલની રજુઆતને ધ્યાને લઈ સંતુલિત વિકાસ કરવામાં આવે તો પાઇપ લાઇનથી ઉદ્ભવતા ઘણા પ્રશ્નો પહેલેથી જ ટાળી શકાય, જે માટે <ol style="list-style-type: none"> 1. હયાત ઔદ્યોગિક વસાહતોના પ્રશ્નોને ધ્યાને લઈ આવનાર વસાહતોમાં ભૂગર્ભ ગટરની વ્યવસ્થા ન રાખવી અને કલસ્ટર મુજબ સંપ બનાવી ઓવરહેડ લાઇનથી વેસ્ટ વોટરના નિકાલ કરવો જોઈએ. 2. વિસ્તારની ભૌગોલિક પરિસ્થિતિ અને છેલ્લા ૨૦ વર્ષના વરસાદનાં આંકડાને ધ્યાને લઈ કોઇ જરૂર જણાય તો એક્સ્પર્ટ દ્વારા વધુ સર્વે કરી સ્ટોર્મ વોટર ડ્રેનેજ બનાવવી, જેથી વિકાસના કારણે વરસાદના વહેણ રોકાવાની અને પાણી ભરાવવાની પરિસ્થિતિ ઊભી ન થાય. 3. પ્રોજેક્ટનો પેરીફેરીનો વિસ્તાર ગ્રીનબેલ્ટ માટે હોઇ જે આવનાર એકમો પાસે ગ્રીનબેલ્ટનો વિકાસ કરાવવો જોઈએ. 4. પ્રોજેક્ટ વિસ્તારમાંથી પસાર થતા કુદરતી નાળાને ન રોકવા અને નજીકની જમીનમાં પ્લાન્ટેશન થાય તે બાબતે જી.આઇ.ડી.સી. દ્વારા યોગ્ય આયોજન કરવું જોઈએ. 				

Dahej SEZ Ltd.

M/S. DAHEJ SEZ LIMITED

SIX MONTHLY COMPLIANCE REPORT OF ENVIRONMENTAL CLEARANCE

(PERIOD: OCTOBER 2024 TO MARCH 2025)

લોક સુનાવણી દરમિયાન શ્રી અનિલસિંહ દાદુભા ગોહિલ, દહેજ દ્વારા અસરગ્રસ્ત ગામના ખેડૂતવતી રજૂઆત કરવા આવેલ પરંતુ તેઓ પરીયોજનાના અસરગ્રસ્ત વિસ્તારના ન હોવાથી તેઓને તેમની રજૂઆત લેખિતમાં આપવા પ્રાદેશિક અધિકારીશ્રીએ જણાવેલ.

આમ લોક સુનાવણી પહેલા મળેલ રજૂઆતો જેને એનેક્સર-સી-૧ થી એનેક્સર-સી-૭ તરીકે અને તેના પ્રોજેક્ટ પ્રપોનન્ટ દ્વારા આપવામાં આવેલ પ્રત્યુત્તર એનેક્સર-ડી-૧ થી એનેક્સર-ડી-૭ તરીકે સામેલ છે. જ્યારે લોક સુનાવણી દરમિયાન અન્ય કુલ ૪ લેખિત રજૂઆતો (૧) કેસર કલમ, તા.-કડી, જી.-મહેસાણા (૨) કિસાન સંઘ, જી.-ભરૂચ (૩) શ્રી નરેશભાઈ પ્રભાતભાઈ ગોહિલ, તા.-વાગરા, જી.-ભરૂચ (૪) શ્રી સહદેવભાઈ ગંભીરભાઈ ગોહિલ, તા.-વાગરા, જી.-ભરૂચ મળેલ છે. જેનો આ કાર્યવાહી નોંધમાં એનેક્સર સી-૮ થી એનેક્સર સી-૧૧ તરીકે સામેલ કરેલ છે. તેનો પ્રોજેક્ટ પ્રપોનન્ટ દ્વારા આપવામાં આવેલ પ્રત્યુત્તર એનેક્સર ડી-૮ થી એનેક્સર ડી-૧૧ તરીકે આ સાથે સામેલ છે.

પ્રાદેશિક અધિકારી, ગુજરાત પ્રદૂષણ નિયંત્રણ બોર્ડ દ્વારા ઉપસ્થિત સ્થાનિક અસરગ્રસ્તોને અન્ય કોઈ રજૂઆત હોય તો તે કરવા માટે જણાવવામાં આવેલ પરંતુ અન્ય કોઈ રજૂઆત મળેલ ન હતી.

પ્રાદેશિક અધિકારી, ગુજરાત પ્રદૂષણ નિયંત્રણ બોર્ડ દ્વારા સમગ્ર લોક સુનાવણીની કાર્યવાહીનો સારાંશ ઉપસ્થિતોને ટુંકમાં જણાવવામાં આવેલ.

અંતમા અધ્યક્ષશ્રીની અનુમતિ સાથે લોક સુનાવણી આભાર સહ સમાપ્ત જાહેર કરવામા આવેલ.

Date: - 18th July, 2023

To,
Member Secretary,
Gujarat Pollution Control Board,
Gandhinagar.
membersecretarygpcb@gmail.com
ms-gpcb@gujarat.gov.in

Kind Attention: - Shri D.M.Thakar Saheb

Subject: - Public hearing of M/s. Dahej Sez Limited to be held on 26th July-2023.

Respected Sir,

CESCOM and its outfit Narmada Pradushan Nivaran Samiti (NPNS) is formed by vigilant group of citizens who are concerned for the Environment protection, pollution mitigation, Water bodies protection and preservation, Save Holy Narmada River in downstream of Dam and ecological balance thereby helping the local region, the community, the State as well as the Nation for Sustainable Development.

Sir Our approach is for the Good of all hence we in past initiated a healthy dialogue with all the stake holders to bring this large scale pollution and environmental issue and threat to Holy River Narmada which was the focal target of all five industrial estates discharged their effluents into it.

Sir Our conciliatory approach brought in visible change with all the stake Holders Viz the Industries, Gujarat Industrial Development Corporation (GIDC), Gujarat Pollution Control Board (GPCB), District administration etc. Which resulted in saving the region from the environment disaster to some extent.

*CESCOM and NPNS has achieved various landmarks for protection of Holy River Narmada and various other steps in mitigating pollution in the region including a landmark High Court order.

Sir, We have gone through the EIA report of the proposed SEZ in the villages of Bharuch district thoroughly.

Public hearing is being organised for this proposed SEZ and very limited time is given. The public hearing is scheduled on, 26th of July.

Sir, Why the Public hearing needs to be cancelled? The main pertinent reason are as under and various other reasons are as per the detailed in the enclosure to this letter as Annexure.

This is with reference to above subject matter, we have to state as under.

1) M/s. Dahej Sez Limited is an existing company located in Dahej only. Now, they are carrying out expansion activity. In the same area with the same name, they have acquired land and creating a second SEZ. Since, this is an expansion activity, the certified compliance report from MoEF & CC, as per the Ministry's Circular No. J-11011/618/2010-IA (II) (I) dated on 30/05/2012 is required. However, in the

draft report, nothing is mentioned regarding the certified compliance report of existing EC. As per our understanding, this is the duty of GPCB to check the complete niche of EIA report before putting to public consultation process.

2) At present Dahej GIDC is discharging its partly treated effluent. In sub-tidal zone of Narmada estuary (which is Serious criminal environmental offence). Criminal violation done by Dahej SEZ & GIDC, Gandhinagar is live example of how they function!

3) Case No. 60/2021 (filed by Aryavart Foundation) is already going on in Hon'ble NGT (West Zone), Pune as on today. GIDC, Dahej & CETP, Dahej are parties in the case. Hon'ble NGT (West Zone) has already fined Rs. 0.822 Crores to CETP, Dahej & Rs. 6.198 Crores to GIDC, Dahej on Feb. 2, 2022. The matter is sub-judice as of now. Any additional discharge in CETP, Dahej cannot be permitted at present as existing operation are already challenged in the court & fined by Hon'ble NGT. This is contempt of Court (Hon'ble NGT) matter!

4) CETP, Dahej is not giving any permission to any new member industries in their own Dahej estate as their capacity is fully booked since long. It is therefore highly surprising how 25 MLD untreated or partly treated effluent of this upcoming SEZ will be absorbed by CETP, Dahej for discharge? Please provide CETP information.

- 1) Total capacity of CETP plant at Dahej.
- 2) Consented capacity of CETP at Dahej.
- 3) Occupied capacity if CETP at Dahej.
- 4) Spare Capacity of CETP at Dahej.

This seems to be a pure assumption and beyond truth which has been highlighted by SEZ EIA agency in their report.

Therefore, what is the alternate scheme for effluent discharge by Upcoming SEZ needs to be studied and provided.

Besides this there are many lacunas in the report preparation and it seems some window dressing is done just to finish of the report.

Some basic questions are raised in our enclosure / Annexure which needs to be addressed sincerely and truthfully.

We object to this hurrying up of the public hearing for this SEZ as many pertinent questions/ comments need to be addressed first.

We request you to please withdraw the public consultation and ask M/s. Dahej SEZ Limited to bring certified compliance report.

Sir, we therefore look up to you as the Guardian of the District to kindly CANCEL this Public Hearing in LARGER Public interest.

Thanking you.

Yours truly,
For NPNS

Gujarat

collector-bha@gujarat.gov.in

ANNEUXURE

1) Narmada estuary is the only place of India for production of world famous "Hilsa" fish, which is sold in Local, India as well as International markets. Any water pollution in Narmada estuary (due to discharge of Dahej CETP in sub-tidal zone) will be detrimental for Hilsa fish .

2) There is only certificate of plagiarism check but results of plagiarism check is not given in this certificate in the EIA report by Dahej SEZ Ltd.!

3) It is mentioned that Industries which do not attract any provisions of EIA Notification, 2006, but covered under CTE/CTO (given on page no. V in executive summary of the EIA Report) will be accommodated in the park. Please give the name of such industries.

4) During Construction phase, there will not be generation of any flue gaseous emission! why? On page no. V in the executive summary, there is mentioned flue gas emission generation during operation phase only! Is it true?

5) Page no. 36, Section-2.1.3: why there is no mention of distance of villages from the project site – Pakhajan, Ambhel, Limdi?

6) How many numbers of industries will come in the IP, that is not mentioned in the EIA Report, only type of industries is mentioned. Without no. of each type of industries, how Industrial Park (without knowing pollution potential of the estate) can get EC?

- 7) Pollution load calculation is not given in the EIA Report. This is totally against common sense and just not acceptable from Dahej SEZ Ltd.! Pl. provide it.
- 8) Only low COD effluent stream is mentioned and it will be sent to CETP, Dahej which is already booked as on today.
- 9) High COD effluent stream's quality and quantity are not mentioned in the EIA Report! Why? Who is going to take care of high COD & high TDS effluent to be generated from member industries of IP of Dahej SEZ Ltd.?
- 10) Hazardous wastes generation are not given by industry wise, only two nos. of hazardous wastes will be generated i.e. used oil and discarded containers. Pollution load is not calculated by the Dahej SEZ Ltd. What about ETP sludge, MEE salt, distillation residue, Fly ash, Spent Acids, Spent Solvents, Spent Carbons, Spent Chemicals, Oily Waste Liners, Plastic Wastes, Used Batteries, etc. type of hazardous wastes? False and misleading information is given in the EIA Report.
- 11) Calculation of air emission is not given, how to predict the ambient air? There is no numbers given of flue gas emission as well as process gas emission. Give Quantity of air pollutant to be emitted from the Dahej SEZ Ltd. as well as member industries of Dahej SEZ Ltd.
- 12) Page no. 73, Figure 3.6, windrose is given of Dahej area and project site is located near to Saykha GIDC. Therefore, windrose is wrong and misleading. Simply this exercise is bypassed.
- 13) Dahej SEZ Ltd. did not monitor the pollutants i.e. HCl, Cl₂, HBr, Br₂, H₂S, pesticide, etc. why not monitored pollutants i.e. HCl, Cl₂, HBr, Br₂, H₂S, pesticide, etc. in ambient air quality. Are member industries of Dahej SEZ Ltd. not going to emit these type of pollutant gases? How can you authenticate it.
- 14) Member industries of existing SEZ do not give the employment to local people which is a mandatory provision. Who is responsible for that?

Because of Member industries, GIDC and SEZ says that this is not our responsibility during public hearing as well as there is no vacancy in industries. Is there any system/ provision to protect these locals interest?
- 15) If any accident will happen like Yashashavi Rasayan Ltd. Who will take responsibility of nearby affected villagers? Is their any Bank guarantee provided to take care of this.
- 16) As per TOR Point No.1, there is no cumulative pollution load of existing scenario (of existing Dahej SEZ Ltd.) as well as proposed industries of IP in this EIA report. Who will provide them? Pl Submit the same.
- 17) Pollution type and load of each and every industry in the proposed Industrial Park is not given in EIA Report. Who will provide them? Pl Submit.
- 18) The Dahej SEZ has been operating since last almost 15 years. Kindly share what amount of fund has been spent towards CSR/CER (Corporate Environmental Responsibility) activity for the local area and taluka and which were those activities.

Pl inform for the proposed SEZ that what is the proposed amount for the CSR/CER activities to be spent for the locals and the region and what are the activities under which it will spent.

ONCE WE GET REPLY WE CAN COMMENT FURTHER.

To,
NARMADA PRADUSAN NIVARAN SAMITI
1, OMPURI, BORWADI DIVA ROAD,
ANKLESHWAR.

Subject: Point wise query reply as per letter of Narmada Pradusan Nivaran Samiti dated 18th July 2023.

1. M/s. Dahej SEZ Limited is an existing company located in Dahej only. Now, they are carrying out expansion activity. In the same area with the same name, they have acquired land and creating a second SEZ. Since, this is an expansion activity, the certified compliance report from MoEF & CC, as per the Ministry's Circular No. J-11011/618/2010-IA (II) (I) dated on 30/05/2012 is required. However, in the draft report, nothing is mentioned regarding the certified compliance report of existing EC. As per our understanding, this is the duty of GPCB to check the complete niche of EIA report before putting to public consultation process.

M/s. Dahej SEZ Limited (DSL) has proposed to develop New Industrial park and Multi-product SEZ at Villages: Pakhajan, Ambhel and Limdi, Taluka: Vagra in Bharuch District. This is not an expansion project but a new project to be located in Villages: Pakhajan, Ambhel and Limdi, which is a different location. Hence, certified compliance report is not applicable to DSL.

2. At present Dahej GIDC is discharging its partly treated effluent. In sub-tidal zone of Narmada estuary (which is Serious criminal environmental offence). Criminal violation done by Dahej SEZ & GIDC, Gandhinagar is live example of how they function!

This question is not pertaining to our project as our project is newly proposed project which is yet to be developed/constructed.

3. Case No. 60/2021 (filed by Aryavart Foundation) is already going on in Hon'ble NGT (West Zone), Pune as on today. GIDC, Dahej & CETP, Dahej are parties in the case. Hon'ble NGT (West Zone) has already fined Rs. 0.822 Crores to CETP, Dahej & Rs. 6.198 Crores to GIDC, Dahej on Feb. 2, 2022. The matter is sub-judice as of now. Any additional discharge in CETP, Dahej cannot be permitted at present as existing operation are already challenged in the court & fined by Hon'ble NGT. This is contempt of Court (Hon'ble NGT) matter!

This question is not pertaining to proposed project.

4. CETP, Dahej is not giving any permission to any new member industries in their own Dahej estate as their capacity is fully booked since long. It is therefore highly surprising how 25 MLD

untreated or partly treated effluent of this upcoming SEZ will be absorbed by CETP, Dahej for discharge? Please provide CETP information.

- 1) Total capacity of CETP plant at Dahej.
- 2) Consented capacity of CETP at Dahej.
- 3) Occupied capacity of CETP at Dahej.
- 4) Spare Capacity of CETP at Dahej.

Details as per GIDC letter are given below:

- 1) Total capacity of CETP plant at Dahej: 40 MLD
- 2) Consented capacity of CETP at Dahej: 40 MLD
- 3) Occupied capacity of CETP at Dahej: 7 MLD
- 4) Spare Capacity of CETP at Dahej: 33 MLD

Annexures:

1) Narmada estuary is the only place of India for production of world famous "Hilsa" fish, which is sold in Local, India as well as International markets. Any water pollution in Narmada estuary (due to discharge of Dahej CETP in sub-tidal zone) will be detrimental for Hilsa fish.

GIDC/CETP Dahej is discharging treated effluent to deep sea as per Marine discharge Norms. For which they have already obtained EC and CRZ Clearance from MoEFCC.

2) There is only certificate of plagiarism check but results of plagiarism check is not given in this certificate in the EIA report by Dahej SEZ Ltd.!

We have already evaluated EIA Report in software of Plagiarism checker X version 7.0.5 and certificate of the same has been incorporated in EIA Report as per requirement of MoEFCC.

3) It is mentioned that Industries which do not attract any provisions of EIA Notification, 2006, but covered under CTE/CTO (given on page no. V in executive summary of the EIA Report) will be accommodated in the park. Please give the name of such industries.

At present, no allotment is made in IP & SEZ project. Name of industries will be made available once final allotment procedure is completed.

4) During Construction phase, there will not be generation of any flue gaseous emission! why? On page no. V in the executive summary, there is mentioned flue gas emission generation during operation phase only! Is it true?

Flue gas emission will be generated from stationery sources during operation phases.

5) Page no. 36, Section-2.1.3: why there is no mention of distance of villages from the project site – Pakhajan, Ambhel, Limdi?

Project site will be developed in villages of Pakhajan, Ambhel, Limdi. So, distance is not mentioned.

6) How many numbers of industries will come in the IP, that is not mentioned in the EIA Report, only type of industries is mentioned. Without no. of each type of industries, how Industrial Park (without knowing pollution potential of the estate) can get EC?

Dahej SEZ Limited

Block No. 14, 3rd Floor, Udyog Bhavan,
Sector-11, Gandhinagar-302017, Gujarat, India
Phone : +91-79-23241590,29750838
Fax : (079) 23241736
e-mail : ceo@dahejsez.com, info@dahejsez.com
website : www.dahejsez.com
CIN : U45209GJ2004PLC044779
GSTIN : 24AACCD8098E3ZJ

There are 52 Nos. of plots in proposed project of Dahej SEZ Limited. Total number of industries will be finalized after allotment of plots.

7) Pollution load calculation is not given in the EIA Report. This is totally against common sense and just not acceptable from Dahej SEZ Ltd.! Pl. provide it.

In proposed IP & SEZ, various types of industries will be housed. Pollution load in terms of water consumption and wastewater generation, treatment and disposal facility is incorporated in EIA report. Air emission load from proposed industries including flue gas emission and process gas emission is also included in chapter-4 of EIA report. Incremental Noise generation during the construction and operation phase has been carried out for the proposed project.

8) Only low COD effluent stream is mentioned and it will be sent to CETP, Dahej which is already booked as on today.

Approximately 25 MLD effluent is likely to be generated from all the member industries located in IP & SEZ. This effluent will be treated in the own units of member industry to the CETP inlet norms & then collected effluent will be pumped to CETP, Dahej for further treatment and ultimate disposal to sea by underground closed pipeline by GIDC. High COD stream will be treated by individual member units in their own premises.

9) High COD effluent stream's quality and quantity are not mentioned in the EIA Report! Why? Who is going to take care of high COD & high TDS effluent to be generated from member industries of IP of Dahej SEZ Ltd.?

Approximately 25 MLD effluent is likely to be generated from all the member industries located in IP & SEZ, which will be treated in the own units of member industry to the desired acceptable norms of CETP Dahej and ultimate disposal to sea by underground closed pipeline. High COD stream will be treated by individual member units in their own premises.

10) Hazardous wastes generation are not given by industry wise, only two nos. of hazardous wastes will be generated i.e. used oil and discarded containers. Pollution load is not calculated by the Dahej SEZ Ltd. What about ETP sludge, MEE salt, distillation residue, Fly ash, Spent Acids, Spent Solvents, Spent Carbons, Spent Chemicals, Oily Waste Liners, Plastic Wastes, Used Batteries, etc. type of hazardous wastes? False and misleading information is given in the EIA Report.

During operation phase, two nos. of hazardous wastes i.e. used oil and discarded containers will be generated from DG Set which will be installed at DSL Building.

During the operation phase, there is generation of Hazardous waste of Landfill waste, Incinerable (Co-processing), Recyclable waste and Reusable waste under Rule 9 permission from the member industries. Management and disposal of the same will be done as per Hazardous and Other Wastes

(Management and Transboundary Movement) Rules 2016 by the member industries. Details are mentioned in EIA/EMP Report.

11) Calculation of air emission is not given, how to predict the ambient air? There is no numbers given of flue gas emission as well as process gas emission. Give Quantity of air pollutant to be emitted from the Dahej SEZ Ltd. as well as member industries of Dahej SEZ Ltd.

Details are given in EIA/EMP Report on section 4.4.1.3 in chapter 4.

12) Page no. 73, Figure 3.6, windrose is given of Dahej area and project site is located near to Saykha GIDC. Therefore, windrose is wrong and misleading. Simply this exercise is bypassed.

Our proposed project falls under Dahej area of Vagra taluka. Hence, we have mentioned Dahej area in windrose diagram.

13) Dahej SEZ Ltd. did not monitor the pollutants i.e. HCl, Cl₂, HBr, Br₂, H₂S, pesticide, etc. why not monitored pollutants i.e. HCl, Cl₂, HBr, Br₂, H₂S, pesticide, etc. in ambient air quality. Are member industries of Dahej SEZ Ltd. not going to emit these type of pollutant gases? How can you authenticate it.

We have carried out baseline monitoring for all parameters for proposed project in nearby villages as per the guidelines and ToR given by MoEF&CC.

14) Member industries of existing SEZ do not give the employment to local people which is a mandatory provision. Who is responsible for that? Because of Member industries, GIDC and SEZ says that this is not our responsibility during public hearing as well as there is no vacancy in industries. Is there any system/ provision to protect these locals interest?

This question is not pertaining to proposed project. This is proposed project of IP & SEZ. However, the prevailing local employment norms will be followed by DSL and member industries as per government rules and regulations.

15) If any accident will happen like Yashashavi Rasayan Ltd. Who will take responsibility of nearby affected villagers? Is their any Bank guarantee provided to take care of this.

Compensation as decided by competent authority will be given.

16) As per TOR Point No.1, there is no cumulative pollution load of existing scenario (of existing Dahej SEZ Ltd.) as well as proposed industries of IP in this EIA report. Who will provide them? PI Submit the same.

We have carried out cumulative impact assessment study for proposed and existing industries for different environment attributes. Detailed air quality modeling including existing and proposed industries are carried out and interpretation of the same is given in EIA report.

Dahej SEZ Limited

Block No. 14, 3rd Floor, Udyog Bhavan,
Sector-11, Gandhinagar-302017, Gujarat, India
Phone : +91-79-23241590,29750836
Fax : (079) 23241736

website : www.dahejsez.com
CIN : U45209GJ2004PLC044779
GSTIN : 24AACCD8098E3ZJ

17) Pollution type and load of each and every industry in the proposed Industrial Park is not given in EIA Report. Who will provide them? PI Submit.

In proposed IP & SEZ, various types of industries will be housed. Pollution load in terms of water consumption and wastewater generation and treatment and disposal facility is incorporated in EIA report. Air emission load from proposed industries including flue gas emission and process gas emission is also included in EIA report. Incremental Noise generation during the construction and operation phase has been carried out for the proposed project. Various type of solid/hazardous waste will be generated from proposed IP and SEZ, which will be disposed off by individual member industries as per Hazardous Waste Rules 2016.

18) The Dahej SEZ has been operating since last almost 15 years. Kindly share what amount of fund has been spent towards CSR/CER (Corporate Environmental Responsibility) activity for the local area and taluka and which were those activities.

PI inform for the proposed SEZ that what is the proposed amount for the CSR/CER activities to be spent for the locals and the region and what are the activities under which it will spent.

Previously, M/s. Dahej SEZ Limited has contributed their part for improving the Socio-economic conditions of the surrounding area. The proponent has been actively engaged in social welfare activities from the past many years. Details of CSR activities carried out by DSL are also available on DSL website from year 2014 to till date. The details of the same has also mentioned in EIA Report.

For proposed project of Dahej SEZ limited, A budget of Rs. 7.835 Crore i.e. 0.5 % cost of the investment for the proposed project is allocated for Corporate Environment responsibility (CER) under proposed new project and will be implemented in next 4 year from receipt of Environment Clearance. M/s. DSL will focus on Education, Environment, Health care and Rural development project area and following activities will be covered in CER plan.

Thanking you

Yours faithfully,

J. B. Patel,

Chief Executive Officer.

DSL/AGENCY/EC/NEW SEZ/2021/1425/2023/ 1427

તારીખ : 03.0૮.૨૦૨૩

પ્રતિ,

નર્મદા પ્રદૂષણ નિવારણ સમિતિ
૧, ઓમપુરી, બોરવાડી-દિવા રોડ,
અંકલેશ્વર

વિષય : તા. ૧૮^{મી} જુલાઈ ૨૦૨૩ના નર્મદા પ્રદૂષણ નિવારણ સમિતિ ના પત્રનો મુદ્દાસર જવાબ

૧. મેસર્સ દહેજ સેઝ લિમિટેડ ફક્ત દહેજમાં સ્થિત છે. હવે, તેઓ વિસ્તરણ હાથ ધરી રહ્યા છે. આ જ નામથી તે જ વિસ્તારમાં, તેઓએ જમીન મેળવી છે અને બીજું એસઇએસ બનાવ્યું છે. આ એક વિસ્તરણ પ્રવૃત્તિ હોવાથી, ૩૦/૦૫/૨૦૧૨ના રોજના મંત્રાલયના પરિપત્ર નંબર J-11011/618/2010-IA (III) (I) મુજબ એમઓઇએફ અને સીસી તરફથી પ્રમાણિત અનુપાલન અહેવાલ આવશ્યક છે. જો કે, ફાઇટ રિપોર્ટમાં હાલના ઇસીના પ્રમાણિત અનુપાલન અહેવાલ અંગે કોઈ ઉલ્લેખ કરેલ નથી. અમારી સમજણ મુજબ જાહેર પરામર્શ પ્રક્રિયામાં મૂકતા પહેલા ઇઆઈએ રિપોર્ટના સંપૂર્ણ માળખાને તપાસવાની જીપીસીબીની ફરજ છે.

દહેજ સેઝ લિમિટેડ એ ગામ: પખાજણ, અંભેલ, લીમડી, તાલુકા: વાગરા, ભરૂચ જિલ્લા ખાતે ઔદ્યોગિક પાર્ક અને મલ્ટી પ્રોડક્ટ એસ.ઇ.એસ. (પ્રોજેક્ટ) વિકસાવવાની દરખાસ્ત કરી છે. આ કોઈ વિસ્તરણ પ્રોજેક્ટ નથી, પરંતુ પખાજણ, અંભેલ, લીમડી ગામમાં સ્થિત એક નવો પ્રોજેક્ટ છે, જે એક અલગ સ્થળ છે. તેથી, પ્રમાણિત અનુપાલન અહેવાલ અમને લાગુ પડતો નથી.

૨. હાલમાં દહેજ જીઆઈડીસી નર્મદા નદીના પેટા ભરતી ઝોનમાં (જે ગંભીર ગુનાઈત પર્યાવરણીય ગુનો છે) તેના અંશતઃ ટ્રીટેડ પાણીનો નિકાલ કરી રહી છે. દહેજ એસ.ઇ.એસ. અને જીઆઈડીસી, ગાંધીનગર દ્વારા કરવામાં આવેલ ફોજદારી ઉલ્લંઘન તેઓ કેવી રીતે કાર્ય કરે છે તેનું જીવંત ઉદાહરણ છે!

આ પ્રશ્ન અમારા પ્રોજેક્ટને લગતો નથી કારણ કે અમારો પ્રોજેક્ટ નવો પ્રસ્તાવિત પ્રોજેક્ટ છે જેનું નિર્માણ કરવામાં આવશે.

૩. કેસ નં. ૬૦/૨૦૨૧ (આર્યાવર્ત ફાઉન્ડેશન દ્વારા દાખલ કરવામાં આવેલ) માનનીય એનજીટી (વેસ્ટ ઝોન), પૂણેમાં ચાલી રહ્યો છે. જીઆઈડીસી, દહેજ અને સીઈટીપી, દહેજ સદર કેસમાં પક્ષકારો છે. માનનીય એનજીટી (વેસ્ટ ઝોન) એ ૨૭ ફેબ્રુઆરી, ૨૦૨૨ના રોજ સીઈટીપી દહેજને ૦.૮૨૨ કરોડ રૂપિયા અને જીઆઈડીસી દહેજને રૂ. ૬.૧૯૮ કરોડનો દંડ ફટકાર્યો છે. આ મામલો હાલ ન્યાયાધીન છે. સીઈટીપી, દહેજમાં કોઈપણ વધારાના ડિસ્ચાર્જને હાલમાં મંજૂરી આપી શકાતી નથી કારણ કે હાલની કામગીરીને કોર્ટમાં પડકારવામાં આવેલ છે અને માનનીય એનજીટી દ્વારા દંડ કરવામાં આવ્યો છે. આ કોર્ટનાં અપમાનની (માનનીય એનજીટી) બાબત છે।

ઉપરોક્ત પ્રશ્ન સૂચિત પરિયોજનાને સંબંધિત નથી.

૪. સીઈટીપી, દહેજ તેમની દહેજ એસ્ટેટમાં કોઈપણ નવા સભ્ય ઉદ્યોગોને કોઈ પરવાનગી આપી રહ્યું નથી કારણ કે તેમની ક્ષમતા લાંબા સમયથી સંપૂર્ણ રીતે બુક છે. તેથી ખૂબ જ આશ્ચર્યજનક છે કે સૂચિત એસ.ઇ.એડ. માંથી ૨૫ એમએલડી ટ્રીટ ન કરાયેલ અથવા આંશિક રીતે ટ્રીટ કરાયેલા ગંદા પાણીને સીઈટીપી, દહેજ દ્વારા નિકાલ માટે કેવી રીતે સમાવવામાં આવશે? સીઈટીપીની માહિતી આપવા વિનંતી.

૧. દહેજ ખાતેના સીઈટીપીની કુલ ક્ષમતા
૨. દહેજ ખાતેના સીઈટીપીની મંજૂર થયેલ ક્ષમતા
૩. દહેજ ખાતેના સીઈટીપીની ઉપયોગમાં લેવાયેલ ક્ષમતા
૪. દહેજ ખાતેના સીઈટીપીની શેષ ક્ષમતા

જીઆઈડીસીના પત્ર મુજબ માહિતી નીચે મુજબ છે :

૧. દહેજ ખાતેના સીઈટીપીની કુલ ક્ષમતા : ૪૦ એમએલડી
૨. દહેજ ખાતેના સીઈટીપીની મંજૂર થયેલ ક્ષમતા : ૪૦ એમએલડી
૩. દહેજ ખાતેના સીઈટીપીની ઉપયોગમાં લેવાયેલ ક્ષમતા : ૭ એમએલડી
૪. દહેજ ખાતેના સીઈટીપીની શેષ ક્ષમતા : ૩૩ એમએલડી

Dahej SEZ Limited

Block No. 14, 3rd Floor, Udyog Bhavan,
Sector-11, Gandhinagar-302017, Gujarat, India
Phone : +91-79-23241590,29750838
Fax : (079) 23241736
e-mail : ceo@dahejsez.com, info@dahejsez.com
website : www.dahejsez.com
CIN : U45209GJ2004PLC044779
GSTIN : 24AACCD8098E3ZJ

પરિશિષ્ટ:

૧. વિશ્વ વિખ્યાત "હિલસા" માછલીના ઉત્પાદન માટે નર્મદા નદીનું મુખ એક માત્ર સ્થળ છે, જે સ્થાનિક, ભારત તેમજ આંતરરાષ્ટ્રીય બજારોમાં વેચાય છે. નર્મદા નદીના મુખનાં પાણીનું કોઈપણ પ્રદૂષણ (દહેજ સીઈટીપીને સબ-ટાઈડલ ઝોનમાં છોડવાને કારણે) હિલ્સા માછલી માટે હાનિકારક બનશે.

જીઆઈડીસી/સીઈટીપી દહેજ, મરીન ડિસ્ચાર્જ ધોરણો મુજબ, ઊંડા સમુદ્રમાં ટ્રીટેડ ફ્લુઅન્ટ ડિસ્ચાર્જ કરી રહ્યું છે, જેના માટે તેઓએ એમઓઈએફ અને સીસી પારેથી ઈસી અને સીઆરઝેડ ક્લિયરન્સ મેળવ્યું છે.

૨. દહેજ સેઝ લિમિટેડ દ્વારા ઈઆઈએ રિપોર્ટમાં આ પ્રમાણપત્રમાં પ્લેજિયારિઝમ ચેકનું પ્રમાણપત્ર જ છે, પરંતુ પ્લેજિયારિઝમ ચેકના પરિણામો આપવામાં આવ્યા નથી!

પ્લેજિયારિઝમ ચેક, પ્લેજિયારિઝમ ચેકર X વર્ઝન ૭.૦.૫ સોફ્ટવેરની મદદથી હાથ ધરવામાં આવેલ અને તેનું પ્રમાણપત્ર, એમઓઈએફ અને સીસીની જરૂરિયાત મુજબ, ઈઆઈએ રિપોર્ટમાં સામેલ કરવામાં આવેલ છે.

૩. ઈઆઈએ રિપોર્ટમાં જણાવેલ છે કે જે ઉદ્યોગોને ઈઆઈએ જાહેનામાની જોગવાઈઓ લાગુ પડતી ન હોય, પરંતુ સીટીઈ/સીટીઓ લાગુ પડતું હોય એવા જ ઉદ્યોગોને સૂચિત પરિયોજનામાં સમાવવામાં આવશે. (કાર્યકારી સારાંશના પૃષ્ઠ ક્રમાંક-૫ પર જણાવ્યા મુજબ) આવા ઉદ્યોગોના નામ જણાવવા વિનંતી.

હાલમાં, આઈપી અને એસઈઝેડની સૂચિત પરિયોજનામાં કોઈ ફાળવણી કરવામાં આવેલ નથી. અંતિમ ફાળવણીની પ્રક્રિયા પૂર્ણ થયા બાદ ઉદ્યોગોના નામ ઉપલબ્ધ કરાવવામાં આવશે.

૪. બાંધકામના તબક્કા દરમિયાન ફ્લુ ગેસનું ઉત્સર્જન થશે નહીં! શા-માટે? કાર્યકારી સારાંશના પૃષ્ઠ ક્રમાંક-૫ પર જણાવ્યા મુજબ સંચાલનના તબક્કા દરમિયાન જ ફ્લુ ગેસનું ઉત્સર્જન થશે. શું આ સાચું છે?

સંચાલનના તબક્કા દરમિયાન સ્થિર સ્ત્રોતોમાંથી ફ્લુ ગેસનું ઉત્સર્જન થશે.

૫. ઈઆઈએ રિપોર્ટના પૃષ્ઠ ક્રમાંક-૩૬, વિભાગ ૨.૧.૩માં જણાવ્યા મુજબ પરિયોજના સ્થળ પખાજણ, અંભેલ અને લીમડી ગામથી અન્ય ગામનું અંતર શા-માટે જણાવવામાં આવેલ નથી?

પખાજણ, અંભેલ અને લીમડી ગામમાં ઉદ્યોગો સ્થાપવામાં આવનાર છે. તેથી અંતર જણાવવામાં આવેલ નથી.

૬. આઈપીમાં કેટલાં ઉદ્યોગો સ્થાપવામાં આવશે તેની માહિતી ઈઆઈએ રિપોર્ટમાં આપવામાં આવેલ નથી. માત્ર ઉદ્યોગોનાં પ્રકારનો ઉલ્લેખ કરવામાં આવેલ છે. ઉદ્યોગોની સંખ્યા વિના આઈપીને (એસ્ટેટની પ્રદૂષણની સંભાવના જાણ્યા વિના) ઈસી કઈરીતે મળશે?

દહેજ સેઝ લિમિટેડ વિવિધ ઉદ્યોગોને પર પ્લોટ્સ ફાળવશે. પ્લોટની ફાળવણી બાદ ઉદ્યોગોની કુલ સંખ્યા નક્કી કરવામાં આવશે.

૭. ઈઆઈએ રિપોર્ટમાં પ્રદૂષણ લોડની ગણતરી આપવામાં આવી નથી. આ વાત સામાન્ય બુદ્ધિની તદ્દન વિપરીત છે અને સ્વીકાર્ય નથી! સદર માહિતી પૂરી પાડવા વિનંતી.

સૂચિત આઈપી અને એસઈઝેડમાં, વિવિધ પ્રકારના ઉદ્યોગો સ્થપાશે. પાણીના વપરાશ અને ગંદાપાણીની ઉત્પત્તિ, ટ્રીટમેન્ટ અને નિકાલની સુવિધાના સંદર્ભમાં પ્રદૂષણનો લોડ ઈઆઈએ રિપોર્ટમાં સામેલ કરવામાં આવ્યો છે. ફ્લુ ગેસ ઉત્સર્જન અને પ્રક્રિયા ગેસ ઉત્સર્જન સહિત સૂચિત ઉદ્યોગોમાંથી હવાના ઉત્સર્જનનો લોડ પણ ઈઆઈએ રિપોર્ટમાં પ્રકરણ-૪માં સમાવવામાં આવેલ છે. સૂચિત પ્રોજેક્ટ માટે બાંધકામ અને કામગીરીના તબક્કા દરમિયાન અવાજના વધારા માટેનો અભ્યાસ હાથ ધરવામાં આવેલ છે.

૮. માત્ર નીચા સીઓડી એફ્લુઅન્ટ સ્ટ્રીમનો ઉલ્લેખ કરવામાં આવ્યો છે અને તે સીઈટીઈ, દહેજમાં મોકલવામાં આવશે જે આજની તારીખે સંપૂર્ણરીતે ભરાઈ ગયેલ છે.

આઈપી અને એસઈઝેડમાં સ્થિત તમામ સભ્ય ઉદ્યોગોમાંથી અંદાજે ૨૫ એમએલડી એફ્લુઅન્ટ ઉત્પન્ન થવાની સંભાવના છે. આ એફ્લુઅન્ટને સભ્ય ઉદ્યોગના એકમોમાં સીઈટીપી ઇનલેટના ધોરણો અનુસાર ટ્રીટ કરવામાં આવશે અને પછી એકત્ર કરાયેલું એફ્લુઅન્ટ વધુ ટ્રીટમેન્ટ માટે સીઈટીપી, દહેજમાં પમ્પ કરવામાં આવશે અને જીઆઈડીસી દ્વારા બંધ ભૂગર્ભ પાઇપલાઇન દ્વારા સમુદ્રમાં અંતિમ નિકાલ કરવામાં આવશે. ઉચ્ચ સીઓડી સ્ટ્રીમની ટ્રીટમેન્ટ પ્રત્યેક એકમો દ્વારા તેમના પોતાના પરિસરમાં કરવામાં આવશે.

૯. ઉચ્ચ સીઓડી ધરાવતાં એફલુઅન્ટની ગુણવત્તા અને જથ્થાનો ઈઆઈએ રિપોર્ટમાં ઉલ્લેખ કરવામાં આવ્યો નથી! શા માટે? દહેજ એસઈએડ લિ.ના આઈપીના સભ્ય ઉદ્યોગોમાંથી ઉત્પન્ન થનારા ઉચ્ચ સીઓડી અને ઉચ્ચ ટીડીએસ એફલુઅન્ટનું ધ્યાન કોણ રાખશે?

આઈપી અને એસઈએડમાં સ્થિત તમામ સભ્ય ઉદ્યોગોમાંથી અંદાજે ૨૫ એમએલડી એફલુઅન્ટ ઉત્પન્ન થવાની સંભાવના છે. આ એફલુઅન્ટને સભ્ય ઉદ્યોગના એકમોમાં સીઈટીપી ઇનલેટના ધોરણો અનુસાર ટ્રીટ કરવામાં આવશે અને પછી એકત્ર કરાયેલું એફલુઅન્ટ વધુ ટ્રીટમેન્ટ માટે સીઈટીપી, દહેજમાં પમ્પ કરવામાં આવશે અને જીઆઈડીસી દ્વારા બંધ ભૂગર્ભ પાઇપલાઇન દ્વારા સમુદ્રમાં અંતિમ નિકાલ કરવામાં આવશે. ઉચ્ચ સીઓડી સ્ટ્રીમની ટ્રીટમેન્ટ પ્રત્યેક એકમો દ્વારા તેમના પોતાના પરિસરમાં કરવામાં આવશે.

૧૦. જોખમી કચરાની ઉત્પત્તિ ઉદ્યોગ મુજબ આપવામાં આવેલ નથી, માત્ર યુઝ્ડ ઓઇલ અને ડિસ્કાર્ડ્સ કન્ટેનર રૂપે જોખમી કચરો પેદા થશે. દહેજ એસઈએડ લિમિટેડ દ્વારા પ્રદૂષણ લોડની ગણતરી કરવામાં આવેલ નથી. ઈટીપી સ્લજ, એમઈઈ સોલ્ટ, નિસ્યંદન અવશેષો, ફ્લાય એશ, સ્પેન્ટ એસિડ્સ, સ્પેન્ટ સોલવન્ટ્સ, સ્પેન્ટ કાર્બન, સ્પેન્ટ કેમિકલ્સ, ઓઇલી વેસ્ટ લાઇનર્સ, પ્લાસ્ટિક વેસ્ટ, વપરાયેલી બેટરી વગેરે પ્રકારના જોખમી કચરાનું શું? ઈઆઈએ રિપોર્ટમાં ખોટી અને ભ્રામક માહિતી આપવામાં આવી છે.

સંચાલનના તબક્કા દરમિયાન, ડીએસએલ બિલ્ડીંગમાં ઇન્સ્ટોલ કરવામાં આવેલ ડીજી સેટમાંથી યુઝ્ડ ઓઇલ અને ડિસ્કાર્ડ્સ કન્ટેનર રૂપે જોખમી કચરો પેદા થશે.

સંચાલનના તબક્કા દરમિયાન, સભ્ય ઉદ્યોગોમાંથી નિયમ લની પરવાનગી હેઠળ લેન્ડફિલ કચરો, ઈસીનરેબલ કચરો (સહ-પ્રક્રિયા), રિસાયકલ કરી શકાય તેવા કચરો અને ફરીથી વાપરી શકાય તેવો જોખમી કચરો ઉત્પન્ન થાય છે. સભ્ય ઉદ્યોગો દ્વારા જોખમી અને અન્ય કચરો (વ્યવસ્થાપન અને ટ્રાન્સબાઉન્ડરી મૂવમેન્ટ) નિયમો ૨૦૧૬ મુજબ તેનું સંચાલન અને નિકાલ કરવામાં આવશે. ઈઆઈએ/ઈએમપી રિપોર્ટમાં તેની વિગતોનો ઉલ્લેખ કરવામાં આવ્યો છે.

૧૧. હવાના ઉત્સર્જનની ગણતરી આપવામાં આવી નથી, આસપાસની હવાની આગાહી કેવી રીતે કરવી? ફ્લુ ગેસ ઉત્સર્જન તેમજ પ્રક્રિયા ગેસ ઉત્સર્જનની કોઈ ગણતરી આપવામાં આવી નથી. દહેજ એસઈએડ

લિમિટેડ તેમજ દહેજ એસઈઝેડ લિમિટેડના સભ્ય ઉદ્યોગોમાંથી ઉત્સર્જિત થતા હવા પ્રદૂષકનો જથ્થો આપો.

ઈઆઈએ/ઈએમપી રિપોર્ટમાં પ્રકરણ ૪ માં વિભાગ ૪.૪.૧.૩માં વિગતો આપવામાં આવી છે.

૧૨. પાન નં. ૭૩, આકૃતિ ૩.૬, દહેજ વિસ્તારનો વિન્ડરોઝ ડાયાગ્રામ આપવામાં આવ્યો છે અને પ્રોજેક્ટ સાઇટ સાયબા જીઆઈડીસીની નજીક આવેલી છે. તેથી, વિન્ડરોઝ ખોટું અને ભ્રામક છે.

અમારો પ્રસ્તાવિત પ્રોજેક્ટ વાગરા તાલુકાના દહેજ વિસ્તાર હેઠળ આવે છે. તેથી, અમે વિન્ડરોઝ ડાયાગ્રામમાં દહેજ વિસ્તારનો ઉલ્લેખ કર્યો છે.

૧૩. દહેજ એસઈઝેડ લિમિટેડએ આસપાસની હવાની ગુણવત્તામાં HCl, Cl₂, HBr, Br₂, H₂S, જંતુનાશક વગેરે જેવા પ્રદૂષકો શા-માટે મોનિટર કરેલ નથી? શું દહેજ સેઝ લિમિટેડના સભ્ય ઉદ્યોગો આ પ્રકારના પ્રદૂષક વાયુઓનું ઉત્સર્જન કરશે નહીં? તમે તેને કેવી રીતે પ્રમાણિત કરી શકો છો.

અમે એમઓઈએફ અને સીસી દ્વારા આપવામાં આવેલી માર્ગદર્શિકા અને ટીઓઆર મુજબ નજીકના ગામોમાં સૂચિત પ્રોજેક્ટ માટેના તમામ માપદંડો માટે બેઝલાઇન મોનિટરિંગ હાથ ધર્યું છે.

૧૪. હાલના એસઈઝેડ ના સભ્ય ઉદ્યોગો સ્થાનિક લોકોને રોજગાર આપતા નથી, જે ફરજિયાત જોગવાઈ છે. તેના માટે જવાબદાર કોણ? લોકસુનાવણી દરમિયાન જીઆઈડીસી અને એસઈઝેડ કહે છે કે આ અમારી જવાબદારી નથી તેમજ ઉદ્યોગોમાં કોઈ જગ્યા ખાલી નથી. શું સ્થાનિકોના હિતને સુરક્ષિત રાખવા માટે કોઈ સિસ્ટમ/જોગવાઈ છે?

આ પ્રશ્ન પ્રસ્તાવિત પ્રોજેક્ટને લગતો નથી. આ આઈપી અને એસઈઝેડનો પ્રસ્તાવિત પ્રોજેક્ટ છે. જો કે, સ્થાનિક રોજગારી માટે ડીએસએલ અને સભ્ય ઉદ્યોગો દ્વારા પ્રવર્તમાન સરકારી નિયમો અનુસરવામાં આવશે.

૧૫. જો યશધી રસાયણ લિ.ની જેમ કોઈ અકસ્માત થશે તો નજીકના અસરગ્રસ્ત ગ્રામજનોની જવાબદારી કોણ લેશે? શું તેમની કાળજી લેવા માટે કોઈ બેંક ગેરંટી આપવામાં આવી છે.

સક્ષમ સત્તામંડળ દ્વારા નક્કી કર્યા મુજબ વળતર આપવામાં આવશે.

૧૬. ટીઓઆરના પોઈન્ટ નંબર ૧ મુજબ, આ ઈઆઈએ રિપોર્ટમાં વર્તમાન પરિસ્થિતિ (હાલના દહેજ એસઈઝેડ લિ.ના) તેમજ આઈપીના સૂચિત ઉદ્યોગોનો કોઈ સંચિત પ્રદૂષણ ભારણ નથી. તેની માહિતી આપવા વિનંતી.

અમે વિવિધ પર્યાવરણ વિશેષતાઓ માટે સૂચિત અને હાલના ઉદ્યોગો માટે સંચિત અસર આકારણી અભ્યાસ હાથ ધર્યો છે. વર્તમાન અને સૂચિત ઉદ્યોગો સહિત વિગતવાર હવાની ગુણવત્તાનું મોડેલિંગ હાથ ધરવામાં આવે છે અને તેનું અર્થઘટન ઈઆઈએરિપોર્ટમાં આપવામાં આવ્યું છે..

૧૭. સૂચિત ઔદ્યોગિક પાર્કમાં પ્રદૂષણનો પ્રકાર અને દરેક ઉદ્યોગનો લોડ ઈઆઈએરિપોર્ટમાં આપવામાં આવ્યો નથી. આ માહિતી કોણ આપશે? તેની માહિતી આપવા વિનંતી.

સૂચિત આઈપી અને એસઈએડમાં, વિવિધ પ્રકારના ઉદ્યોગો સ્થાપવામાં આવશે. પાણીના વપરાશ અને ગંદાપાણીના ઉત્પત્તિ અને ટ્રીટમેન્ટ તેમજ નિકાલની સુવિધાના સંદર્ભમાં પ્રદૂષણનો લોડ ઈઆઈએરિપોર્ટમાં સમાવિષ્ટ કરેલ છે. સૂચિત પ્રોજેક્ટ માટે બાંધકામ અને કામગીરીના તબક્કા દરમિયાન અવાજના વધારા માટેનો અભ્યાસ હાથ ધરવામાં આવેલ છે. સૂચિત આઈપી અને એસઈએડમાં વિવિધ પ્રકારનો ધન/જોખમી કચરો ઉત્પન્ન થશે, જેનો નિકાલ જોખમી કચરાના નિયમો ૨૦૧૬ મુજબ પ્રત્યેક સભ્ય ઉદ્યોગો દ્વારા કરવામાં આવશે.

૧૮. દહેજ સેઝ છેલ્લા લગભગ ૧૫ વર્ષથી કાર્યરત છે. સ્થાનિક વિસ્તાર અને તાલુકા માટે સીએસઆર/સીઈઆર (કોર્પોરેટ એન્વાયર્નમેન્ટલ રિસ્પોન્સિબિલિટી) પ્રવૃત્તિ માટે કેટલી રકમ ખર્ચવામાં આવી છે અને તે કઈ પ્રવૃત્તિઓ હતી તે કૃપયા જણાવવા વિનંતી. સૂચિત એસઈએડમાં સ્થાનિકો અને વિસ્તાર માટે સીએસઆર/સીઈઆર પ્રવૃત્તિઓ માટે કેટલી રકમ ખર્ચવામાં આવશે અને તે કઈ પ્રવૃત્તિઓ હેઠળ ખર્ચવામાં આવશે?

અગાઉ, મેસર્સ દહેજ સેઝ લિમિટેડે આસપાસના વિસ્તારની સામાજિક-આર્થિક સ્થિતિમાં સુધારો કરવા માટે યોગદાન આપ્યું છે. પ્રપોનન્ટ છેલ્લા ઘણા સમયથી સામાજિક કલ્યાણની પ્રવૃત્તિઓમાં સક્રિયપણે જોડાવેલા છે. ડીએસએલ દ્વારા હાથ ધરવામાં આવેલી સીએસઆર પ્રવૃત્તિઓની વિગતો પણ ડીએસએલની વેબસાઇટ પર વર્ષ ૨૦૧૪થી અત્યાર સુધી ઉપલબ્ધ છે. ઈઆઈએરિપોર્ટમાં પણ તેની વિગતોનો ઉલ્લેખ કરવામાં આવ્યો છે.

દહેજ સેઝ લિમિટેડના સૂચિત પ્રોજેક્ટ માટે, રૂ.૭.૮૩૫ કરોડ એટલે કે સૂચિત પ્રોજેક્ટ માટેના રોકાણનો ૦.૫% ખર્ચ સૂચિત નવા પ્રોજેક્ટ હેઠળ કોર્પોરેટ એન્વાયર્નમેન્ટ રિસ્પોન્સિબિલિટી માટે ફાળવવામાં આવ્યો

તારીખ : 03.06.2023

પ્રતિ,

ગ્રામ પંચાયત - નાંદીડા

ગામ : નાંદીડા, તા. : વાગરા,

જિલ્લો : ભરૂચ

વિષય : તા. ૧૯મી જુલાઈ ૨૦૨૩ના ગ્રામ પંચાયત - નાંદીડાના પત્રનો મુદ્દાસર જવાબ

- ઉપરોક્ત લોક સુનાવણી સંદર્ભે, નાંદીડા ગામના તમામ ખેડૂતોની સામાન્ય સભામાં ચર્ચાના અંતે નીચે દર્શાવેલ વાંધાઓ રજૂ કરવામાં આવ્યા છે.
વાંધાઓનો મુદ્દાસર જવાબ આપવામાં આવેલ છે.
- નાંદીડા ગામના ખેડૂતો વિરોધમાં છે કારણ કે એક પણ ખેડૂત જમીન ધારકની જમીન સંપાદિત કરવામાં આવી નથી.
જીઆઈડીસી દ્વારા ઔદ્યોગિક પાર્ક માટે ગામ: પખાજણ, અંભેલ, લીમડી, તાલુકા: વાગરા, ભરૂચ જિલ્લા ખાતે જમીનનું સંપાદન કરવામાં આવેલ છે..
- પખાજણ, અંભેલ અને લીમડીની જમીન સંપાદિત કરવામાં આવી છે અને વિવિધ કંપનીઓ સ્થાપવા માટે પખાજણની જમીન સંપાદિત કરવામાં આવી છે. અમારું નાંદીડા ગામ પણ પ્રદૂષણથી પ્રભાવિત થશે કારણ કે તે પખાજણ ગામની સરહદને અડીને આવેલું છે. તેથી અમે નાંદીડા ગામના ખેડૂતો તેનો વિરોધ કરીએ છીએ.
પ્રત્યેક ઉદ્યોગો જીપીસીબી/એમઓઇએફની માર્ગદર્શિકા મુજબ યોગ્ય એપીસીએમ, ગંદા પાણીના નિકાલ માટે પર્યાપ્ત ટ્રીટમેન્ટ સ્કીમ પૂરી પાડશે તેમજ જોખમી કચરાનો નિકાલ કરશે. તમામ સભ્ય ઉદ્યોગો ૩૩% ગ્રીનબેલ્ટ વિકસાવશે, જે પ્રદૂષણ માટે અવરોધ તરીકે કામ કરશે. વધુમાં, ડીએસએલ અવાજ અને વાયુ પ્રદૂષણને નિયંત્રિત કરવા માટે પ્રોજેક્ટની પરિધમાં ૧૫ મીટર પહોળો ગ્રીનબેલ્ટ વિકસાવશે. ઇઆઈએ રિપોર્ટમાં જણાવ્યા મુજબ નિયમિત પર્યાવરણીય મોનિટરિંગ હાથ ધરવામાં આવશે.
- અમે, નાંદીડા ગામના ખેડૂતો વિવિધ કંપનીઓમાંથી ઉત્પન્ન થતા ગંદા પાણીના નિકાલ માટે અમારી જમીન આપવા માટે સંમત નથી અને કાંસ અથવા અન્ય કોઈપણ પદ્ધતિથી સરકારી જમીનમાં ગંદા પાણીના નિકાલ માટે અમે માટે પણ સંમત નથી. અમે તેનો સખત વિરોધ કરીએ છીએ.

ઉદ્યોગોમાંથી ઉત્પન્ન થતા કચરાને સીઇટીપી દહેજમાં ટ્રીટ કરવામાં આવશે અને જીઆઇડીસી પાઇપલાઇન દ્વારા ઊંડા સમુદ્રમાં નિકાલ કરવામાં આવશે. ઇઆઈએ રિપોર્ટમાં વિગતો આવરી લેવામાં આવી છે. હાલના કાંસ અથવા વરસાદી પાણીની ચેનલમાં કોઈ પણ ઉદ્યોગોમાંથી ઉત્પન્ન થતું ગંદુ પાણી છોડવામાં આવશે નહીં.

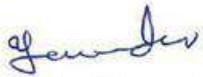

5. એસઈએડમાં પ્રદૂષિત અને બિન-પ્રદૂષિત ઉદ્યોગો સ્થપાશે, જેના કારણે વાયુ પ્રદૂષણ ઉત્પન્ન થશે અને કૃષિ પાક/ગ્રામવાસીઓ વાયુ પ્રદૂષણથી પ્રભાવિત થઈ શકે છે, જવાબદાર ઉદ્યોગો તેની લરપાઈ કરશે. સક્ષમ સત્તામંડળ દ્વારા નક્કી કર્યા મુજબ વળતર આપવામાં આવશે. સૂચિત ઔદ્યોગિક વસાહતમાં સ્થાપનાર પ્રત્યેક ઉદ્યોગો યુટિલિટી પર યોગ્ય એપીસીએમ લગાવશે અને જીપીસીબી/સીપીસીબી મુજબના ધોરણો જાળવશે.
6. દહેજ સેઝ લિમિટેડ માટેની લોક સુનાવણી ૨૬.૦૭.૨૦૨૩ ના રોજ પખાજણ ગામમાં આયોજિત થનાર છે. જો કે, ટાઉન પ્લાનર ઓફિસર, જીઆઇડીસી એસ્ટેટએ પણ નાંદીડા ગામના ખેડૂતો અને જમીન ધારકોને તે જ તારીખ એટલે કે ૨૬.૦૭.૨૦૨૩ ના રોજ ટી.પી સ્કીમ નં.૧૪ સમજવા માટે મીટિંગ માટે હાજર રહેવા વિનંતી કરી છે. આથી નાંદીડા ગામના ખેડૂતો લોકસુનાવણીમાં હાજર રહેશે નહીં. તેથી, તમને વિનંતી કરવામાં આવે છે કે નાંદીડા ગામના ખેડૂતો અને જમીન ધારકો/ગ્રામ પંચાયતને લેખિત જવાબમાં લોકસુનાવણીની કાર્યવાહીના અંતિમ પરિણામની જાણ કરવી.

આપનો મુલ્કે નોંધવામાં આવેલ છે. લોકસુનાવણીની કાર્યવાહીનું અંતિમ પરિણામ, ખેડૂતો અને જમીન ધારકો/ગ્રામ પંચાયત દ્વારા ઉઠાવવામાં આવેલા પ્રશ્નો અને તેમનાં લેખિત જવાબો એમઓએમ સહિત જીપીસીબીની વેબસાઇટ પર ઉપલબ્ધ રહેશે.

આભાર

આપનો વિશ્વાસુ,

વતી, દહેજ સેઝ લિમિટેડ

(મદદનીશ મેનેજર - એસ. & એમ.)

Date: 28.07.2023

To,

Gram Panchayat-Nandida,

Nandida, Tal: Vagra,

Dist: Bharuch

Subject: Point wise query reply as per letter of Gram Panchayat-Village Nandida dated 19th July 2023.

1. After the end of discussion in the general meeting of all the farmers of Nandida village, following objections are raised with reference to public hearing.

Point wise reply of objections is given.

2. Land of Farmers in Nandida villages is not acquired so all the farmers of the villages have raised an objection.

Land has been acquired by GIDC to develop Industrial Park and Multi Product SEZ at Villages: Pakhajan, Ambhel and Limdi, Taluka: Vagra in Bharuch District.

3. Land of Pakhajan, Ambhel and limdi has been acquired and housing of Multipurpose Company in villages, and Land of Pakhajan has been acquired. Our Nandida village will also be affected by pollution as it is adjacent to the border of Pakhajan Village. So we, farmers of Nandida village oppose the proposed project.

Individual Industries will provide appropriate APCM, adequate treatment scheme for treatment of effluent and Hazardous waste disposal as per GPCB/MoEFCC guideline. All the member industries will develop 33% greenbelt, which will act as barriers. Moreover, DSL will provide 15-meter-wide greenbelt in the periphery of the project to control the noise and air pollution. Regular Environment Monitoring will be carried out as mentioned in the EIA report.

4. We, Farmers of Nandida villages are not agreed to provide our land for disposal of effluent generated from Multi-purpose companies and we are also not agreed for disposal of effluent generated from the same in government land, by cash or any other mode in Nandida village. We are strictly opposing the same.

Effluent generated from the member industries shall be treated in CETP Dahej and will be disposed to deep sea to pipeline by GIDC. The details have been covered in EIA Report. No effluent will be discharged to existing kash or storm water channel.

5. There will be housing of polluting and non-polluting industries within SEZ area, due to which air pollution will be generated and agricultural crops/villagers may be affected by air pollution, responsible industries will compensate for the same.

Compensation as decided by competent authority will be given. Moreover, Individual industries to be housed in proposed IP & SEZ will provide appropriate APCM to utility and maintain GPCB/CPCB Norms.

6. The public hearing for Dahej SEZ Limited is scheduled on 26.07.2023 at Pakhajan villages. However, town planner officer, GIDC Estate has also requested farmers and land holders of Nandida village to remain present for the meeting to understand T.P Scheme no.14 on same date i.e.26.07.2023. Hence, the farmers of Nandida village will not remain present for the public hearing. So, you are requested to inform final outcome of public hearing proceeding in written response to farmers and land holders/Gram panchayat of Nandida village.

Noted, The final outcome of public hearing proceeding i.e MOM & written response to the queries raised by farmers and land holders'/Gram panchayat will be available on GPCB website.

Thanking you

Yours faithfully,

J. B. Patel

Chief Executive Officer.

ગુજરાત પ્રદુષણ નિયંત્રણ બોર્ડ,
ગાંધીનગર

માનનીયશ્રી,

સપિનય સાથે જણાવવાનું કે તારીખ ૨૬મી જુલાઈએ ભરૂચ જિલ્લાના વાગરા તાલુકાના પખાજણ ખાતે દહેજ સેઝ લીમીટેડ પ્રોજેક્ટની લોકપર્યાવરણ સુનવણી યોજાનાર છે તેમાં અમારા નીચે મુજબના પ્રશ્નો સૂચનો છે.

૧) આ વિસ્તારમાં રોજગારીનો પ્રશ્ન મુખ્ય છે. તેથી નવી આવનાર કંપનીઓમાં અસરગ્રસ્ત વિસ્તારના લોકોને રોજગારી મળી રહે તે માટે, તેમને પ્રાધાન્ય આપવામાં આવે તે માટે કોઈ ખાસ આયોજન કરવામાં આવ્યું છે. જણાવશો.

૨) આ વિસ્તારમાં એક પણ સારી હોસ્પિટલ નથી. તેથી કોઈ અકસ્માત થાય કે ઈમરજન્સી હોય ત્યારે ખૂબ તકલીફનો સામનો કરવો પડે છે. આપ એક સારી હોસ્પિટલ બાંધીને તેને કાર્યરત કરો તેવી અપેક્ષા છે.

Subject: Point wise query reply as per letter of Patel Jitendrakumar Babalbhai dated 18.07.2023.

1. **The issue of employment in this area is major. So, give us the plan and preference for employment of locals from affected villages in the upcoming industries of IP & SEZ.**

DSL/Member industries will give preference to local people based on their skills and qualifications. During the construction phase, around 700-1000 nos. will be employed and during the operation phase, 5000-7000 nos. will get employment in various member industries. Approximately 120 nos. will get employment directly and indirectly in proposed by DSL based on their skill and qualification. Preference will be given to the local people as per norms.

2. **There is no good hospital in this area. So when there is an accident or an emergency, you have to face a lot of trouble. We are expected to build and operate a good hospital.**

M/s. Dahej SEZ limited will establish an occupational health centre (OHC)/first-aid centre within the industrial park premises. Moreover, DSL has allocated fund of Rs. 235.04 lakhs for upgrade primary health centre in nearby villages.

Thanking You

Yours faithfully,

J. B. Patel

Chief Executive Officer.

Sub: EPH of M/s Dahej SEZ Limited At Village. Pakhajan, Ambhel and Limdi, Ta. Vagra, Dist. Bharuch.on 26-07-2023 at 11:00

Sir,
We have studied the draft EIA reports of the above-mentioned project. The following are our observations/comments/questions regarding the project and the draft EIA report.

1. Land Use - Agricultural land is reducing day by day in the name of development either it is Industrial development or Urban development Or Infrastructure development. Government should substitute/barter to convert agricultural land into the non-agricultural land. (Ref :S., Tattu & Shah, Dharmendra & N., Desai & B., Chauhan. (2009). Land use changes in Vagra Taluka, Bharuch District – Gujarat: An analysis with the application of Remote Sensing Data. Indian Cartographer. 28. 485-489.)

- Out of 715 Ha of land, how much area of land is agricultural?
- As agricultural land will be converting to Non-agricultural land, Is there any mitigation /substitute plan by proponent or government to convert similar area of kharpat (Brine), grazing, permanent pastures land, coastal land, salt pan land, desolate(barren) land, fallow land in to agricultural land in Vagra Taluka?
- In Vagra Taluka how many areas of agricultural land is going to be reduced from existing area of agricultural land due to this project site?
- Proponent should elaborate 4.4.5 Land Use/Land mentioned on page # 197

2. Land Acquisition - Draft EIA mentions, "Gujarat Industrial Development Corporation (GIDC) – Govt. of Gujarat undertaking has acquired land (Approx. 647.17 Hect.) for above said project of Dahej SEZ Limited and balance Govt. land (Approx. 37 Hect.) is under acquisition by competent authority." Kindly give details about

- How project proponent has acquired private agricultural land?
- Details about compensation provided to land owners
- Is there any equity partnership with land owner?
- Is there any commitment to provide employment to family members of land owners?
- mention of distance of villages (Pakhajan, Ambhel and Limdi) from the project site

3. Justify the SITE & SITE SECTION CRITERIA

According to Table 5.1: Alternative Site and other Parameters: Option 1 Parameter# 3 is shown as land available is insufficient, but parameter #4 Land type is shown as barren area i.e., minimum agricultural area. There are other non-agricultural plots adjacent to existing industries are available. CRZ clearance can be available to acquired more land.

Option 1 is more suitable as other infrastructure facilities are already available and very less agricultural land will be going to convert in industrial plot. Kindly Justify.

4. Socio-Economic Impacts

➤ What will be the plan to uplift the socio-economic level of local people? How much will the project proponent spend on improving social activities?

➤ What steps will be planned for betterment of human habitat of Pakhajan, Ambhel and Limdi Villages as during project phase they will be least affected but after manufacturing units will start their production, they will be going to force to sell or surrender their houses or surrounded by industries. Kindly justify.

5. Water table and related points

➤ Is there any impact on water table or on unconfined aquifer?

➤ "There will not be any changes on water table of surrounding area due to excavation, piling, boring, compacting etc." - Kindly justify.

➤ 2.5.2 Water requirement Page#52 mentions "Water shall be sourced from 1385 MLD (336 MGD) reservoir of GIDC, located at Rahiyad." Against requirement of 36 MLD, 1385 MLD reservoir is approved for GIDC requirements and that point of time Environment clearance was given.

➤ How GIDC can give 36 MLD from their own requirement? – kindly explain.

6. There is no mention of applicable legal and policy framework to the stake holders in draft EIA report. For e.g. Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013; The Panchayats Extension to Scheduled Areas (PESA) Act, 1996, The Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 etc. - Kindly give details.

7. Benefits to local people - What are the short term/medium term/long term costs and benefits of the proposed project for local people? State it clearly.

At present to take advantage/benefits of SEZ project proponent is developing SEZ, after some years if project will be converted to Non SEZ (Domestic Tariff Area DTA), What benefits will be pass on to land owners/stake holders?

8. Safety measures for nearby population - what will be your plan to aware nearby villagers about safety measures in case of an emergency?

9. Information about number of industries and possible pollution load - How many numbers of industries will be established in this project site? Draft EIA only mentioned type of industries. Without knowing number of each type of industries, how project proponent is estimated and put information about potential pollution load? Justify.

10. Local employment - How many local employees will get direct/indirect employment in this project?

11. Common Facilities to combat pollution – Kindly give details about common facilities like CETP, TSDF and effluent treatment pipeline for the industries going to establish in the SEZ.

12. CSR/CER activities - What will be the plan for CSR activities? Give exact details. Our demand is to use all industries CSR in collective manner which will be complimentary for betterment of local environment.

Yours Truly,

Mahesh Pandya

Subject: Point wise query reply as E-mail dated 25th July 2023.

1. Land Use - Agricultural land is reducing day by day in the name of development either it is Industrial development or Urban development Or Infrastructure development. Government should substitute/barter to convert agricultural land into the non-agricultural land. (Ref :S., Tattu & Shah, Dharmendra & N., Desai & B., Chauhan. (2009). Land use changes in Vagra Taluka, Bharuch District – Gujarat: An analysis with the application of Remote Sensing Data. Indian Cartographer. 28. 485-489.)

- Out of 715 Ha of land, how much area of land is agricultural?
- As agricultural land will be converting to Non-agricultural land, Is there any mitigation /substitute plan by proponent or government to convert similar area of kharpat (Brine), grazing, permanent pastures land, coastal land, salt pan land, desolate(barren) land, fallow land in to agricultural land in Vagra Taluka?
- In Vagra Taluka how many areas of agricultural land is going to be reduced from existing area of agricultural land due to this project site?
- Proponent should elaborate 4.4.5 Land Use/Land mentioned on page # 197

Reply: The land for the proposed project has been acquired by GIDC. Substitute/barter of land is policy of government.

2. Land Acquisition - Draft EIA mentions, "Gujarat Industrial Development Corporation (GIDC) – Govt. of Gujarat undertaking has acquired land (Approx. 647.17 Hect.) for above said project of Dahej SEZ Limited and balance Govt. land (Approx. 37 Hect.) is under acquisition by competent authority." Kindly give details about

- How project proponent has acquired private agricultural land?
- Details about compensation provided to land owners
- Is there any equity partnership with land owner?
- Is there any commitment to provide employment to family members of land owners?
- Mention of distance of villages (Pakhajan, Ambhel and Limdi) from the project site

Reply: The land for the proposed project has been acquired by GIDC. This is to inform you that, proposed project is to be developed in villages Pakhajan, Ambhel and Limdi. Hence, distance of the same is not mentioned.

3. Justify the SITE & SITE SECTION CRITERIA

According to Table 5.1: Alternative Site and other Parameters: Option 1 Parameter# 3 is shown as land available is insufficient, but parameter #4 Land type is shown as barren area i.e., minimum

agricultural area. There are other non-agricultural plots adjacent to existing industries are available. CRZ clearance can be available to acquired more land.

Option 1 is more suitable as other infrastructure facilities are already available and very less agricultural land will be going to convert in industrial plot. Kindly Justify.

Reply: Proposed Project will be developed in 715 hectares. In option 1, only 300 ha. of land is available which is insufficient to develop proposed industrial park and SEZ. As per point 11, Narmada river is located in 1.57 km which is environment sensitive area. Hence, we have not selected option 1.

4. Socio-Economic Impacts

- What will be the plan to uplift the socio-economic level of local people? How much will the project proponent spend on improving social activities?
- What steps will be planned for betterment of human habitat of Pakhajan, Ambhel and Limdi Villages as during project phase they will be least affected but after manufacturing units will start their production, they will be going to force to sell or surrender their houses or surrounded by industries. Kindly justify.

Reply:

- The prevailing local employment norms will be followed by the member industries as per government rules and regulations.
- The land for the proposed project has been acquired by GIDC. Hence, there is no R&R issue involved.

5. Water table and related points

- Is there any impact on water table or on unconfined aquifer?
- "There will not be any changes on water table of surrounding area due to excavation, piling, boring, compacting etc." - Kindly justify.
- 2.5.2 Water requirement Page#52 mentions "Water shall be sourced from 1385 MLD (336 MGD) reservoir of GIDC, located at Rahiyad." Against requirement of 36 MLD, 1385 MLD reservoir is approved for GIDC requirements and that point of time Environment clearance was given.
- How GIDC can give 36 MLD from their own requirement? – kindly explain.

Reply:

- There will be no impact on water table or on unconfined aquifer as water will be sourced from Rahiyad Reservoir and no ground water will be utilized.
- No, there will be no changes on water table of surrounding area due to excavation, piling, boring, compacting etc as water will be sourced from Rahiyad reservoir.
- 36 MLD of water will be sourced from 1385 MLD capacity of reservoir located at GIDC Rahiyad and permission for the same is already obtained from GIDC. Same is attached as Annexure – III of EIA report.
- Dahej SEZ Ltd. (DSL) is a company registered under the company's act, 1956 and is promoted jointly by Gujarat industrial development corporation (GIDC) and Oil & Natural Gas Corporation (ONGC) for development of Special Economic Zone (SEZ). Hence, GIDC will fulfill water requirement for proposed project.

6. There is no mention of applicable legal and policy framework to the stake holders in draft EIA report. For e.g. Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013; The Panchayats Extension to Scheduled Areas (PESA) Act, 1996, The Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 etc. - Kindly give details.

Dahej SEZ Limited

Block No. 14, 3rd Floor, Udyog Bhavan,
Sector-11, Gandhinagar-302017, Gujarat, India
Phone : +91-79-23241590,29750838
Fax : (079) 23241736
e-mail : ceo@dahejsez.com, info@dahejsez.com
website : www.dahejsez.com
CIN : U45209GJ2004PLC044779
GSTIN : 24AACCD8098E3ZJ

Reply: The land for the proposed project has been acquired by GIDC and no R&R is involved.

7. Benefits to local people - What are the short term/medium term/long term costs and benefits of the proposed project for local people? State it clearly.

At present to take advantage/benefits of SEZ project proponent is developing SEZ, after some years if project will be converted to Non SEZ (Domestic Tariff Area DTA), What benefits will be pass on to land owners/stake holders?

Reply: The upcoming industrial park is expected to bring ample of employment opportunities during the construction as well as operation phase. Moreover, increase the business growth of the region. Proposed project will have major physical benefit in infrastructure, green belt development and local development. Member industries will carry out CER/CSR activities for upliftment of local people/area. Revenue generation will also major benefits due to proposed project.

8. Safety measures for nearby population - what will be your plan to aware nearby villagers about safety measures in case of an emergency?

Reply: Necessary safety measures will be incorporated by individual industries as per Factory Rule 1948 during their operation phase. Unit will carry out mock drills to combat the emergency situation. Detailed Risk assessment study will be carried out by individual member industries. On-site and off-site emergency plan has been to overcome emergency situation. Specific mitigation measure with respect to chemical storage & handling, Process Safety Measures, Safety Measures for Preventive Maintenance etc is incorporated in Chapter -7 of EIA report.

9. Information about number of industries and possible pollution load - How many numbers of industries will be established in this project site? Draft EIA only mentioned type of industries. Without knowing number of each type of industries, how project proponent is estimated and put information about potential pollution load? Justify.

Reply: There are 52 Nos. of plots in proposed project of Dahej SEZ Limited. Total number of industries will be finalized after allotment of plots. In proposed IP & SEZ, various types of industries will be housed. These details of plots have been mentioned in section 2.2.3 of chapter 2 in EIA Report. Pollution load in terms of water consumption and wastewater generation and treatment and disposal facility is incorporated in EIA report. Air emission load from proposed industries including flue gas emission and process gas emission is also included in EIA report. Incremental Noise generation during the construction and operation phase has been carried out for the proposed project. Various type of solid/hazardous waste will be generated from proposed IP and SEZ, which will be disposed off by individual member industries as per Hazardous Waste Rules 2016.

10. Local employment - How many local employees will get direct/indirect employment in this project?

Reply: DSL/Member industries will give preference to local people based on their skills and qualifications. During the construction phase, around 700-1000 nos. will be employed and during the operation phase, 5000-7000 nos. will get employment in various member industries. Approximately 120 nos. will get employment directly and indirectly in proposed by DSL based on their skill and qualification. Preference will be given to the local people as per norms.

11. Common Facilities to combat pollution – Kindly give details about common facilities like CETP, TSDF and effluent treatment pipeline for the industries going to establish in the SEZ.

Reply: 25 MLD effluent is likely to be generated from all the member industries located in IP & SEZ. Which will be collected through above ground effluent network within IP & SEZ and diverted to common collection sump and further pumped to CETP, Dahej for treatment and ultimate disposal to sea by underground closed pipeline by GIDC.

Common Hazardous waste collection and treatment facilities of M/s. BEIL Dahej and M/s. Detox India Pvt. Ltd., etc. are available within 10 to 15 km of vicinity of project site. Member industries will get membership from respective facility and send their waste accordingly. No common facilities like CETP & TSDF site will be housed in proposed IP & SEZ.

12. CSR/CER activities - What will be the plan for CSR activities? Give exact details. Our demand is to use all industries CSR in collective manner which will be complimentary for betterment of local environment.

Reply: For proposed project of Dahej SEZ limited, A budget of Rs. 7.835 Crore i.e. 0.5 % cost of the investment for the proposed project is allocated for Corporate Environment responsibility (CER) under proposed new project and will be implemented in next 4 year from receipt of Environment Clearance. M/s. DSL will focus on Education, Environment, Health care and Rural development project area and following activities will be covered in CER plan. Member industries will follow CER/CSR norms as applicable.

Thanking you

Yours faithfully,

J. B. Patel

DSL/AGENCY/EC/NEW SEZ/2021/1425/2023/1430

તારીખ: 03.0૮.૨૦૨૩

પ્રતિ,
શ્રી મહેશ પંડ્યા
પર્યાવરણ મિત્ર,
૫૦૨, રાજ એવન્યુ, ભાઈકાકાનગર રોડ
થલતેજ, અમદાવાદ - ૩૮૦૦૫૯

વિષય : આપના તા.૨૫.૦૭.૨૦૨૩ના રોજના ઈમેઈલનો મુદ્દાસર જવાબ

૧. લેન્ડ યુઝ - ઔદ્યોગિક વિકાસ હોય કે શહેરી વિકાસ હોય કે માળખાગત વિકાસના નામે ખેતીની જમીન દિન પ્રતિદિન ઘટતી જાય છે. સરકારે ખેતીની જમીનને બિનખેતીની જમીનમાં રૂપાંતરિત કરવા બદલો/વિનિમય કરવો જોઈએ. (સંદર્ભ: એસ., તત્તુ અને શાહ, ધર્મેન્દ્ર અને એન., દેસાઈ અને બી., ચૌહાણ. (૨૦૦૯). વાગરા તાલુકા, ભરૂચ જિલ્લો - ગુજરાત: રિમોટ સેન્સિંગ ડેટાની એપ્લિકેશન સાથેનું વિશ્લેષણ. ભારતીય નકશાલેખક ૨૮. ૪૮૫-૪૮૯.)

- ૭૧૫ હેક્ટર જમીનમાંથી, જમીનનો કેટલો વિસ્તાર ખેતીલાયક છે?
- ખેતીની જમીન બિન-ખેતીની જમીનમાં રૂપાંતરિત થઈ રહી હોવાથી, વાગરા તાલુકામાં ખારપાટ (બિન), ગોચર, કાયમી ગોચરની જમીન, દરિયાકાંઠાની જમીન, મીઠાની જમીન, ઉજ્જડ જમીન, પડતર જમીનને ખેતીની જમીનમાં કન્વર્ટ કરવા માટે પ્રપોનન્ટ અથવા સરકાર દ્વારા કોઈ શમન/અવેજી યોજના છે??
- વાગરા તાલુકામાં આ પ્રોજેક્ટ સાઇટને કારણે ખેતીની જમીનના હાલના ક્ષેત્રફળમાંથી કેટલા વિસ્તારમાં ખેતીની જમીનમાં ઘટાડો થવાનો છે?
- પ્રપોનન્ટે ૪.૪.૫ જમીનનો ઉપયોગ/જમીન પુષ્ક નંબર ૧૯૭ પર ઉલ્લેખ કર્યો છે.

જવાબ : સૂચિત પ્રોજેક્ટ માટે જમીન જીઆઈડીસી દ્વારા સંપાદિત કરવામાં આવી છે. જમીનનો અવેજી/વિનિમય એ સરકારની નીતિવિષયક છે.

૨. જમીન સંપાદન - ડ્રાફ્ટ ઈઆઈએમાં જણાવેલ છે કે, "ગુજરાત ઔદ્યોગિક વિકાસ નિગમ (જીઆઈડીસી) - ગુજરાત સરકારના ઉપક્રમે દહેજ સેઝ લિમિટેડના ઉપરોક્ત પ્રોજેક્ટ માટે જમીન

(અંદાજે ૬૪૭.૧૭ હેક્ટર) સંપાદિત કરી છે અને શેષ સરકારી જમીન (અંદાજે ૩૭ હેક્ટર) સક્ષમ અધિકારી દ્વારા સંપાદન હેઠળ છે." નીચેની વિગતો આપવા વિનંતી.

- કેવી રીતે પ્રોજેક્ટના પ્રપોનન્ટે ખાનગી ખેતીની જમીન સંપાદિત કરી?
- જમીન માલિકોને આપવામાં આવેલા વળતર વિશેની વિગતો
- શું જમીન માલિક સાથે કોઈ ઈક્વિટી ભાગીદારી છે?
- શું જમીન માલિકોના પરિવારના સભ્યોને રોજગાર આપવા માટે કોઈ પ્રતિબદ્ધતા છે?
- પ્રોજેક્ટ સાઇટથી ગામડાઓ (પખાજણ, અંબેલ અને લીમડી) ના અંતરનો ઉલ્લેખ

જવાબ : સૂચિત પ્રોજેક્ટ માટે જમીન જીઆઈડીસી દ્વારા સંપાદિત કરવામાં આવી છે. પ્રસ્તાવિત પ્રોજેક્ટ પખાજણ, અંબેલ અને લીમડી ગામોની જમીનમાં વિકસાવવામાં આવનાર છે. તેથી, અંતરનો ઉલ્લેખ કરવામાં આવ્યો નથી.

૩. સાઇટ અને સાઇટના વિભાગના માપદંડને યોગ્ય ઠેરવો

કોષ્ટક ૫.૧ અનુસાર: વૈકલ્પિક સાઇટ અને અન્ય પરિમાણો: વિકલ્પ ૧ પરિમાણ # ૩ બતાવવામાં આવે છે કારણ કે ઉપલબ્ધ જમીન અપૂરતી છે, પરંતુ પરિમાણ ૩૪ જમીનનો પ્રકાર ઉજ્જડ વિસ્તાર એટલે કે, લઘુત્તમ કૃષિ વિસ્તાર તરીકે દર્શાવવામાં આવ્યો છે. હાલના ઉદ્યોગોને અડીને અન્ય બિન-કૃષિ પ્લોટ ઉપલબ્ધ છે. વધુ જમીન સંપાદિત કરવા માટે સીઆરઝેડ ક્લિયરન્સ મળી શકે છે.

વિકલ્પ ૧ વધુ યોગ્ય છે કારણ કે અન્ય માળખાકીય સુવિધાઓ પહેલેથી જ ઉપલબ્ધ છે અને ખૂબ ઓછી ખેતીની જમીન ઔદ્યોગિક પ્લોટમાં રૂપાંતરિત થશે. વ્યાજબી ઠેરવવા વિનંતી.

જવાબ : સૂચિત પ્રોજેક્ટ ૭૧૫ હેક્ટરમાં વિકસાવવામાં આવશે. વિકલ્પ ૧માં, માત્ર ૩૦૦ હે. જમીન ઉપલબ્ધ છે, જે સૂચિત ઔદ્યોગિક પાર્ક અને એસઈઝેડ વિકસાવવા માટે અપૂરતી છે. પોઈન્ટ ૧૧ મુજબ, નર્મદા નદી ૧.૫૭ કિમીમાં આવેલી છે, જે પર્યાવરણ સંવેદનશીલ વિસ્તાર છે. તેથી, અમે વિકલ્પ ૧ પસંદ કર્યો નથી.

૪. સામાજિક-આર્થિક અસરો

- સ્થાનિક લોકોના સામાજિક-આર્થિક સ્તરના ઉત્થાન માટે શું યોજના હશે? પ્રોજેક્ટ પ્રપોનન્ટ સામાજિક પ્રવૃત્તિઓમાં સુધારો કરવા માટે કેટલો ખર્ચ કરશે?
- પખાજણ, અંબેલ અને લીમડી ગામોના માનવ વસવાટને બહેતર બનાવવા માટે કયા પગલાઓ લેવામાં આવશે કારણ કે, પ્રોજેક્ટના તબક્કા દરમિયાન તેઓ ઓછામાં ઓછા પ્રભાવિત થશે પરંતુ મેન્યુફેક્ચરિંગ એકમો તેમનું ઉત્પાદન શરૂ કરશે પછી, તેઓ તેમના ઘરો વેચવા અથવા સોંપવા માટે દબાણ કરશે. વ્યાજબી ઠેરવવા વિનંતી.

જવાબ :

- સરકારના નીતિનિયમ મુજબ સભ્ય ઉદ્યોગોએ પ્રવર્તમાન સ્થાનિક રોજગાર અંગેના ધોરણોનું પાલન કરવાનું હોય છે.

Dahej SEZ Limited

Block No. 14, 3rd Floor, Udyog Bhavan,
Sector-11, Gandhinagar-302017, Gujarat, India
Phone : +91-79-23241590,29750838
Fax : (079) 23241736
e-mail : ceo@dahejsez.com, info@dahejsez.com
website : www.dahejsez.com
CIN : U45209GJ2004PLC044779
GSTIN : 24AACCD8098E3ZJ

- સૂચિત પ્રોજેક્ટ માટે જમીન જીઆઈડીસી દ્વારા સંપાદિત કરવામાં આવી છે. તેથી, તેમાં કોઈ વિસ્થાપન/પુનઃવસન લાગુ પડતું નથી.

૫. જળસ્તર અને સંબંધિત મુદ્દાઓ

- શું જળસ્તર પર અથવા અમર્યાદિત એક્વિફર પર કોઈ અસર થશે?
- "ખોદકામ, પાઈલિંગ, બોરિંગ, કોમ્પેક્ટીંગ વગેરેને કારણે આસપાસના વિસ્તારના જળસ્તર પર કોઈ ફેરફાર થશે નહીં." - વ્યાજબી ઠેરવવા વિનંતી.
- ર.પ.ર પાણીની જરૂરિયાત પૃષ્ઠપર પર ઉલ્લેખ કરેલ છે કે "રહિયાદ ખાતે સ્થિત જીઆઈડીસીના ૧૩૮૫ એમએલડી (૩૩૬ એમજીડી) જળાશયમાંથી પાણી મેળવવામાં આવશે." ૩૬ એમએલડીની જરૂરિયાત સામે, ૧૩૮૫ એમએલડી જળાશય જીઆઈડીસીની જરૂરિયાતો માટે મંજૂર થયેલ છે અને તે સમયે પર્યાવરણ મંજૂરી આપવામાં આવી હતી.
- જીઆઈડીસી પોતાની જરૂરિયાતમાંથી ૩૬ એમએલડી કેવી રીતે આપી શકે? - કૃપા કરીને સમજાવો.

જવાબ:

- જળસ્તર અથવા અમર્યાદિત જળચર પર કોઈ અસર થશે નહીં કારણ કે, રહિયાદના જળાશયમાંથી પાણી મેળવવામાં આવશે અને ભૂગર્ભ જળનો ઉપયોગ કરવામાં આવશે નહીં.
- ના, ખોદકામ, પાઈલિંગ, બોરિંગ, કોમ્પેક્ટીંગ વગેરેને કારણે આસપાસના વિસ્તારના જળસ્તરમાં કોઈ ફેરફાર થશે નહીં કારણ કે, રહિયાદ જળાશયમાંથી પાણી મેળવવામાં આવશે.
- જીઆઈડીસી રહિયાદ ખાતે આવેલા ૧૩૮૫ એમએલડી ક્ષમતાના જળાશયમાંથી ૩૬ એમએલડી પાણી મેળવવામાં આવશે અને તે માટેની પરવાનગી જીઆઈડીસી પાસેથી મેળવી લેવામાં આવી છે. પરવાનગીની નકલ ઈઆઈએ રિપોર્ટના પરિશિષ્ટ - III માં બિડેલ છે.
- દહેજ સેઝ લિમિટેડ (DSL) એ કંપનીના અધિનિયમ, ૧૯૫૬ હેઠળ નોંધાયેલ કંપની છે અને ગુજરાત ઔદ્યોગિક વિકાસ નિગમ (GIDC) અને ઓઈલ એન્ડ નેચરલ ગેસ કોર્પોરેશન (ONGC) દ્વારા સ્પેશિયલ ઈકોનોમિક ઝોન (SEZ) ના વિકાસ માટે સંયુક્ત રીતે પ્રમોટ કરવામાં આવે છે. જે જીઆઈડીસી સૂચિત પ્રોજેક્ટ માટે પાણીની જરૂરિયાત પૂરી કરશે.

૬. ડ્રાફ્ટ ઈઆઈએ રિપોર્ટમાં અસરગ્રસ્તોને લાગુ પડતા કાયદાકીય અને નીતિ માળખાનો કોઈ ઉલ્લેખ નથી. દા.ત. જમીન સંપાદન, પુનર્વસવાટ અને પુનર્વસન અધિનિયમ, ૨૦૧૩ માં યોગ્ય વળતર અને પારદર્શિતાનો અધિકાર; પંચાયતો વિસ્તરણ ટ્રિબિયુલ ઓરિયાઝ (PESA) અધિનિયમ, ૧૯૯૬, અનુસૂચિત

જનજાતિ અને અન્ય પરંપરાગત વનવાસીઓ (વન અધિકારોની માન્યતા) અધિનિયમ, ૨૦૦૬ વગેરે.- માહિતી આપવા વિનંતી.

જવાબ: સૂચિત પ્રોજેક્ટ માટે જમીન જીઆઈડીસી દ્વારા સંપાદિત કરવામાં આવી છે. તેથી, તેમાં કોઈ વિસ્થાપન/પુનઃવસન લાગુ પડતું નથી.

૭. સ્થાનિક લોકો માટે લાભો - સ્થાનિક લોકો માટે સૂચિત પ્રોજેક્ટના ટૂંકા ગાળાના/મધ્યમ ગાળાના/લાંબા ગાળાના ખર્ચ અને લાભો શું છે? સ્પષ્ટપણે જણાવો.

હાલમાં એસઈએડ પ્રોજેક્ટનો લાભ લેવા માટે પ્રોજેક્ટ પ્રોપોનેન્ટ એસઈએડ વિકસાવી રહેલ છે, જો કેટલાક વર્ષો પછી પ્રોજેક્ટને નોન એસઈએડ (ડોમેસ્ટિક ટેરિફ એરિયા ડીટીએ)માં રૂપાંતરિત કરવામાં આવશે, તો જમીન માલિકો/અસરગ્રસ્તોને શું લાભ આપવામાં આવશે?

જવાબ: સૂચિત ઔદ્યોગિક પાર્કમાં બાંધકામ તેમજ કામગીરીના તબક્કા દરમિયાન રોજગારીની પૂરતી તકો લાવશે તેવી ધારણા છે. તદુપરાંત, પ્રસ્તાવિત પ્રોજેક્ટથી વિસ્તારના વ્યવસાયિક વિકાસમાં વધારો થશે. સૂચિત પ્રોજેક્ટથી ઈન્ફ્રાસ્ટ્રક્ચર, ગ્રીનબેલ્ટ ડેવલપમેન્ટ અને સ્થાનિક વિકાસમાં મોટો ભૌતિક લાભ થશે. સભ્ય ઉદ્યોગો સ્થાનિક લોકો/વિસ્તારના ઉત્થાન માટે સીઈઆર/સીએસઆર પ્રવૃત્તિઓ હાથ ધરશે. સૂચિત પ્રોજેક્ટને કારણે રેવન્યુ જનરેશનને પણ મોટો ફાયદો થશે.

૮. નજીકની વસ્તી માટે સલામતીના પગલાં - કટોકટીની સ્થિતિમાં નજીકના ગ્રામજનોને સલામતીના પગલાં વિશે જાગૃત કરવા માટે તમારી યોજના શું હશે?

જવાબ: પ્રત્યેક ઉદ્યોગો દ્વારા ફેક્ટરી નિયમ ૧૯૪૮ મુજબ તેમના ઓપરેશન તબક્કા દરમિયાન જરૂરી સલામતીનાં પગલાં લેવામાં આવશે. કટોકટીની પરિસ્થિતિનો સામનો કરવા માટે યુનિટ મોક ડ્રીલ હાથ ધરશે. પ્રત્યેક ઉદ્યોગો દ્વારા વિગતવાર જોખમ મૂલ્યાંકન અભ્યાસ હાથ ધરવામાં આવશે. ઓન-સાઇટ અને ઓફ-સાઇટ ઇમરજન્સી પ્લાન કટોકટીની પરિસ્થિતિને પહોંચી વળવા માટે છે. રાસાયણિક સંગ્રહ અને હેન્ડલિંગ, પ્રક્રિયા સલામતીનાં પગલાં, નિવારક જાળવણી માટે સલામતીનાં પગલાં વગેરેના સંદર્ભમાં વિશિષ્ટ શમન માપદંડ ઈઆઈએ રિપોર્ટના પ્રકરણ -૭ માં સમાવિષ્ટ છે.

૯. ઉદ્યોગોની સંખ્યા અને સંભવિત પ્રદૂષણના લોડ વિશેની માહિતી - આ પ્રોજેક્ટ સાઇટ પર કેટલી સંખ્યામાં ઉદ્યોગો સ્થાપવામાં આવશે? ડ્રાફ્ટ ઈઆઈએ રિપોર્ટમાં માત્ર ઉદ્યોગોના પ્રકારનો ઉલ્લેખ કરે છે. દરેક પ્રકારના ઉદ્યોગોની સંખ્યા જાણ્યા વિના, પ્રોજેક્ટના પ્રોપોનેન્ટ કઈ રીતે અંદાજ લગાવેલ અને સંભવિત પ્રદૂષણ લોડ વિશે માહિતી કેવી રીતે મૂકવામાં આવેલ છે? વ્યાજબી ઠેરવવા વિનંતી.

જવાબ: દહેજ સેઝ લિમિટેડના સૂચિત પ્રોજેક્ટમાં પર પ્લોટ છે. પ્લોટની ફાળવણી બાદ ઉદ્યોગોની કુલ સંખ્યા નક્કી કરવામાં આવશે. સૂચિત આઈપી અને એસઈએડમાં, વિવિધ પ્રકારના ઉદ્યોગોને સ્થાપવામાં આવશે. ઈઆઈએ રિપોર્ટમાં પ્રકરણ ૨ ની કલમ ૨.૨.૩માં પ્લોટની આ વિગતોનો ઉલ્લેખ કરવામાં આવ્યો છે. પાણીના વપરાશ અને ગંદાપાણીની ઉત્પત્તિ, ટ્રીટમેન્ટ અને નિકાલની સુવિધાના સંદર્ભમાં પ્રદૂષણનો લોડ ઈઆઈએ રિપોર્ટમાં સામેલ કરવામાં આવ્યો છે. ફ્લુ ગેસ ઉત્સર્જન અને પ્રક્રિયા ગેસ

Dahej SEZ Limited

Block No. 14, 3rd Floor, Udyog Bhavan,
Sector-11, Gandhinagar-302017, Gujarat, India
Phone : +91-79-23241590,29750838
Fax : (079) 23241736

GSTIN : 24AACCD8098E3ZJ

ઉત્સર્જન સહિત સૂચિત ઉદ્યોગોમાંથી હવાના ઉત્સર્જનનો લોડ પણ ઈઆઈએ રિપોર્ટમાં સમાવવામાં આવેલ છે. સૂચિત પ્રોજેક્ટ માટે બાંધકામ અને કામગીરીના તબક્કા દરમિયાન અવાજના વધારા માટેનો અભ્યાસ હાથ ધરવામાં આવેલ છે. સૂચિત આઈપી અને એસઈએડમાંથી વિવિધ પ્રકારનો ધન/જોખમી કચરો ઉત્પન્ન થશે, જેનો નિકાલ જોખમી કચરાના નિયમો ૨૦૧૬ મુજબ પ્રત્યેક ઉદ્યોગો દ્વારા કરવામાં આવશે.

૧૦. સ્થાનિક રોજગાર આ પ્રોજેક્ટમાં કેટલા સ્થાનિક કર્મચારીઓને પ્રત્યક્ષ/પરોક્ષ રોજગાર મળશે?
જવાબ : ડીએસએલ/સભ્ય ઉદ્યોગો તેમની કુશળતા અને લાયકાતના આધારે સ્થાનિક લોકોને પ્રાધાન્ય આપશે. બાંધકામના તબક્કા દરમિયાન, લગભગ ૭૦૦-૧૦૦૦ લોકોને રોજગારી મળશે અને ઓપરેશનના તબક્કા દરમિયાન, ૫૦૦૦-૭૦૦૦ લોકોને વિવિધ સભ્ય ઉદ્યોગોમાં રોજગારી મળશે. અંદાજે ૧૨૦ લોકોને તેમની કૌશલ્ય અને લાયકાતના આધારે ડીએસએલ દ્વારા પ્રત્યક્ષ અને પરોક્ષ રીતે રોજગાર મેળવશે. સ્થાનિક લોકોને ધારાધોરણ મુજબ પ્રાધાન્ય આપવામાં આવશે.

૧૧. પ્રદૂષણનો સામનો કરવા માટે સામાન્ય સુવિધાઓ - કૃપા કરીને એસઈએડમાં સ્થાપિત થવા જઈ રહેલા ઉદ્યોગો માટે સીઈટીપી, ટીએસડીએફ અને એફલુઅન્ટ ટ્રીટમેન્ટ પાઇપલાઇન જેવી સામાન્ય સુવિધાઓ વિશે વિગતો આપો.

જવાબ: આઈપી અને એસઈએડમાં સ્થિત તમામ સભ્ય ઉદ્યોગોમાંથી ૨૫ એમએલડી એફલુઅન્ટ ઉત્પન્ન થવાની સંભાવના છે. જે અબોવ ગ્રાઉન્ડ એફલુઅન્ટના નેટવર્કથી આઈપી અને એસઈએડમાં ભેગું કરવામાં આવશે અને કલેક્શન સંપ તરફ વાળવામાં આવશે અને તેને પમ્પિંગ કરી સીઈટીપી દહેજમાં ટ્રીટમેન્ટ માટે અને અંડરગ્રાઉન્ડ બંધ પાઇપલાઇનથી ઊંડા સમુદ્રમાં આખરી નિકાલ જીઆઈડીસી કરશે. મેસર્સ બીઈઆઈએલ દહેજ અને મેસર્સ ડીટોક્સ ઈન્ડિયા પ્રા. લિ., વગેરે જોખમી કચરાને એકઠો કરવા અને ટ્રીટમેન્ટ માટે પ્રોજેક્ટ સાઇટની આસપાસના ૧૦ થી ૧૫ કિમીની અંદર ઉપલબ્ધ છે. સભ્ય ઉદ્યોગો સંબંધિત સુવિધામાંથી સભ્યપદ મેળવશે અને તે મુજબ તેમનો કચરાનો નિકાલ કરશે. સીઈટીપી અને ટીએસડીએફ સાઇટ જેવી સુવિધાઓ સૂચિત આઈપી અને એસઈએડ માં રાખવામાં આવશે નહીં.

૧૨. સીએસઆર/સીઈઆર પ્રવૃત્તિઓ - સીએસઆર પ્રવૃત્તિઓ માટે શું યોજના હશે? ચોક્કસ વિગતો આપો. અમારી માંગ છે કે તમામ ઉદ્યોગો સીએસઆર નો સામૂહિક રીતે ઉપયોગ કરે જે સ્થાનિક પર્યાવરણની સુધારણા માટે સ્તુત્ય હશે.

Dahej SEZ Ltd.

विषय : (1) INDUSTRIAL PARK (I.P.)AND MULTI PRODUCT S.E.Z(TA-VAGARA,D-BHARUCH)

की पर्यावरणीय लोक सुनवाई की टीका - टीप्पणी।

- (1) कंपनी कन्सल्टन्ट की QCI-NABET की तरफ से एप्रुव्ड किये हुए Functional Area Expert के नाम तथा उन्होंने कौन-कौन से एरिया के लिए काम किया है उसकी जानकारी तथा उसकी समय मर्यादा तथा उनके खुद के सही और स्टैम्प के साथ कोपी एम.ओ.एम. में लेने के लिए निवेदन।
- (2) कंपनी कन्सल्टन्ट के QCI-NABET के तरफ से एप्रुव्ड किये हुए Functional Area Expert स्थायी वेतनदार अधिकारी है कि नहीं उसकी जानकारी।
- (3) कंपनी कन्सल्टन्ट के QCI-NABET की ओर से एप्रुव्ड किये हुए Functional Area Expert जो बाहर से लिए गए हो तो उनके और कन्सल्टन्ट के बीच हुए करार की कोपी एम.ओ.एम. में लेने के लिए निवेदन।
- (4) कंपनी कन्सल्टन्ट के QCI-NABET की ओर से एप्रुव्ड किये हुए Functional Area Expert जो बाहर से लिए गए हो तो उनकी पर्यावरणीय लोक सुनवाई के ई.आई.ए. रिपोर्ट के लिए कौन-कौन सी कंपनीओं के लिए हस्ताक्षर दिये हैं और काम-किया है उसकी जानकारी।

[2]

- (5) कंपनी कन्सल्टन्ट के QCI-NABET की और से एप्रुव्ड किये हुए Functional Area Expert जो बाहर से लिए हों तो उनकी फीस चुकाने में आई है उसकी जानकारी।
- (6) कन्सल्टन्ट की पर्यावरणीय लोक सुनवाई और इस प्रोजेक्ट के बारे में क्या जिम्मेवारी बनती है उसकी जानकारी।
- (7) कंपनी ने कन्सल्टन्ट को इस प्रोजेक्ट के लिए कितनी फीस चुकाई है उसकी जानकारी तथा कंपनी और कन्सल्टन्ट के बीच किये हुए करार की कोपी एम.ओ.एम. में रखने का निवेदन।
- (8) कंपनी के कन्सल्टन्ट ने ई.आई.ए. रिपोर्ट के अंदर जो डोक्युमेन्ट ACCREDITATION CERTIFICATE की तरह देने में आये हैं। वो आज की तारीख में मान्य हो तो उसकी वेरीफाई की हुई कोपी पर उत्तरदायी अधिकारी द्वारा हस्ताक्षर और मोहर लगाके एम.ओ.एम. में लेने के लिए निवेदन।
- (9) NABET-QCI मान्यता प्राप्त एकीडीटेशन सर्टीफिकेट एम.ओ.एम. में लेना।
- (10) ई.आई.ए. रिपोर्ट का प्रेजन्टेशन करनेवाले व्यक्ति का नाम, पद तथा संस्था का नाम, पता, कंपनी का आईडी प्रुफ तथा उसके सरकारी आई.डी. प्रूफ की जेरोक्स कापी एम.ओ.एम. में रखने का निवेदन है।
- (11) कन्सल्टन्ट ने कौन-कौन सी कंपनी के लिए ड्राफ्ट ई.आई.ए. रिपोर्ट बनाई है उस कंपनी का नाम और जानकारी। (दि.01/01/2015 से दि.20/07/2023 तक)
- (12) SLEAC की और से कंपनी को दिये हुए ToR का Compliance की हकीकत 100 प्रतिशत सत्य है या नहीं उसकी जानकारी दी जाए।
- (13) QCI-NABET की कन्सल्टन्टने कितनी फीस चुकाई गई है उसकी रसीद (पावती) के उपर हस्ताक्षर-मोहर करके एम.ओ.एम. में रखने का निवेदन।
- (14) QCI-NABET के नियमानुसार कन्सल्टन्ट ने लिए गये बाहर के अस्थायी Functional Area Expert ने एक वर्ष के दौरान कितने EIA रिपोर्ट में नाम लिख के हस्ताक्षर कर सकते हैं उसका विवरण बताने का निवेदन है।
- (15) आज तक कितने वृक्ष बोये हैं या लगाये हैं उसका विवरण। वृक्षों के लिए पानी कहाँ से लिया गया उसका विवरण। पानी यदि बेचा हुआ लिया गया है तो बिल एम.ओ.एम. में रखे। रोपण किये हुए वृक्षों की जिडिटर फोटो तारीख के साथ लेना।

[3]

- (16) SLEAC की और से कंपनी को दिये हुए ToR का Compliance की हकीकत 100 प्रतिशत सत्य हो तो उसकी पुष्टि कंपनी लिखित में प्रस्तुत करे।
- (17) लेन्डलुजर्स के नाम, पता एम.ओ.एम. मे लेना का निवेदन।
- (18) कंपनी शुरु होने के बाद सभी कर्मचारियों के नाम बाहर गेट के उपर प्रदर्शित करने में आये तथा 85 प्रतिशत स्थानिक कर्मचारियों को रोजगारी देने में आये।
- (19) इस प्रोजेक्ट के अंतर्गत असरग्रस्त विस्तार के अलावा बाहर के कर्मचारियों तथा कंपनी के कर्मचारी के कंपनी अकस्मात से किसी भी प्रकार का नुकसान होगा तो कंपनी की जिम्मेवारी बनेगी एसा शपथपत्र नोटरी के साथ जो आमने-सामने किया हो और कंपनी या कंपनी के किसी जिम्मेदार अधिकारी का शपथपत्र एम.ओ.एम. में प्रस्तुत करे।
- (20)
- (21) कन्सल्टन्ट ने QCI-NABET के एक्क्रेडिटेशन सर्टीफिकेट (प्रमाणपत्र) पाने के लिए किया गया आवेदन और आवेदन के साथ प्रस्तुत किये गये डोक्युमेन्ट की कोपी (नकल) एम.ओ.एम. में रखने का निवेदन।
- (22) ई.आई.ए. रीपोर्ट का प्रेजन्टेशन करनेवाले व्यक्ति किस तारीख, महीने तथा वर्ष में संस्था के साथ जुडे है उसकी सारी जानकारी।
- (23) पर्यावरणीय लोक सुनवाई में तथा इस प्रोजेक्ट में ई.आई.ए. रीपोर्ट का प्रेजन्टेशन करनेवाले व्यक्ति की जिम्मेदारी के विषय में सारा विवरण बताने का निवेदन।
- (24) असरग्रस्त विस्तार के कुल कितने लोग अंग्रेजी भाषा के जानकार है उसकी जानकारी।
- (25) असरग्रस्त विस्तार के विभिन्न गांवो पर आधारित जनसंख्या की जानकारी एम.ओ.एम. मे रखने का निवेदन।
- (26) असरग्रस्त विस्तार के लोगों की शैक्षणिक लायकात कितनी है वो विभिन्न गाँव के मुताबीक जानकारी।
- (27) इस प्रोजेक्ट के अंतर्गत असरग्रस्त विस्तार के लोगों को कंपनी के कर्मचारियों को कंपनी अकस्मात से किसी भी प्रकार का नुकसान नहीं होगा एसा गारंटी शपथपत्र नोटरी के साथ कंपनी अथवा कंपनी के जिम्मेदार अधिकारी का शपथपत्र एम.ओ.एम. मे प्रस्तुत करने का निवेदन है।

[4]

- (29) इस प्रोजेक्ट के अंतर्गत असरग्रस्त विस्तार के साथ साथ बाहर के लोगों तथा कंपनी के कर्मचारी के कंपनी अकस्मात से किसी भी प्रकार का नुकसान नहीं होगा एसा शपथपत्र नोटरी के साथ जो आमने-सामने किया हो और कंपनी या कंपनी के किसी जिम्मेदार अधिकारी का शपथपत्र एम.ओ.एम. में प्रस्तुत करने का निवेदन है।
- (30) इस प्रोजेक्ट से असरग्रस्त विस्तार के लोगों को तथा कंपनी के कर्मचारी को कंपनी अकस्मात से किसी भी प्रकार का नुकसान हुआ तो कन्सल्टन्ट की जिम्मेदारी बनती है या नहीं उसकी पूरी जानकारी प्रस्तुत करने का निवेदन है।
- (31) आप कोर्पोरेट सोशल रिस्पॉन्सिबिलिटी में क्या कार्य करनेवाले हैं?
- (32) कंपनी अकस्मात के समय का आसपास के गाँव के लोगों का और असरग्रस्त लोगों का बीमा निकालनेवाली है?
- (33) आसपास के गाँव के लोगों की ओफसाईट इमरजन्सी के वक्त क्या करना है उसके बारे में कैसे जानकारी देनेवाले हैं?
- (34) कंपनी कन्सल्टन्टने इस प्रोजेक्ट के इ.आई.ए. रिपोर्ट बनाने में अगर कोई गलती की हो तो उसके खिलाफ पुलिस शिकायत हो सकती है या नहीं?
- (35) कंपनी कन्सल्टन्टने इस प्रोजेक्ट के इ.आई.ए. रिपोर्ट बनाने में अगर कोई गलती की हो तो उसके खिलाफ पुलिस शिकायत हो सकती है तो उसकी जानकारी कलम और कायदा के तदनुसार जानकारी दे।
- (36) इस प्रोजेक्ट के अंतर्गत असरग्रस्त विस्तार के लोगों को तथा कंपनी के कर्मचारीओं को कंपनी अकस्मात से किसी भी प्रकार का नुकसान होगा तो कंपनी की जिम्मेदारी बनेगी एसा गारंटी शपथपत्र नोटरी के साथ कंपनी अथवा कंपनी के जिम्मेदार अधिकारी का शपथपत्र एम.ओ.एम. में प्रस्तुत करने का निवेदन।

नोंध : इस पत्र का प्रत्युत्तर हिन्दी भाषा में देने का निवेदन है।

प्रति,
श्री धर्मेश मिस्त्री,
दुकान नंबर १०, ओम कॉम्प्लेक्स,
जिला न्यायालय के सामने,
भरुच।

विषय: धर्मेश मिस्त्री के दिनांक 25 ^{नवंबर} 2023 के पत्र के अनुसार बिंदुवार प्रश्न उत्तर ।

- 1 अनुरोध है कि कंपनी के क्यूसीआई एनएबीईटी अनुमोदित कार्यात्मक क्षेत्र विशेषज्ञ/एमओएम में सलाहकार का नाम उन क्षेत्रों के विवरण के साथ शामिल करें जिनके लिए उन्होंने काम किया, इसकी अवधि और उनके हस्ताक्षर और मुहर।
शामिल कार्यात्मक क्षेत्र विशेषज्ञों का विवरण, उनके क्षेत्र और उनके कार्य की अवधि उनके हस्ताक्षर के साथ है दिशानिर्देश के अनुसार घोषणा में ईआईए रिपोर्ट में प्रदान किया गया। सभी विशेषज्ञ NABET अनुमोदित हैं और उनकी मंजूरी का विवरण वेबसाइट पर उपलब्ध है।
- 2 कंपनी के सलाहकार द्वारा नियुक्त क्यूसीआई एनएबीईटी अनुमोदित एफएई स्थायी वेतनभोगी अधिकारी हैं या नहीं, इसका विवरण।
ईआईए रिपोर्ट तैयार करने के लिए शामिल सभी कार्यात्मक क्षेत्र विशेषज्ञ QCI-NABET से अनुमोदित हैं। सलाहकार संगठन के लिए विशेषज्ञ घरेलू और सूचीबद्ध विशेषज्ञ काम कर रहे हैं। सभी विशेषज्ञ ईसीएसएस के पेट्रोल पर हैं।
- 3 परामर्शदाता और इसके क्यूसीआई एनएबीईटी अनुमोदित पैनलबद्ध कार्यात्मक क्षेत्र विशेषज्ञों के बीच किए गए समझौते का विवरण शामिल करने का अनुरोध किया गया है।
सलाहकार संगठन में अनुमोदित सूचीबद्ध विशेषज्ञों की सूची सार्वजनिक डोमेन पर देखने के लिए क्यूसीआई वेबसाइट पर उपलब्ध है।
- 4 यदि क्यूसीआई एनएबीईटी अनुमोदित और कार्यात्मक क्षेत्र विशेषज्ञों को बाहर से काम पर रखा जाता है, तो पर्यावरण सार्वजनिक सुनवाई के लिए ईआईए रिपोर्ट में उन कंपनियों का विवरण दें जिनके लिए उन्होंने हस्ताक्षर किए हैं।
केवल QCI NABET अनुमोदित FAE ही EIA रिपोर्ट तैयार करने में शामिल हुए हैं।

- 5 यदि QCI NABET अनुमोदित कार्यात्मक क्षेत्र विशेषज्ञों को बाहर से काम पर रखा जाता है, तो उन्हें भुगतान की गई फीस का विवरण दें।
एफएई में से किसी को भी बाहर से नियुक्त नहीं किया गया है।
- 6 इन पर्यावरणीय जनसुनवाई और परियोजना के लिए सलाहकार की जिम्मेदारियों का विवरण।
पर्यावरणीय जन सुनवाई और इस परियोजना के संबंध में सलाहकार की जिम्मेदारियाँ इस प्रकार हैं:
 - कार्यकारी सारांश, पावर प्वाइंट प्रेजेंटेशन, प्रश्न के उत्तर तैयार करने में सहायता जैसे सार्वजनिक सुनवाई दस्तावेज तैयार करना।
 - सार्वजनिक सुनवाई आयोजित करने की चरणबद्ध प्रक्रिया को समझाने के लिए परियोजना प्रस्तावक की सहायता करना।
 - सार्वजनिक सुनवाई तिथि आदि पर परियोजना प्रस्तुत करना।
- 7 अनुरोध है कि इस परियोजना के लिए कंपनी द्वारा सलाहकार को भुगतान की गई फीस का विवरण और कंपनी और सलाहकार के बीच समझौते की प्रति एमओएम में शामिल की जाए।
कंपनी ने सलाहकार को ईआईए अध्ययन निष्पादित करने और एमओईएफसीसी दिशानिर्देशों के अनुसार ईआईए/ईएमपी रिपोर्ट तैयार करने का कार्य आदेश दिया है।
- 8 यदि कंपनी के सलाहकार द्वारा ईआईए रिपोर्ट में शामिल किया गया मान्यता प्रमाणपत्र वैध है, तो सक्षम प्राधिकारी द्वारा विधिवत मुहर लगी और हस्ताक्षरित सत्यापित हार्डकॉपी शामिल करने का अनुरोध किया जाता है।
"प्रत्यायन प्रमाणपत्र" 11 सितंबर 2023 तक वैध है जो QCI/NABET वेबसाइट पर उपलब्ध है।
- 9 एमओएम में वैध NABET QCI प्रत्यायन प्रमाणपत्र शामिल करने का अनुरोध किया जाता है विख्यात।
- 10 एमओएम में, उस व्यक्ति के बारे में जानकारी शामिल करने का अनुरोध किया जाता है जो ईआईए रिपोर्ट की प्रस्तुति देने जा रहा है, उसका पदनाम, कंपनी का नाम, कंपनी आईडी प्रमाण की ज़ेरॉक्स कॉपी और सरकारी आईडी प्रमाण।
जिस व्यक्ति ने सार्वजनिक सुनवाई में प्रस्तुतिकरण आयोजित किया है वह सलाहकार संगठन का आंतरिक कर्मचारी है और वह QCI NABET द्वारा अनुमोदित है।
- 11 उन कंपनियों की सूची जिनके लिए सलाहकार ने ईआईए रिपोर्ट का मसौदा तैयार किया है। (01.01.2015 से 20/07/2023 तक)।
इसका मैसर्स दहेज सेज़ लिमिटेड की सार्वजनिक सुनवाई से कोई संबंध नहीं है।
- 12 एसईएसी द्वारा जारी टीओआर के अनुपालन की शत-प्रतिशत सत्यता की जानकारी दें।

CIN : U45209GJ2004PLC044779
GSTIN : 24AACCD8098E3ZJ

हाँ, यह हमारी जानकारी के अनुसार सत्य है।

- 13 यह अनुरोध किया जाता है कि सलाहकार द्वारा QCI-NABET को भुगतान की गई राशि के लिए शुल्क रसीद की विधिवत हस्ताक्षरित और स्टाम्प प्रति को MOM में शामिल किया जाए। इसका मैसर्स दहेज सेज़ लिमिटेड की सार्वजनिक सुनवाई से कोई संबंध नहीं है। इसलिए, आवश्यक नहीं है।
- 14 क्यूसीआई-एनएबीईटी के अनुसार एक वर्ष में सलाहकार द्वारा नियुक्त अस्थायी एफएई द्वारा हस्ताक्षरित की जा सकने वाली ईआईए रिपोर्टों की संख्या का विवरण प्रस्तुत करें। सलाहकार ने अस्थायी कार्यात्मक क्षेत्र विशेषज्ञ का उपयोग नहीं किया है।
- 15 आज तक कितने पेड़ लगाये गये? पेड़ों के लिए यह पानी कहां से निकाला गया है? यदि पानी बाहर से प्राप्त किया गया है तो बिल को एमओएम में शामिल करें, लगाए गए पेड़ों की डिजिटल तस्वीरें लें। परियोजना निष्पादन चरण के दौरान इसी प्राप्त करने के बाद वृक्षारोपण किया जाएगा। विस्तृत हरित पट्टी विकास योजना ईआईए रिपोर्ट के अध्याय 10 के खंड 10.8 में दी गई है।
- 16 कंपनी को एसईएसी द्वारा जारी टीओआर के अनुपालन का विवरण प्रदान करें, यदि यह 100% सत्य है। हाँ, यह हमारी जानकारी के अनुसार सत्य है।
- 17 एमओएम में भूमि खोने वालों के नाम और पते शामिल करें जमीन जीआईडीसी द्वारा अधिग्रहित की गई है।
- 18 कंपनी चालू होने पर कर्मचारियों के नाम गेट पर प्रदर्शित होने चाहिए और 85% स्थानीय लोगों को नियोजित किया जाना चाहिए। सदस्य उद्योग को रोजगार के लिए प्रचलित नियमों का पालन करना अनिवार्य होगा।
- 19 कंपनी या कंपनी के किसी भी जिम्मेदार अधिकारी के नोटरीकृत उपक्रम को शामिल करें जिसमें कहा गया हो कि कंपनी एमओएम में दुर्घटनाओं के कारण प्रभावित क्षेत्रों और कंपनी के श्रमिकों के अलावा बाहरी लोगों के किसी भी नुकसान के लिए पूरी तरह से जिम्मेदार है। डीएसएल और संबंधित सदस्य उद्योग डीआईएसएच/सक्षम प्राधिकारी द्वारा जारी दिशानिर्देश का पालन करेंगे।

- 21 एमओएम में मान्यता प्रमाण पत्र प्राप्त करने के लिए क्यूसीआई-एनएबीईटी को जमा किए गए ऑनलाइन आवेदन और आवेदन दस्तावेजों को शामिल करने का अनुरोध किया जाता है।
सलाहकार कंपनी क्यूसीआई-एनएबीईटी अनुमोदित संगठन है और मान्यता प्रमाणपत्र ईआईए रिपोर्ट में शामिल है।
- 23 ईआईए रिपोर्ट प्रस्तुत करने वाला व्यक्ति किस माह, दिनांक एवं वर्ष से सलाहकार से जुड़ा है, इसका विवरण दें।
सार्वजनिक सुनवाई में ईआईए रिपोर्ट प्रस्तुत करने वाला व्यक्ति सलाहकार संगठन का आंतरिक कर्मचारी है।
- 24 सार्वजनिक सुनवाई में प्रस्तुति देने वाले व्यक्ति की जिम्मेदारी और ईआईए रिपोर्ट की जानकारी प्रदान करने का अनुरोध किया जाता है।
सार्वजनिक सुनवाई में ईआईए रिपोर्ट प्रस्तुत करने वाला व्यक्ति सलाहकार संगठन का आंतरिक कर्मचारी है।
- 25 प्रभावित क्षेत्र के कितने लोग अंग्रेजी भाषा जानते हैं इसकी जानकारी।
अध्ययन क्षेत्र की जनता की साक्षरता दर 79.09% (अधिकतम) है। इसलिए यह माना गया कि अधिकांश जनता अंग्रेजी भाषा समझती है, इसके अलावा उनकी बेहतर समझ के लिए कार्यकारी सारांश स्थानीय भाषा (गुजराती में) में भी तैयार किया गया है।
- 26 एमओएम के साथ प्रभावित क्षेत्र के विभिन्न गांवों की कुल आबादी के बारे में जानकारी शामिल करने का अनुरोध किया गया है।
यह ईआईए/ईएमपी रिपोर्ट में उपलब्ध है।
- 27 प्रभावित क्षेत्र के विभिन्न गांवों के लोगों की साक्षरता दर की जानकारी।
साक्षरता दर पहले ही अध्याय 3 के अंतर्गत ईआईए/ईएमपी रिपोर्ट में दी जा चुकी है।
- 28 एमओएम में कंपनी या कंपनी के किसी भी जिम्मेदार अधिकारी का नोटरीकृत उपक्रम शामिल करें जिसमें कहा गया हो कि इस परियोजना के तहत दुर्घटना के कारण प्रभावित क्षेत्र के लोगों और कंपनी के कर्मचारियों को कोई नुकसान नहीं होगा।
कंपनी लागू मानकों को बनाए रखती है और कंपनी के पास स्वास्थ्य, सुरक्षा और पर्यावरण नीति है। हालाँकि, इस प्रकार का हलफनामा सार्वजनिक सुनवाई के एमओएम का हिस्सा नहीं बनता है।
- 29 एमओएम में कंपनी या कंपनी के किसी भी जिम्मेदार अधिकारी का नोटरीकृत उपक्रम शामिल करें जिसमें कहा गया हो कि इस परियोजना के तहत दुर्घटना के कारण प्रभावित क्षेत्र और कंपनी के कर्मचारियों के अलावा अन्य लोगों को कोई नुकसान नहीं होगा।

GSTIN : 24AACCD8098E3ZJ

कंपनी मानकों का 100% अनुपालन करती है और कंपनी के पास स्वास्थ्य और सुरक्षा और पर्यावरण नीति है।

- 30 प्रभावित क्षेत्र के लोगों और कंपनी के कर्मचारियों के अलावा अन्य लोगों को कोई क्षति या दुर्घटना होने पर इसकी सलाहकार जिम्मेदारी है या नहीं, इसके बारे में जानकारी प्रदान करने का अनुरोध किया गया है।
सलाहकार कंपनी को स्वास्थ्य और सुरक्षा पहलुओं के संबंध में मार्गदर्शन कर सकता है। लेकिन सलाहकार इसके लिए जिम्मेदार नहीं है।
- 31 आप सीईआर में कौन सी गतिविधियाँ करने जा रहे हैं?
सीईआर गतिविधियों का विवरण ईआईए रिपोर्ट के अध्याय-10 के खंड 10.7 में दिया गया है।
- 32 क्या कंपनी किसी दुर्घटना से प्रभावित लोगों या आस-पास के गांवों के लोगों को बीमा प्रदान करेगी?
संपत्ति और कर्मचारी बीमा योजना के अंतर्गत आते हैं। डीएसएल और सदस्य उद्योग वहां काम करने वालों के लिए बीमा कवर के लिए जिम्मेदार होंगे।
- 33 आप आसपास के ग्रामीणों को ऑफसाइट आपातकाल के समय क्या करना है इसके बारे में जानकारी कैसे प्रदान करेंगे?
आपातकाल के दौरान उठाए जाने वाले कदम, जो आसपास के गांवों को प्रभावित कर रहे हैं, आपातकालीन प्रबंधन प्रक्रिया में शामिल हैं। डीएसएल/जिला प्राधिकरण के समन्वय से ग्रामीणों के बीच जागरूकता पैदा करने के लिए सदस्य उद्योगों द्वारा नियमित मॉक ड्रिल आयोजित की जाएगी।
- 34 यदि कंपनी के सलाहकार ने इस ईआईए रिपोर्ट को तैयार करने में कोई गलती की है, तो पुलिस में शिकायत दर्ज कराई जा सकती है या नहीं?
नहीं, ईआईए रिपोर्ट में किसी भी गलती/त्रुटि को अंतिम ईआईए रिपोर्ट में संशोधित करने के लिए सलाहकार के ध्यान में लाया जाएगा।
- 35 यदि कंपनी के सलाहकार ने इस ईआईए रिपोर्ट को तैयार करने में कोई गलती की है और पुलिस में शिकायत दर्ज कराई जा सकती है, तो अनुभाग और नियमों की जानकारी प्रदान करें।
यदि ईआईए रिपोर्ट में कोई गलती या त्रुटि है तो उसे MoEF&CC द्वारा जारी ईआईए के अनुसार संशोधित किया जाएगा।

- 36 एमओएम में कंपनी या कंपनी के किसी भी जिम्मेदार अधिकारी के नोटरीकृत उपक्रम को शामिल करें जिसमें कहा गया हो कि इस परियोजना के तहत दुर्घटना के कारण प्रभावित क्षेत्र के लोगों और कंपनी के कर्मचारियों को होने वाले किसी भी नुकसान के लिए कंपनी पूरी तरह से जिम्मेदार है। कर्मचारियों और अनुबंध श्रमिकों के लिए परिसर के भीतर होने वाली किसी भी दुर्घटना के लिए व्यक्तिगत सदस्य उद्योग पूरी तरह से जिम्मेदार हैं। प्रत्येक इकाई के कार्यान्वयन के बाद उसके लिए पॉलिसी प्राप्त की जाएगी। हालाँकि, इस प्रकार का हलफनामा सार्वजनिक सुनवाई के MoM का हिस्सा नहीं बनता है।

धन्यवाद,

आपका विश्वासी,

Pak applies to join BRICS in '24; counts on China, Russia

New Delhi: Pakistan has formally applied to join the BRICS group of nations in 2024 and is counting on Russia's assistance during the membership process, Russia's TASS agency reported on Wednesday. With China already in favour of Pakistan joining the group, Islamabad is hoping Russia's support will allow its entry into BRICS, which is looking to expand and admitted six new countries this year. **TNN**

Annexure- 8 Screen shot of DSL web to uploaded previous compliance

Annexure- 8

- Screen shot of DSL website to upload the previous compliance.

The screenshot shows the DSL website interface. At the top, there is a navigation bar with links: HOME, ABOUT US, DAHEJ SEZ PROFILE, ABOUT SEZS, LAND ALLOTMENT, ENVIRONMENT CLEARANCE, INVESTOR RELATIONS, and OTHERS. Below this is a section titled 'ENVIRONMENT CLEARANCE' with a 'GO BACK' link. A list of compliance reports is displayed, with the following items:

- Environment Clearance from MoEF, Govt. of India
- CRZ Clearance for Laying of Roads and other Facility at Dahej SEZ
- Environmental Clearance from MoEF&CC, GOI for Industrial park & SEZ at Village Pakhajan.
- Half yearly EC Compliance report April-2023 to September-2023 for Dahej SEZ
- Half yearly CRZ Compliance report April-2023 to September-2023 for Dahej SEZ
- Half yearly EC & CRZ Compliance report Oct-2023 to March-2024 for Dahej SEZ
- Half yearly EC Compliance report Oct-2023 to March-2024 for New SEZ & IP at Pakhajan
- Half yearly EC & CRZ Compliance report April-2023 to September-2024 for Dahej SEZ
- Half yearly EC Compliance report April-2024 to September-2024 for NEW SEZ & IP Pakhajan**

On the right side of the page, there are buttons for 'LAND ALLOTMENT', 'MAP', 'UAC DETAILS', and 'DOWNLOAD'. Below these is a 'News & Announcements' section with two items:

- Service charges and lease rent for the year 2019-20
- Fees and Service charges in Dahej SEZ to be levied for the year 2020-21

An 'Activate Windows' watermark is visible in the bottom right corner of the screenshot.
